7. Is there any controversy surrounding this ordinance? *(Groups or individuals who may have concerns about it?)*
Please explain.

There was Public opposition during the Public Notification period from surrounding neighbors. There appeared to be a misconception about the sidewalk being eliminated, which is what was addressed by most of the opposition letters. The sidewalk is to remain completely unaltered enforced by a sidewalk easement. The purpose for this vacation is to adjust the property setback to be aligned with adjacent property setbacks. Ultimately, all Public Oppositions were deemed to have no technical merit by Robert Duncanson, Director of Public Works.
