(j) The City reserves the right to make an inspection of the Encroachments contained within the Encroachment Area. An annual fee, subject to change, of \$200.00 shall be assessed.

(k) This revocable permit shall not operate or be construed to abridge, limit or restrict the City and County of Denver in exercising its right to make full use of the Encroachment Area and adjacent rights-of-way as public thoroughfares nor shall it operate to restrict the utility companies in exercising their rights to construct, remove, operate and maintain their facilities within the Encroachment Area and adjacent rights-of-way.

(l) During the existence of the Encroachments and this permit, Permittee, its successors and assigns, at its expense, and without cost to the City and County of Denver, shall procure and maintain a single limit comprehensive general liability insurance policy with a limit of not less than \$500,000.00. A certified copy of all such insurance policies shall be filed with the Manager of Public Works, and each such policy shall contain a statement therein or endorsement thereon that it will not be canceled or materially changed without written notice, by registered mail, to the Manager of Public Works at least thirty (30) days prior to the effective date of the cancellation or material change.

The failure to comply with any such provision shall be a proper basis for revocation of this permit.

(n) The right to revoke this permit is expressly reserved to the City and County of Denver.

(o) Permittee shall agree to indemnify and always save the City and County of Denver harmless from all costs, claims or damages arising, either directly or indirectly, out of the rights and privileges granted by this permit.

Section 3. That the Permit hereby granted shall be revocable at any time that the Council of the City and County of Denver shall determine that the public convenience and necessity or the public health, safety or general welfare require such revocation, and the right to revoke the same is hereby expressly reserved to the City and County of Denver; provided however, at a reasonable time prior to Council action upon such revocation or proposed revocation, opportunity shall be afforded to Permittee, its successors and assigns, to be present at a hearing to be conducted by the Council upon such matters and thereat to present its views and opinions thereof and to present for consideration action or actions alternative to the revocation of such Permit.
