30  
31 **NOW, THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF**  
32 **DENVER:**

33  
34 **Section 1.** Section 28-34(a) of the Denver Revised Municipal Code is amended by adding a  
35 new subsection (12) to read as follows:

36 “(12) Completing on or before April 1, 2019 an evaluation of DSBO to include the following:

- a. Program goals, responsibilities, and staffing necessary to fulfill all compliance requirements and accomplish annual goals;
- b. Documentation on total MBE, WBE and SBE completed work payments for each compliance program participant and its relationship to established goals;
- c. Monitoring of SBE contractor billing and payment process procedures as well as MBE, WBE and SBE subcontractor billing and payment process procedures as required through this Chapter 28;
- d. Number of certified MBE, WBE and SBE firms and their participation in city contracts over a defined period to establish a relevant participation trend;
- e. Number of MBE, WBE and SBE educational activities and mentorships, the number of participants, and an evaluation of the educational programs, including education on how to utilize city systems for tracking activity and payments;
- f. Compliance with section 28-59 regarding establishing project goals.”

**Section 2.** Section 28-71 of the Denver Revised Municipal Code is amending by adding the language underlined to read as follows:

(a) Within five (5) business days following commencement of work on a contract, the contractor or consultant shall submit to the director a duplicate of the project schedule, which sets forth in detail the anticipated utilization of all MBEs and WBEs on the contract. In the event of a contract performance delay of more than one-third (1/3) of the originally estimated length of time between project notice to proceed and completion, such contractor or consultant shall submit to the director not later than the originally estimated date of project completion, a revised schedule for utilization of all MBEs and WBEs on the contract.

(b) The anticipated utilization of all MBEs and WBEs shall conform to the individual letters of intent submitted for each MBE/WBE at the time of the final project-specific proposal or bid to and accepted by the City or a private owner. If the MBE or WBE listed on the letter of intent is not the MBE or WBE listed on the MBE/WBE utilization project schedule, then contractor or consultant shall comply with section 28-75 with respect to modified good faith efforts.

**Section 3.** Section 28-72(d) of the Denver Revised Municipal Code is amended by adding the language underlined to read as follows:

1           “(d) The DSBO shall evaluate the utilization of MBEs and WBEs to determine whether such  
2 MBEs and WBEs are performing a commercially useful function. The evaluation shall examine the  
3 amount of work subcontracted, industry practice and other relevant factors. The amount of MBE and  
4 WBE participation credited toward a project goal shall be based upon an analysis of the specific  
5 duties performed by the MBE or WBE, and the extent to which such duties constitute a commercially  
6 useful function. The director may undertake such inquiries or studies, engage such employees or  
7 retain such consultants to assist the director in rendering these determinations. In order for DSBO  
8 to accurately track utilization of MBEs and WBEs, MBEs and WBEs shall submit regularly the  
9 following information to DSBO in a method prescribed by DSBO:

- 10           1. Prime contractor information and identification (name, address, contact person, and  
11           telephone)

1           **Section 6.** Section 28-222(d) of the Denver Revised Municipal Code is amended by adding  
2 the language underlined to read as follows:

3 “The DSBO shall evaluate the performance of the SBE contractor, consultant or concessionaire to  
4 determine whether such contractor, consultant or concessionaire, and any utilized SBE  
5 subcontractor, subconsultant or supplier, is performing a commercially useful function on the contract  
6 or concession agreement. The evaluation shall examine the amount of work subcontracted, industry  
7 practice and other relevant factors. The amount of SBE participation credited toward defined  
8 selection pool requirements and minimum SBE utilization requirements shall be based upon an  
9 analysis of the specific duties performed by the SBE contractor, consultant or concessionaire, and  
10 any utilized SBE subcontractor, subconsultant or supplier, and the extent to which such duties  
11 constitute a commercially useful function. The director may undertake such inquiries or studies,  
12 engage such employees or retain such consultants as may be necessary to assist the director in  
13 rendering these determinations. In order for DSBO to accurately track the amount of SBE  
14 participation credited toward defined selection pool requirements and minimum SBE utilization  
15 requirements, SBE contractors, consultants and concessionaires, as well as any utilized SBE  
16 subcontractors, subconsultants or suppliers, shall submit monthly the following information on a form  
17 prescribed by DSBO:
