Subject:	GO Bond Amendment request
Date:	Monday, August 07, 2017 4:34:51 PM

To Whom It May Concern:

As a resident of LoHi and the current President of Highland United Neighbors, Inc. (HUNI), I support, as does our Board, the Lopez/Espinoza GO Bond amendment to fund the much needed and long overdue pedestrian improvements on Federal Boulevard, Colfax Avenue, Central Street and Morrison Road. Our collective communities will greatly benefit from this amendment which voters in District 1 support.

Thank you for your attention to this request for support.
