To Whom It May Concern: Denver City Council

I'm writing to urge you to vote for inclusion of the Alameda underpass project on the 2017 GO Bond List. I've lived in Baker for for 27 years and that underpass has needed considerable work throughout that time. In many ways, it is a gateway into central Denver, but as such, it communicates a message of dereliction and neglect. Nor does it appear safe.

Many thanks for your attention to this matter.
