Dear Denver City Council:

I am writing to support the Espinoza/Lopez Amendment CB17-08-19 for addition of Morrison Road Improvements to include Phase 3.

I have previously communicated my support for this project in a submission to the Transportation and Mobility Committee (Please see the attached Letter).

The residents of Westwood have worked extremely hard to have Morrison Road become a neighborhood serving main Street that the community needs.

As Chairman of the Board of the National Main Street Center and as the Chairman of the Urban Land Institute Advisory Services Panel that worked in Westwood I urge you to support Morrison Road improvements and the Espinoza/Lopez Amendment.

Sincerely, Edward McMahon
