Borrower is generally unable to pay its debts as they become due, or shall make an assignment for the benefit of creditors; or Borrower applies for or consents to the appointment of any receiver, trustee or similar officer for it or for all or any substantial part of its property; or such a receiver, trustee or similar officer is appointed without the application or consent of Borrower, and such appointment continues undischarged for a period of ninety (90) days; or Borrower institutes (by petition, application, answer or otherwise) any bankruptcy, insolvency, reorganization, readjustment of debt, dissolution, liquidation or similar proceedings under the laws of any jurisdiction; or any such proceeding shall be instituted against Borrower; or Borrower terminates or dissolves.

B. Cure Period. Upon a default, the City shall give written notice of the default to Borrower and other persons entitled to notice of a default pursuant to this Agreement. After Borrower's receipt of the written notice, Borrower or a person on behalf of Borrower shall have ten (10) calendar days to cure any monetary default and thirty (30) calendar days to cure any nonmonetary default (collectively, the "Cure Period"). If a nonmonetary default is not a type which can be cured within the Cure Period, the City, at its reasonable discretion, may extend the cure period if Borrower provides the City with a reasonably detailed written plan of how Borrower will cure the nonmonetary default and Borrower, at all times within such additional time period, actively and diligently pursues such plan. For purposes of this Agreement, the term "monetary default" means a failure by Borrower to make any payment required of it pursuant to the applicable Promissory Note or any other Loan document, and the term "nonmonetary default" means a failure by Borrower or any other person to perform any obligation contained in the Agreement, Covenant,

Collateral Assignment, or Promissory Note, other than the obligation to make payments provided for in the Promissory note or Loan documents.

C. Acceleration; Interest Upon Default; and Withholding Disbursements.

Upon the existence of a default and the failure to cure within the Cure Period, and without necessity of further notice, presentment, demand, protest, or notice of protest of any kind, all of which are expressly waived by Borrower, the City shall have the right to accelerate any outstanding obligations of Borrower, including any outstanding obligations of both the Cash Flow Portion and Performance Portion, which shall be immediately due and payable, including payments under the Promissory Note, and to enforce or assign its rights under the Collateral Assignment, including, but not limited to, foreclosing on the Property. Borrower agrees to pay a late fee of five percent (5%) of any installment not received on or before the day the installment is due. Upon default and if the default remains after the Cure Period, the principal shall draw interest at the rate of fifteen percent (15%) per annum. If any of the Loan funds have not been disbursed to Borrower, the City may suspend or terminate the Agreement, in whole or in part, and withhold one hundred percent (100%) of any undisbursed funds.

D. Effect of Default on Eligibility for Further Funding. If Borrower is in default, the City may declare Borrower ineligible for any further participation in City funding, in addition to other remedies as provided by law.

E. Owner's limited partner shall have the right, but not the obligation, to cure any default under the same terms granted to the Borrower.

For the purposes of that administrative procedure, the City official rendering a final determination shall be the Executive Director.

28. ASSIGNMENT AND SUBCONTRACTING: The City is not obligated or liable under this Agreement to any party other than Borrower. Borrower shall not assign, sublet or subcontract with respect to any of the rights, benefits, obligations or duties under this Agreement, except as allowed in Section 1, without prior written consent of the City.

29. CITY NOT PARTY TO CONSTRUCTION CONTRACT: The City is not, and nothing in this Agreement shall be construed to constitute the City, a party to any construction contract pursuant to which the loan or grant proceeds hereof are expended

33. DURATION/BINDING EFFECT: This Agreement shall remain in effect for the period of affordability specified in Section 6(E) above, and shall be binding upon the parties and shall inure to the benefit of their respective successors, assignees, representatives, and heirs.

34. COUNTERPARTS: This Agreement may be executed in multiple counterparts, each of which, when executed and delivered, shall be deemed to be an original and, taken together, shall constitute one and the same instrument.

35. NONRECOURSE: Notwithstanding any other provision contained herein or in the Promissory Note or Collateral Assignment, it is agreed that the execution of this Agreement, the Promissory Note and Collateral Assignment shall impose no personal liability on Borrower or any partner, member or manager of Borrower for payment of any of the obligations described herein or therein, and the City’s sole recourse shall be against the Project.

36. HOUSING ASSISTANCE PAYMENTS CONTRACT: Borrower has or will enter into a housing assistance payments (“HAP”) contract with the Denver Housing Authority, State Division of Housing, the City, or another entity that administers HAP contracts so that rental units at the Project may receive project-based voucher payments in accordance with the provisions of 24 C.F.R. Part 983 or similar program. The City acknowledges that the HAP contract is vital for the financial viability of the Project. If a HAP contract applicable to the Project expires, is terminated, is not renewed, or the financial terms otherwise change, the City agrees that HOST will, in good faith, engage in discussions to renegotiate the affordability provisions contained in this Loan Agreement. Any changes or amendments to the affordability provisions will not be effective or binding on the City until an amendment to this Loan Agreement has been fully executed by all required signatories of the City, and if required by Charter, approved by the City Council.

EXHIBIT C
(Affirmative Marketing)

City and County of Denver
Affirmative Marketing Program

The City and County of Denver is committed to the goal of adequate housing for all its citizens and to affirmatively furthering fair housing opportunities. The City has developed written material explaining the City's Housing Programs for dissemination and will inform the public, owners, and potential tenants about Federal fair housing laws. These materials will display the "equal housing opportunity" slogan and logo. The City will also publicize its Housing programs through press releases, solicitations to property owners and written communications to fair housing groups and local lenders. The City will display the "equal housing opportunity" slogan on all such communications.

All contracts, grant agreements and/or loan agreements between the City or its agents and property owners executed in connection with the Housing Programs will:

- (1) prohibit discrimination in the rental of housing rehabilitated through the City's Housing programs on the basis of race, color, religion, sex, national origin, age, handicap, or household composition;
- (2) require compliance with all applicable fair housing and equal opportunity laws, and
- (3) include a copy of our Affirmative Marketing Program and require compliance with all procedures contained herein for the period of affordability of the term of the loan, whichever is greater.

In the City's Housing Loan Program, the objective of the Affirmative Marketing Program and a project's Affirmative Marketing Plan will be to increase the racial/ethnic diversity of the project's tenant population so that the tenant population is not made up exclusively of persons of one race/ethnicity.

In order to accomplish this, owners will be required to adopt a plan that will inform and solicit applications from persons in the housing market who are least likely to apply for the housing without special outreach. In general, persons who are not of the race/ethnicity of the majority of the residents of the neighborhood in which the property is located will be considered as persons least likely to apply.

The City will work with the project owner to identify which racial/ethnic groups in the population are least likely to apply for housing in each project without special outreach. The City will assist the owner in developing a project specific Affirmative Marketing Plan which includes special outreach efforts and the City will approve the Plan. The property manager or rental agent will be required to maintain records enabling the City to assess the results of the owner's actions to affirmatively market units. These records will include rental applications, all vacancy notices, and rental receipts. The City or its agent will review the owner's records and these records must be made available to

the City. Additionally, the City will require the owner to submit annual tenant reports that will include tenant characteristics including race/ethnicity. The project's Plan will identify specific actions the owner must take when becoming aware of an impending vacancy. In some cases the owner will also be required to advertise the vacancy in a general circulation newspaper.

Owners who rent exclusively to one segment of the population to the exclusion of applicants from other segments will be notified of potential noncompliance. The City will provide technical assistance to the owners in expanding outreach efforts. If necessary, specific corrective actions will be required.

Owners who discriminate or who fail to comply with the requirements of this Affirmative Marketing Program may be found in breach of contract or in default on their grant or loan agreement, and the City may take action to recover all funds made available to the owner by the City plus applicable penalties.

The City has adopted a policy to aggressively encourage landlords to rehabilitate units that are accessible to persons with physical disabilities.
