Dear Denver City Council,
I am writing in support of the Espinoza/Lopez Amendment CB17-0819 for the addition Morrison Road Improvements to include phase 3.
I have previously communicated my support of this project in a submission to the Transportation and Mobility. The additional funds would really help complete phase 3 of the project. As a member of a local business, I am very excited to see the impact of this investment in our community. This is great for our neighborhood and we appreciate your consideration and attention!
We thank you so much for your support!
