Subject: [EXTERNAL] Please Keep the Pit Bull Ban in Denver

Please don't override Mayor Hancock's veto! There isn't enough enforcement of the existing laws that apply to dogs and there are so many scofflaws that disregard the laws that are on the books as it is.

I understand that the way a dog is trained matters, but the reality is that pit bulls have large jaws and do not let go like other dogs when they bite someone. It is these characteristics that make them more of a problem than other dog breeds, despite how they're trained.

Thank you.
