Applicants History

User	Anna Respet
------	-------------

I participated in forming the original “Old South Gaylord” BID in the late 1980s and served on the Board for over ten years. More recently I was asked to again participate as a Landlord-Owner. (Meaning I am not running a business on the street but own property there). I believe it is important for the BID to maintain and improve the integrity of the street-scape.

It is also important that the BID Board works with Merchant Association but that the BID does not get involved in actives that promote individual businesses.

I am retired but still own a couple of properties within the BID district. My background is 45 years of ownership and management of rental properties in both the Washington Park and Denver University areas.

Thank you.
