5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved

a. Scope of Work

This ordinance is for an amendment to the existing contract with Qwest for voice and data network services. The actual change is an updated price list that will reduce costs for Internet service. The cost savings per service will permit the City to increase Internet services when required and will permit savings of approximately \$2500 per month for current services. The contract maximum liability is not being changed to allow for the eventual growth of services.

b. Duration

2009-10-01 to 2014-09-30

c. Location
