Date of Request: 11/5/25

Please mark one: ☐ Bill Request or ☒ Resolution Request

Please mark one: The request directly impacts developments, projects, contracts, resolutions, or bills that involve property and impact within .5 miles of the South Platte River from Denver's northern to southern boundary? (Check map [HERE](#))

☐ Yes ☒ No

1. Type of Request:

- ☒ Contract/Grant Agreement ☐ Intergovernmental Agreement (IGA) ☐ Rezoning/Text Amendment
☐ Dedication/Vacation ☐ Appropriation/Supplemental ☐ DRMC Change
☐ Other:

2. Title: (Start with *approves*, *amends*, *dedicates*, etc., include name of company or contractor and indicate the type of request: grant acceptance, contract execution, contract amendment, municipal code change, supplemental request, etc.)

Approves contract with RUSH TRUCK LEASING, INC. for \$4,000,000.00 with an end date of 10-31-2027 to provide long-term rental of refuse trucks on an as-needed basis, citywide (DOTI-202581694).

5. General description or background of proposed request. Attach executive summary if more space needed:

DOTI provides residential recycling, organics, and solid waste collection services to single-family households and multi-family residential buildings with up to seven (7) units. Solid waste and recycling services are provided to approximately 183,000 households. Starting in 2025, DOTI provides weekly trash and compost along with bi-weekly recycling collection.

This contract with RUSH TRUCK LEASING, INC. for long-term rental of refuse trucks on an as-needed basis will supplement the City's existing fleet. Term of contract is two years but is broken down into two segments: Initial year and Automatic Annual Renewal second year. Max contract amount shall not exceed \$4,000,000.00 for the total two years: Initial year shall not exceed \$2,500,000.00. Renewal year shall not exceed \$1,500,000.00

Denver residents expect consistent service collections and delays or missed services lead to complaints, reduced public trust and health hazards if not collected. Renting ensures adequate coverage of trucks while other trucks are being worked on that break down or routine maintenance is taking place. The current fleet of in-house vehicles is not sufficient to maintain/deliver the program. Renting these refuse trucks will ensure we meet the seasonal peak and demand of the waste our constituents will be placing out.

If these trucks are not rented, we will have significant delays of service. The current fleet we have on the road will be overworked and break downs will significantly increase. We want to ensure we are a clean and efficient city, while minimizing operational and financial risks that will directly impact our constituents.

6. City Attorney assigned to this request (if applicable): Laurie Heydman
