I live in Green Valley Ranch. Monday, July 17th, City Council will hold a public meeting to review the Go Bond proposal. The District 11 projects include: Expansion of 56th Ave from Peoria St to Pena Blvd, Construction of the GVR Indoor pool, Construction of Fire Station at 72nd and Tower Rd, and the Replacement of DPD 5 Police Facility which is in Council District 8 but had an impact on residents of District 11.

I am asking that you please support these projects. They are sorely needed in our neighborhood. My children use the only, tiny pool here for many thousands of residents and I take 56th regularly. Thank you.
