Hello, I am a resident of Hale living at 1185 Glencoe St. I am writing to voice my support for fast tracking rezoning for accessory dwelling units in this area of Denver. We need more housing density in order to help make the cost-of-living more affordable in Denver. Those of us who have been privileged to live in single-family zoned neighborhoods must understand that our privilege is keeping others from being able to afford living in the city.

Thank you,

Trina Seefeldt
