Professional Experience

Latin American Educational Foundation (LAEF)
Executive Director
Denver, CO 80204
June 2003 – Current

Responsible for the overall strategic and tactical management of this 66-year old, state-wide college support and scholarship foundation, including development and implementation of the organization's fundraising strategy, relationship and donor development, stewardship and management. Responsible also for event management, including major annual gala, and other smaller events throughout the year. Work with LAEF's 15-person board of directors to develop and execute organization's strategies. Responsibilities include human resource and staff functions, marketing, community and public relations, as well as operations of student support programs and scholarship program. Responsible for public and media relations, and serve as the organization's primary spokesperson. I am responsible for entire range of financial management, including annual budget of approximately \$800,000, monitoring and management of expenditures, banking, receipt of funds and grants, accounting and reporting procedures, exercise of financial controls, and coordination and interaction with external auditors. I report directly to the Board of Directors.

Major Accomplishments, Competencies and Duties

- Identify and recruit board members. Maintains effective communications and partnership with board members to meet organization's goals.
- Plan, organize and execute regular board and committee meetings.
- Consistently raised approximately \$800,000 annually, from corporate, individual and foundation donors.
- Built endowment of over \$2,000,000
- Awarded over \$3 million of scholarships to Colorado college students.
- Plan, organize, direct and perform college support services and support programs.
- Represent LAEF in all press matters, in public forums, and throughout the community at civic, cultural, charitable, and business events. Serve as the face of the Latin American Educational Foundation.
- Regularly meet with business executives and leaders, including large and small businesses; regularly meet with civic and political leaders.
- Excellent written and oral communication skills; excellent public speaker.

Other Related

Initiatives

Denver Initiative 2A, College Matters

Served as a member of the Prosperity Denver initiative to help design and develop this Denver ballot proposal to create a City/public funded scholarship program for Denver high school graduates. Assisted and advised campaign leadership and campaign consultants, provided subject matter expertise, including presentations to Denver City Council and other public community gatherings.

Colorado ASSET

Served on the Steering Committee for numerous years in efforts to introduce and pass legislation to allow Colorado's undocumented students the ability to pay in-state tuition at Colorado higher education institutions. Advised Steering Committee lobbyists, worked with State legislators and other educational and political leaders to ultimately pass the ASSET legislation.

Other

Experiences

Systems & Computer Technology Corporation

Senior Account Manager/Project Manager – College Savings Solutions

Malvern, PA

July 2001 to November 2002

Responsible for client relationship maintenance and project management services of software implementations for multi-million dollar national higher education software company. Specific responsibilities included design and implementation of state-sponsored IRS Sec. 529 college savings programs, including program features and options, and systematic applications to support customer service and processing requirements. Clients included numerous state governmental agencies, and private financial institutions throughout the United States.
