

**DEPARTMENT OF AVIATION**  
**CITY COUNCIL ORDINANCE REQUEST SUMMARY**  
**Jackson Gap and 78<sup>th</sup> Parking Expansion**

**Purpose and Use of Agreement(s)**

Approves Hamon Infrastructure, Inc. to perform construction services for the Jackson Gap and 78<sup>th</sup> parking expansion project at Denver International Airport (DEN).

An expansion of the surface parking lot currently occupied by Hertz rental car company is to be constructed on the southwest corner of the E 78<sup>th</sup> Avenue and Jackson Gap St. intersection. The current site of the expansion is an undeveloped open channel drainageway and the scope of work will include, but is not limited to earthwork grading, stormwater drainage conveyance (pipe, box culvert, and structures), water quality features, asphalt paving, chain link fence and guardrail, site lighting, and existing roadway pavement tie-ins.

**Contract(s) Description**

The Contract's term is 325 consecutive calendar days (approximately 10.5 months) from Notice to Proceed. The maximum contract amount is \$8,259,000.

**Vendor(s)**

Contract No. 202160382 – Hamon Infrastructure, Inc.

**DSBO Goals**

A 14% level of M/WBE goal type participation was established for construction. The selected vendor has committed to a 14.1% level of M/WBE participation.
