5. General description or background of proposed request. Attach executive summary if more space needed:

This request will approve making an appropriation of \$6,473,000 from General Fund Reserves, in the General Fund cash transfer org (01010-9926100), and making an appropriation in the City Attorney’s Liability Claims Fund (11827-4510000). This will provide sufficient budget capacity to fund settlements and claims previously approved and/or in process.

Per Fiscal Accountability rules, the Assigned Fund Balance is unappropriated funds in the General Fund that are intended by the Department of Finance to be used for specific purposes but are neither restricted nor committed. Per the 2023 Budget, the Chief Financial Officer designated funds in the Assigned Fund Balance to address potential liabilities against the City.

The Liability and Claims Fund started the year with a balance of \$3,366,223, which included a General Fund Transfer of \$2,000,000 per CB 1446, series of 2022. There has been an approved previous supplemental amount of \$2,243,000 from undesignated fund balance, per CB 0267, series of 2023, and \$4,700,000 supplemental in process, per CB 0550, series of 2023.

6. City Attorney assigned to this request (if applicable): NA

7. City Council District: Citywide
