1. Has your agency submitted this request in the last 12 months?

Yes No

If yes, please explain:

2. Title: *(Include a concise, one sentence description – please include name of company or contractor and contract control number - that clearly indicates the type of request: grant acceptance, contract execution, amendment, municipal code change, supplemental request, etc.)* Two minor amendments to Chapter 30, DRMC, Landmark Preservation, to provide correct references to state rules:

1. To delete language in DRMC 30-9 that incorrectly states that anyone aggrieved by a decision of the landmark preservation commission must file an action for judicial review within 30 days of the action; instead the language should simply state that the grievance action should be filed in accordance with the Colorado Rules of Colorado Procedure.
2. To modify language in DRMC 30-10 to allow the landmark preservation commission to continue to review Colorado historic rehabilitation tax credits. The state recently adopted new rules, and the current provision in DRMC 30-10 giving the commission this authority references the old state rules and not the new ones.
