Dear City Council Members,

I have been informed that two projects very important to District 7, the Jewell Pedestrian and Bike Bridge and the Alameda Underpass Reconstruction, are currently on the list of projects to be funded by the 2017 GO Bond. As a District 7 resident, I would like to express my support for both of these projects being included. These two projects are critical to our community, and they will be not be completed without bond funding. There is substantial traffic on both the Alameda underpass and on Jewell; we need to maintain the safety of pedestrians and bikers who use these routes frequently.

I understand that you will be voting on the 2017 GO Bond package within the next few weeks. I urge you to ensure both the Alameda Underpass Reconstruction and Jewell Pedestrian and Bike Bridge projects remain on the 2017 GO Bond list. Thank you for considering my comments.

Sincerely,
Catherine Shea
