COMMUNICATIONS

[26-1110](#) A letter dated Friday, July 24, 2026, from Nicole C. Doheny, Manager of Finance, that in accordance with the Denver Revised Municipal Code Section 53-3(b), the Department of Finance is submitting the Denver City Council a revision to the Treasury Tax Rule 004. The Treasury Tax Rule 004 has been updated to align with recent changes to the tax return filing frequencies due based upon sales volumes that the State of Colorado also adopted. Denver's filing frequency should match the State's as to when taxes need to be filed to create simplicity for the business community. The Department of Finance have also updated the frequencies in which Occupational Privilege tax returns may be filed. These updates are not expected to result in any cost impacts to the City. They may have very minimal revenue receipt timing impacts, allowing very small businesses to file less frequently if they elect to change. In accordance with DRMC 53-3(b)(3), Treasury Rule 004 will take effect 60 days after this notice, on September 18, 2026.

Council Communication 26-1110 was filed.
