**5. General description or background of proposed request. Attach executive summary if more space needed:**

The City & County of Denver and The Greenway Foundation have a long and successful history of partnering on projects that advance the Foundation’s mission of reclaiming, redeveloping, and protecting the South Platte River (and surrounding tributaries) as a unique environmental, recreational, cultural, scientific and historical amenity. Through this contract, the departments of Public Works, Parks and Recreation, and Department of Public Health and Environment (DDPHE) negotiate individual task orders for tasks including, but not limited to, advocacy, lobbying and fundraising on behalf of projects related to water quality, ecosystem restoration, flood risk reduction and recreation along the South Platte River and surrounding tributaries. The Department of Finance manages the contract for the purpose of authorizing work performed, tracking budget capacity, keeping a master calendar and coordinating/avoiding duplication of services between user agencies.

The Greenway Foundation is uniquely knowledgeable and technically qualified to perform the services under this contract. Since 1974, The Greenway Foundation (TGF) has led efforts to reclaim, enhance, and protect the South Platte River (SPR) and its tributaries. Over their 40+ years, TGF has helped create millions of dollars of green improvements to the SPR and its tributaries. They have helped construct on behalf of the City over 100 miles of interconnected hiking and biking trails, have created numerous parks and natural areas, and have helped to improve the overall wellbeing of the SPR to the benefit of the City and Citizens of Denver. Through their 40+ years of work and experience TGF has become the “go to” organization for those who care about the SPR, showing their ability to raise funds for many of these projects and their professional ability to bring various groups together to develop a common vision for overall water improvement.
