Dear Denver City Council,

I am writing in support of the Espinoza/Lopez Amendment CB17-0819 for the addition Morrison Road Improvements to include phase 3.

Urban Land Conservancy has previously communicated our support of this project in a submission to the Transportation and Mobility committee and would like to share the attached letter of support with City Council.

Please don't hesitate to contact myself or Aaron Miripol, ULC President, with any questions. Thank you for your consideration.
