RE: Project Narrative for Rezoning Application located at: 3446 S. Patton Way, City & County of Denver.

HPEC Job #: 23-1038

To Whom it May Concern:

The property owner at the above referenced address is requesting to rezone their lot to allow for an attached ADU. The proposed ADU will provide a living space for his elderly mother whose health is in poor condition and needs assistance with everyday tasks. She is currently living alone in a multi-level home that is not accessible to her current health limitations as she is unable to climb stairs or walk for long distances. The property owner is currently maintaining her home and his own, while caring for his mother. Living on the same property will allow for better care while also providing a more suitable living space for his mother.

On September 16, 2023, the property owner had a phone conversation with Councilman Flynn to discuss the proposed project. Councilman Flynn provided insight regarding the newly amended zoning code and was helpful in guiding the homeowner through the next steps of the rezoning process.

Please don't hesitate to call if you have any questions, concerns, or need any additional information.

Sincerely,

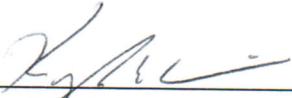

Angela Babbo - Architect
