Subject: GO Bond Amendment for West Colfax
Date: Friday, August 04, 2017 4:50:49 PM

To whom it may Concern,

My name is Emmett Culligan. I am a public artist living and working in Denver and have been involved with the continued effort to make improvements to the western Colfax corridor. In 2015 I received a Mayors award for Art in Transit for the bus shelters that I designed and fabricated on Colfax between Federal and Sheridan.

I would hereby like to publicly voice my strong support for the GO bond sponsored by Councilmen Lopez and Espinoza for the restoration of the West Colfax Transit enhancement project including the signal timing adjustments and pedestrian crossing safety improvements on the corridor.

Thank you!
Emmett Culligan
