

EMERGENCY ON CALL REPAIR CONTRACT

THIS EMERGENCY ON CALL REPAIR CONTRACT (this “**Agreement**”) is by and between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “**City**”), and **RCM LEGACY CAPITAL, LLC**, a Colorado limited liability company doing business as Maintenance Chef, whose address is 826 E. 78th Ave, Denver, CO 80229 (the “**Contractor**”). For purposes of this Agreement, the City and the Contractor are individually referred to as a “**Party**” and collectively as the “**Parties**.”

RECITALS

The City has identified a need for a qualified and competent contractor to perform, as assigned, emergency services as directed by the City on an “on-call” or “as needed” basis (the “**Program**”).

Program work will generally consist of emergency repair services required on a variety of as yet to be identified projects as assigned by the City (the “**Projects**”).

Program work shall consist of the emergency repair of appliances at multiple locations throughout the City and County of Denver.

Program work may be required during Standard Work hours and Non-Standard work hours as defined and described herein.

The Contractor is willing, able and has the present capacity to perform all of the repair services required by this Agreement.

AGREEMENT

The recitals set forth above are incorporated herein as set forth in their entirety. In consideration of the mutual covenants contained in Agreement, and subject to the terms and conditions stated in Agreement, the Parties agree as follows:

1. WORK TO BE PERFORMED.

A. Work: The Contractor shall furnish all labor, tools, supplies, equipment, materials and everything necessary for and required to do, perform and complete all of the work described in **Exhibit A**, Scope of Work, Technical Requirements, and General Conditions, attached hereto and incorporated herein (the “**Work**”). The Contractor shall perform Work in a highly skilled manner consistent with the performance standards and technical requirements set forth in **Exhibit A**. The Contractor shall commence the Work within five (5) calendar days following the issuance by the City of a Work Order for a Project unless a different period is specified in the Work Order. The Contractor shall complete the Project within the time period specified in the Field Order Directive for the Project. The Contractor shall diligently prosecute the Work to completion using its best efforts, highly skilled work effort and attention. The Contractor shall be solely responsible for all means, methods and techniques of performance, protection of property and safety. The Contractor shall be responsible to the City for the acts and omissions of the Contractor’s employees and any other persons performing any of the work or furnishing materials.

B. Oversight: The Contractor shall conduct the Work under the general direction of and in coordination with the Executive Director of the Department of General Services (the “**Director**”) or other designated representative (the “**Representative**”) and the Department employee(s) assigned to manage the Work Project (the “**Department**”) and make every reasonable effort to fully coordinate the Work Project with any City agency or any person or firm under contract with the City doing work which affects the Contractor’s Work Project. The Contractor agrees to allow the City to review any of the procedures used

by it in doing the Work under this Agreement and to make available for inspection all notes and other documents used in performing the Work.

C. **Cooperation and Coordination:** The Contractor shall make every reasonable effort to fully coordinate the Work with any City agency or any person or firm under contract with the City doing work which affects the Contractor's Work on any particular Work Order. The Contractor agrees to allow the City to review any of the procedures used by it in doing the Work under this Agreement and to make available for inspection all notes and other documents used in performing the Work.

D. **Non-exclusivity:** The Contractor acknowledges and agrees that this Agreement does not create an exclusive right to perform all Work for which the City may contract for the type of service described in **Exhibit A**. The City may enter contracts with other contractors to perform the same or similar services and reserves the right to select, at the discretion of the Director or the Representative, the contractor that is the most cost effective, best suited, and/or most readily able to perform a specific Work Project.

E. **Work Order:** As the Department determines the need and availability of funding for each Work Project outside of regularly scheduled or preventative maintenance, the City will issue a written Work Order to the Contractor detailing the nature and extent of services to be provided, the location of the Work Project, and the timeframes within the Work Project is to be performed, with a projected amount to be paid to the Contractor (the "Work Project Amount") based on the Work items described in the Scope of Work and Technical Specifications in **Exhibit A** and the Rate Sheet set forth in **Exhibit B**. **Exhibit C** attached to this Agreement and incorporated herein by reference substantially reflects the form of the Work Order to be issued by the City. The Contractor shall, within forty-eight (48) hours and in good faith, confirm the scope of services detailed therein and the associated Work Project Amount, all of which must be in accordance with the terms and conditions of this Agreement, and respond back in writing to the Department as to the Contractor's ability to initiate and complete the Work Project in the timeframes specified in the Work Order. The Contractor assumes all responsibility and risks, including any additional work or additional costs, for failure to confirm the completeness and accuracy of the Work Order and the Work Project Amount, including any inquiries with the Department as to any directions or specification in the Work Order which are not clear. Confirmation includes, but is not restricted to, inspections of the Work Project site and inquiries with the Department as to any directions or specifications in the Work Order which are not clear. If the Contractor fails to contact the Department within forty-eight (48) hours following receipt of the issued Work Order and state unequivocally that the Contractor is ready and willing to perform the Work Project in the manner and timeframes indicated on the Work Order, the Department reserves the right to immediately withdraw the issued Work Order. Upon the Contractor executing the Work Order, the Department shall finalize and executed the Work Order for the Work Project and return a copy of the executed Work Order to the Contractor. The Department will not execute the Work Order unless any material changes proposed by the Contractor to the terms of the issued Work Order and/or additions to the Work Project Amount are deemed acceptable by the Director or the Representative and incorporated into the Work Order and until funding adequate to cover the entire Work Project Amount is available.

F. **Work Order Change:** If, after execution of a Work Order and commencement on the Work Project, additions, deletions or modifications to the Work described in the Work Order, along with any associated changes in the Work Project Amount, are required by the Department or are requested by the Contractor and approved in advance by the Department, an Work Order Change, in substantially the form as set forth in **Exhibit D** attached to this Agreement and incorporated herein by reference, may be issued in accordance to the same standards and procedures prescribed for Work Orders. The Contractor shall promptly and thoroughly review and respond to the proposed changes, in accordance to the same standards and procedures prescribed for Work Orders and notify the Department that the Contractor is ready and willing to perform the Work Project in the manner and timeframes as modified by the Work Order Change. The Department will not execute the Work Order Change unless any material changes proposed by the Contractor to the terms of the issued Work Order and/or additions to the Work Project Amount are

deemed acceptable by the Director or the Representative and incorporated into the Work Order Change and until funding adequate to cover the entire Work Project Amount, if modified, is available.

G. Field Order Directive: A Field Order Directive is a written order (**Exhibit E**) signed by the Director or the Representative, which directs the Contractor to commence emergency services. A Field Order Directive may be used when:

- i. The City determines that the Contractor must proceed immediately to perform the service in order to avoid or correct a situation where the health or safety of persons may be affected, and sufficient time is not available to negotiate the Services;
- ii. The City and Contractor have not yet completed their negotiation of Services but in the interest of safety, the City requires the Contractor to proceed without an executed Order or authorization in place.

Upon receipt of a Field Order Directive the Contractor shall promptly sign the Order and return it to the Department and shall promptly proceed with performing the emergency Services. Within five (5) days after completing the Services the Contractor shall provide the Director or the Representative with an itemized invoice attributable to the emergency.

G. Inspection of the Work: Persons who are employees of the City or who are under contract with the City will be assigned to inspect and test the Work. These persons may perform any tests and observe the Work to determine whether or not materials used, manufacturing and construction processes and methods applied, and equipment installed satisfy the requirements of the technical specifications, all other Agreement requirements, and the Contractor's warranties and guarantees. The Contractor shall permit these inspectors unlimited access to the Work and provide means of safe access to the Work, which cost shall be included in the Contractor's price for the Work. In addition, the Contractor shall provide whatever access and means of access are needed to off-site facilities used to store or manufacture materials and equipment to be incorporated into the Work and shall respond to any other reasonable request to further the inspector's ability to observe or complete any tests. Such inspections shall not relieve the Contractor of any of its quality control responsibilities or any other obligations under this Agreement. All inspections and all tests conducted by the City are for the convenience and benefit of the City. These inspections and tests do not constitute acceptance of the materials or Work tested or inspected, and the City may reject or accept any Work or materials at any time prior to the inspections, whether or not previous inspections or tests were conducted by the inspector or a City representative.

H. Warranties; Correction of Work: The Contractor warrants that all parts, materials, components, equipment, systems and other items incorporated into the Work ("Items") shall be new, unless otherwise specified, and suitable for the purpose used, and will be of good quality, free from faults and defects, and in keeping with common industry standards and that said Items shall be properly installed or incorporated into the Work in accordance with manufacturer's specifications and standard practices for said Items, and all of this shall be in conformance with the specifications and requirements of this Agreement. The Contractor's warranty shall be effective for a one-year period following the completion of the Work and shall be extended for one year following any repair, replacement or corrective action required under the warranty. The Contractor, when requested, shall furnish the Director or the Representative with satisfactory evidence of the kind and quality of Items proposed to be incorporated into the Work. At any time while this Agreement is in effect or during the warranty period, the Contractor shall, at no cost to the City, promptly investigate, repair, replace, or otherwise correct any of its workmanship and/or Items in the Work which contain fault(s) or defect(s), whether such failure(s) are observed by the City or the Contractor, and promptly repair, replace, otherwise correct any damage to any personal or real property owned by the City or another person resulting from said fault(s) or defect(s) or from the repair, replacement, or correction of the fault(s) or defect(s).

I. Title: The Contractor warrants that it has full title to all items incorporated into the Work, that its transfer of such title to the City is rightful and free and clear from all security interests, liens, claims, or encumbrances whatsoever, and that the Contractor will defend such title against all persons claiming the whole or part of any Item, at no cost to the City.

J. Completion; Deficiency: The Contractor shall promptly notify the Project Manager as to the completion of the Work so that inspection of the Work may be made by the City. If a Completion Notice is specified in the Work Order, the Contractor shall not submit a request for payment for the Work performed until a Completion Notice is issued by the Director or the Representative or ten (10) calendar days after City is notified of Work completion, whichever is sooner. If the Work performed is determined by the Director or the Representative to be defective, deficient or incomplete, whether or not a Completion Notice is required, the Contractor shall correct or complete the Work, at no additional cost to the City, within the timeframe specified in a Notice of Deficiency issued by the Director or the Representative, and promptly notify the Director or the Representative upon correction or completion of the Work.

K. Time is of the Essence: The Work is time sensitive. The Contractor acknowledges and affirms that it is imperative that the Contractor exercise due diligence and actively and expeditiously undertake all measures necessary: 1) in initiating, making good progress, and completing the Work Project, all within the timeframes specified in this Agreement and applicable Work Order, and 2) in promptly and fully correcting or completing any Work noted in a Notice of Deficiency. Failure or refusal by the Contractor to initiate, make good progress, or complete the Work within the Performance Period may result, at the discretion of the Director, in termination of this Agreement, or in assessment of liquidated damages under Section 5 of this Agreement.

L. Subcontracting: Except as approved by the Director or the Representative in advance and in writing, the Contractor shall not subcontract with another contractor to perform the Work. The Contractor is prohibited from hiring any subcontractor currently debarred by the City in accordance with section 20-77 of the Denver Revised Municipal Code.

2. METHODS OF WORK.

A. Resources, Personnel, and Time Commitment: The Work shall be promptly commenced and actively prosecuted with the optimum complement of workers and equipment in order to complete the Work in an effective and expeditious manner. The Contractor shall furnish all labor, tools, supplies, equipment, materials and everything necessary for and required to perform and complete the Work. The Work shall be undertaken by workers skilled, proficient, and experienced in the trades required by this Agreement and shall be performed in an orderly and responsible manner in accordance with recognized standards and the plans and specifications contained in this Agreement or provided to the Contractor by the City. If the City reasonably believes that the Work is not proceeding satisfactorily or timely because the Contractor has not utilized an adequate number of qualified and skilled personnel or workers or provided sufficient tools, supplies, equipment, or materials, then the City may require the Contractor, at no additional cost to the City, to utilize additional qualified and skilled personnel or workers or provide additional tools, supplies, equipment, or materials to perform the Work in a manner reasonably acceptable to the City.

B. Permits and Licenses: Any tasks specified under this Agreement that require the employment of licensed or registered personnel shall be performed by licensed or registered personnel. The Contractor shall obtain, at its own expense, and maintain all permits or licenses, including any prescribed governmental authorizations or approvals, required for the performance of the Work and shall demonstrate, if requested, what actions the Contractor has taken to comply with the required permits, licenses, authorizations or approvals.

C. Work Site Conditions: Work sites and nearby locations shall be kept clean and neat. Equipment, vehicles, and materials no longer needed at the site shall be promptly removed from the site,

and any such items lawfully stored for use on the site shall be so placed and secured as to protect the public health and safety. All scraps, debris, trash, excess soil, and other waste materials shall be regularly removed and properly disposed of. Disposal in solid waste containers provided by the City is prohibited unless written authorization is obtained.

D. Protection of Property: The Contractor shall assume full responsibility and expense for the protection of all public and private property, including but not limited to structures, street improvements, pathways, irrigation systems, landscaping, water lines, sewers, and other utilities, both above and below ground, at or near the site or sites of the Work or at any other location affected by the prosecution of the Work or the transportation or utilization of workers, equipment, or materials in connection with the Work. The Contractor shall provide, in a timely manner and in advance, written notice to: 1) the City department having charge of any property, right of way, or utility affected by the Work; 2) any utility having charge of any utility affected by the Work; and 3) any private property owner whose property or improvements will be affected by the Work, and shall make all necessary arrangements with such City department, utility, or private property owner for the removal and replacement or the protection of such property. The Contractor shall arrange and obtain any utility locations required by law or necessary to protect utilities or underground facilities on public or private property and shall be liable for any failure to obtain or comply with such utility locations. To the extent that any permit or license is required by a City department or other governmental entity for any work on public property, said permit or license shall be obtained and paid for by the Contractor in advance of performing the Work and shall be complied with in the performance of the Work. If the Contractor or its employees, agents, or subcontractors destroy or damage any property, public or private, the Contractor shall promptly repair or replace such property, to the reasonable satisfaction of the Department, before the City will accept or pay for the Work performed. If the Contractor fails to make such repairs or replacement, the Director or the Representative may, at the Director's or the Representative's discretion, undertake such repair or replacement and deduct the cost of the same from amounts payable to the Contractor under this Agreement.

E. Safety: The Contractor is responsible for the health and safety of every person on or at the Work site and shall take all necessary and appropriate precautions and actions to protect such persons from injury, death or loss. The Contractor shall be responsible for being fully familiar with and complying with all applicable City, state or federal laws, ordinances, rules and regulations, requirements and guidelines, including the Occupational Safety and Health Act and any regulations or directives adopted thereunder ("Safety Laws"). The Contractor shall promptly notify the City in writing of any violations of said Safety Laws, along with copies of any injury reports, and any citations, orders, or warnings issued by governmental agencies in the enforcement of said Safety Laws. The Contractor shall provide and properly locate all necessary protective devices and safety precautions, including warning signs, barricades, or other devices or precautions as required by Safety Laws or the City. For all operations requiring the placement and movement of equipment or materials, the Contractor shall observe and exercise, and shall direct its employees or agents to observe and exercise, all appropriate and prudent caution so as to avoid injury to persons or damage to property and to minimize annoyance to or undue interference with the movement of the public and the performance of City functions. All ladders, scaffolding, or other devices used to reach objects not otherwise accessible, shall be of sound construction, firm and stable and shall be maintained in good, operable condition. All such equipment shall be moved, placed, shifted, and removed from work areas in such a manner as to provide maximum safety to persons and property and cause the least possible interference with the normal usage of such areas by the public and City personnel.

F. Disposal of Non-Hazardous Waste at DADS: In accordance with the Landfill Agreement made between the City and Waste Management of Colorado, Inc., the Contractor will be required to haul dedicated loads (non-hazardous entire loads of waste) to the Denver-Arapahoe Disposal Site ("DADS") for disposal. DADS is located at Highway 30 and Hampden Avenue in Arapahoe County, Colorado. The City will pay all fees associated with such disposal but the Contractor shall be responsible for the costs of transporting the loads. Non-hazardous waste is defined as those substances and materials

not defined or classified as hazardous by the Colorado Hazardous Waste Commission pursuant to C.R.S. §25-15-207, as amended from time to time, and includes construction debris, soil and asbestos. Proposals shall not use Gun Club Road between I-70 and Mississippi Avenue as a means of access to DADS.

G. Prohibition on Use of CCA-Treated Wood Products: The use of any wood products pressure-treated with chromated copper arsenate (CCA) is prohibited. Examples of CCA-treated wood products include wood used in play structures, decks, picnic tables, landscaping timbers, fencing, patios, walkways and boardwalks.

H. Waiver of Part 8 of Article 20 of Title 13, Colorado Revised Statutes: The Contractor specifically waives all the provisions of Part 8 of Article 20 of Title 13, Colorado Revised Statutes regarding defects in the Work under Agreement.

I. Liens and Other Encumbrances: The Contractor shall not permit any mechanic's or materialman's liens or any other liens to be imposed and remain for more than ninety (90) days upon any City-owned property, or any part thereof, by reason of any worker labor performed or materials or equipment furnished by any person or legal entity to or on behalf of the Contractor, either pursuant to C.R.S. § 38-26-107 or by any other authority. The Contractor shall promptly pay when due all bills, debts and obligations incurred in connection with this Agreement and shall not permit the same to become delinquent. The Contractor shall not permit any lien, mortgage, judgment, execution or adjudication of bankruptcy which will in any way impair the rights of the City under this Agreement. The Contractor will indemnify and save harmless the City for the extent of any and all payments, interests, and penalties resulting from failure to comply with this section. The Contractor's obligations set out in this section shall survive the termination of this Agreement.

J. Environmental Compliance: The Contractor shall obtain all necessary federal, state, and local environmental permits and comply with all applicable federal, state, and local environmental permit requirements relating to the Work. The Contractor shall comply with all applicable local, state, and federal environmental guidelines, rules, regulations, statutes, laws, and orders (collectively, "Environmental Requirements"), including but not limited to Environmental Requirements regarding the storage, use, transportation, and disposal of Hazardous Materials and regarding releases or threatened releases of Hazardous Materials to the environment. The term "Hazardous Materials" shall mean asbestos and asbestos-containing materials, special wastes, polychlorinated biphenyls (PCBs), any petroleum products, natural gas, radioactive source material, pesticides, any hazardous waste as defined at 42 U.S.C. § 6903(5) of the Solid Waste Disposal Act, any hazardous substance as defined at 42 U.S.C. § 9601(14) of the Comprehensive Environmental Response, Compensation and Liability Act, and chemical substance as defined at 15 U.S.C. § 2602(2) of the Toxic Substances Control Act, and any guidelines issued and rules or regulations promulgated pursuant to such statutes or any other applicable federal or state statute.

K. Attorney's Fees: Colorado Revised Statute 38-26-107 requires that in the event any person or company files a verified statement of amounts due and unpaid in connection with a claim for labor and materials supplied on this project the City shall withhold from payments to the Contractor sufficient funds to insure the payment of any such claims. Should the City and County of Denver be made a party to any lawsuit to enforce such unpaid claims or any lawsuit arising out of or relating to such withheld funds, the Contractor agrees to pay to the City its costs and reasonable attorney's fee which cost shall be included as a Cost of the Work. Because the City Attorney Staff does not bill the City for legal services on an hourly basis, the Contractor agrees a reasonable fee shall be computed at the rate of two hundred dollars per hour of City Attorney time.

L. Environmental Sustainability: The Contractor shall demonstrate commitment to and experience in environmental sustainability and public health protection practices applicable to its line of services including, but not limited to, construction waste recycling and energy efficiency. The Contractor

shall work to reduce landfill waste by recycling and/or salvaging recyclable materials. Where applicable, the Contractor shall procure and install fixtures and equipment that reduce energy use.

3. **TERM.** The term of this Agreement will commence upon December 1, 2025, and will continue through November 30, 2028 (the "Term"). The Term may be extended on the same terms and conditions, for two (2) one (1) year renewal terms, upon written amendment to this Agreement prior to the expiration of the current term. The Contractor agrees to comply with all applicable Contract close-out procedures and requirements set forth in the Contract and as otherwise directed by the Director or the Representative.

4. **COMPENSATION AND PAYMENT.**

A. **Maximum Contract Amount:** Each Project will be assigned and authorized separately by Work Order and the maximum liability of the City for any one Work Order shall not exceed the sum of **Seven Hundred Fifty Thousand No/100 Dollars (\$750,000.00)**, including all authorized Work Order changes. The Maximum Contract Amount to be paid by the City to the Contractor for satisfactory completion of all Work Orders authorized by the City and performed by the Contractor under Agreement shall in no event exceed the sum of **SEVEN HUNDRED FIFTY THOUSAND AND NO/100 DOLLARS (\$750,000.00)**, unless Agreement is modified to increase said amount by a duly authorized and written amendment to this Agreement executed by the Parties in the same manner as this Agreement. The Maximum Contract Amount stated herein is not intended, and shall not be construed, as a promise or guarantee to the Contractor that the final price payable to the Contractor for all of the authorized Work will equal the Maximum Contract Amount.

B. **Conditions of Payment:** Payment shall be made upon satisfactory completion of the Work in accordance with the Work Order issued and this Agreement. A properly issued and signed final receipt and lien waiver shall be a condition precedent to any obligation for the City to make final payment for Work performed by the Contractor. The request for payment submitted by the Contractor must fully document and itemize the Work rendered and all equipment, supplies, materials, labor, and other authorized and actually incurred costs. The request for payment shall affirmatively represent that: i) all of the Work specified in the Work Order has been fully performed and completed and any Deficiency Notice has been satisfied; ii) no claims, liens, or amounts owed to employees, suppliers, or materialmen are outstanding and all requirements and conditions of section 13 below have been fully complied with; iii) all rights, title and interests to the materials or improvements provided or installed as the result of the Work have transferred to the City; and iv) no interest or encumbrance of any kind associated with the Work will be asserted, has been acquired, or will be made by the Contractor or any other person or entity. If the request for payment does not contain these representations, the representations are hereby deemed to contain them. The request for payment must be approved by the Director or the Representative in writing in order to be eligible for compensation under this Agreement. Any payment may be reduced by any liquidated damages assessed by the Director or the Representative under sub-section 5.D.2 below.

C. **Subject to Appropriation; No Multiple Year Obligation:** It is understood and agreed that any payment obligation of the City hereunder, whether direct or contingent, shall extend only to funds appropriated by the Denver City Council for the purpose of this Agreement, encumbered for the purpose of this Agreement and paid into the Treasury of the City. The Contractor acknowledges that (i) the City does not by this Agreement, irrevocably pledge present cash reserves for payments in future fiscal years, and (ii) this Agreement is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

D. **Amendments:** The Contractor acknowledges that the City is not obligated to execute an amendment to this Agreement, and that any work performed by Contractor beyond that specifically described or allowed under this Agreement or without a fully and properly executed amendment to this Agreement is performed at Contractor's risk and without authorization under this Agreement.

E. Compliance With Denver Wage Laws: To the extent applicable to the Contractor's provision of Services hereunder, the Contractor shall comply with, and agrees to be bound by, all rules, regulations, requirements, conditions, and City determinations regarding the City's Minimum Wage and Civil Wage Theft Ordinances, Sections 58-1 through 58-26 D.R.M.C., including, but not limited to, the requirement that every covered worker shall be paid all earned wages under applicable state, federal, and city law in accordance with the foregoing D.R.M.C. Sections. By executing this Agreement, the Contractor expressly acknowledges that the Contractor is aware of the requirements of the City's Minimum Wage and Civil Wage Theft Ordinances and that any failure by the Contractor, or any other individual or entity acting subject to this Agreement, to strictly comply with the foregoing D.R.M.C. Sections shall result in the penalties and other remedies authorized therein.

5. TERMINATION & REMEDIES.

A. Termination for Convenience of the City: The Director, upon giving twenty (20) calendar days written notice (unless a longer period is given), may terminate this Agreement, in whole or part, when it is in the best interest of the City as determined by the Director. To the extent that the Contractor has initiated or completed Work for which the Contractor has not yet been compensated in accordance with this Agreement, appropriate compensation for all such authorized Work shall be paid to the Contractor in accordance with this Agreement.

B. Termination, With Cause, by the City: The occurrence of any one or more of the following shall constitute a breach of Agreement ("Breach"), for which the Director may, at the Director's option, either terminate this Agreement or withdraw a Work Order, with cause, upon written notice to the Contractor:

1) The Contractor fails or refuses, within three (3) calendar days of being notified, to expeditiously and actively undertake or substantially or timely perform its responsibilities and obligations or fails or refuses to make adequate progress in performing its responsibilities and obligations under this Agreement, including the due diligence obligations set forth in section 1 of this Agreement or the Work methods under section 2 of this Agreement, provided that the failure or refusal to undertake, make good progress, or complete the Work is not due to matters beyond the Contractor's control such as weather disaster or persistent bad weather, floods, or other acts of God, civil unrest, acts of the public enemy, national calamity, or strike at a manufacturer or supplier for the Work Project;

2) There is substantial evidence that it has been or will be impossible for the Contractor to perform the Work required due to matters within the Contractor's control such as voluntary bankruptcy, strikes, boycotts, and labor disputes involving Contractor's employees or closure or suspension of operations by regulatory order of a governmental entity or an order of a court due to violations or infractions by the Contractor or Contractor's employees;

3) The Contractor has persistently or flagrantly failed to perform the Work or failed to timely perform the Work or to comply with the specifications and requirements as set forth in the Scope of Work in **Exhibit A**;

4) The Contractor has submitted one or more requests for payment under this Agreement that are fraudulent or persistently or flagrantly erroneous or misleading;

5) The Contractor has made an assignment or transfer of, or subcontracted, its responsibilities and obligations under this Agreement without obtaining the Director's written consent (or in the case of a subcontract, the Representative's) or not in conformance with this Agreement;

6) The Contractor fails to obtain, renew, replace, or maintain the insurance coverage required by this Agreement or causes or is at fault for damage to property or injury to persons that is not covered or not adequately covered by insurance and the Contractor fails to remedy the situation to the satisfaction of the Director or the Representative;

7) The Contractor fails to obtain or properly and timely maintain any financial assurances required by this Agreement;

8) Any lien is filed against City property because of any act or omission of the Contractor and is not timely discharged, unless the Contractor furnishes to the City such bond or other financial assurance reasonably acceptable to the Director or the Representative to protect the interests of the City;

9) The Contractor has failed to obtain or maintain any required permit or license or has utilized personnel or workers not licensed or registered as required by law;

10) The Contractor has failed to deliver title or warranties or has failed to honor warranties as required by this Agreement;

11) The Contractor fails, within three (3) calendar days of being notified, to comply with, or fails to compel its subcontractors to comply with, the prevailing wage requirements or other City ordinances applicable to the type and nature of Work being performed under this Agreement; or

12) The Contractor or any of its officers or employees are convicted, plead nolo contendere, enter into a formal contract in which they admit guilt, enter a plea of guilty, or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature, in connection with the Contractor's business.

C. Compensation: Upon termination of this Agreement by the City, with cause, under sub-section 5.B above, the Contractor shall be compensated for the Work that the Director or the Representative determines to have been satisfactorily completed, except that the City shall be entitled to keep any unpaid amount owing to the Contractor to the extent that said amount or some portion of said amount is needed to compensate the City for: 1) liquidated damages, if specified under sub-section 5.E below; 2) the costs of releasing any liens or satisfying any claims related to the Contractor's Work; and 3) the costs of paying a new contractor for those services necessary to complete or rectify the Contractor's Work or to repair or replace any damaged or lost property caused by the Breach of this Agreement. The Contractor shall have no claim of any kind whatsoever against the City for any termination with cause, except for compensation for the Work satisfactorily performed as described herein.

D. Remedies:

1) ***Termination:*** For any termination with cause of this Agreement, the City shall have the right to any or all of the following remedies through the courts or other means of legal recourse available to the City: a) cancellation of the Contract; b) actual damages or costs caused by Breach of the Contractor; and c) recovery of costs incurred by the City itself in paying for the release of liens related to the Contractor's Work or in completing or rectifying the Contractor's Work or in retaining and compensating another contractor to complete or rectify the Contractor's Work, to the extent not covered in sub-section 5.C. above. In any legal action brought by the Contractor, the Contractor shall not be entitled to recover any more than the full amount, not previously paid, of any Work Orders executed with and performed in whole or part by the Contractor. The City and the Contractor understand and agree that the rights of specific performance and to incidental, consequential, or punitive damages have been hereby expressly waived and released by both Parties.

2) ***Liquidated Damages:*** If the Director determines, for a Breach under sub-section 5.B above, not to terminate this Agreement but to apply liquidated damages as provided in this paragraph, the Contractor shall be liable to the City for liquidated damages in the amount of one hundred dollars (\$100.00) per day, calculated from the day that the Director issues notice to the Contractor of a Breach under sub-section 5.B through a) the day before the Breach is remedied, or b) the day before a new Work Order or an agreement is executed with another contractor to perform the Work, as so determined by

the Director. The Contractor and City hereby acknowledges and agrees that it would be impractical and extremely difficult to estimate the damages which the City might incur for said breach, and that, in the interest of assuring that the Work is timely and properly performed, the liquidated damages provided herein is the most fair and reasonable way to compensate the City for any delay or inadequate performance without termination of this Agreement or litigation.

6. WHEN RIGHTS AND REMEDIES NOT WAIVED. In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of this Agreement constitutes a waiver of any other breach.

7. INDEPENDENT CONTRACTOR. The Contractor is an independent contractor retained to perform services for limited periods of time. Neither the Contractor nor any of its employees are employees or officers of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever. The Contractor is responsible for the operational management, errors and omissions of the Contractor's employees, agents, and subcontractors. Without limiting the foregoing, the Contractor understands and acknowledges that the Contractor and the Contractor's employees, agents and subcontractors: a) are not entitled to workers' compensation benefits through the City; b) are not entitled to unemployment insurance benefits unless unemployment compensation coverage is provided by the Contractor or some other entity besides the City; and c) are obligated to pay federal and state taxes on any monies earned pursuant to this Agreement. Furthermore, it is understood and agreed that nothing in this Agreement is intended, or shall be construed, to constitute a joint venture between the Parties.

8. INSURANCE.

A. General Conditions: The Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. The Contractor shall keep the required insurance coverage in force at all times during the term of this Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as "A-VIII" or better. Each policy shall require notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, the Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City's contract number. The Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

B. Proof of Insurance: The Contractor may not commence services or work relating to this Agreement prior to placement of coverages required under this Agreement. The Contractor certifies that the certificate of insurance attached as **Exhibit F**, preferably an ACORD form, complies with all insurance requirements of this Agreement. The City requests that the City's contract number be referenced on the certificate of insurance. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of the Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement.

The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

C. **Additional Insureds:** For Commercial General Liability, Auto Liability and Excess Liability/Umbrella (if required), the Contractor and subcontractor's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

D. **Waiver of Subrogation:** For all coverages required under this Agreement, the Contractor's insurer shall waive subrogation rights against the City.

E. **Subcontractors and Subconsultants:** The Contractor shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) procure and maintain coverage as approved by the Contractor and appropriate to their respective primary business risks considering the nature and scope of services provided.

F. **Workers' Compensation/Employer's Liability Insurance:** The Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims.

G. **Commercial General Liability:** The Contractor shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate (if applicable), and \$2,000,000 policy aggregate.

H. **Automobile Liability:** The Contractor shall maintain Automobile Liability with minimum limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

9. DEFENSE AND INDEMNIFICATION.

A. The Contractor hereby agrees to defend, indemnify, reimburse and hold harmless the City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement ("Claims"), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify the City for any acts or omissions of the Contractor or its subcontractors either passive or active, irrespective of fault, including the City's concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of the City.

B. The Contractor's duty to defend and indemnify the City shall arise at the time written notice of the Claim is first provided to the City regardless of whether Claimant has filed suit on the Claim. The Contractor's duty to defend and indemnify the City shall arise even if the City is the only party sued by claimant and/or claimant alleges that the City's negligence or willful misconduct was the sole cause of claimant's damages.

C. The Contractor will defend any and all Claims which may be brought or threatened against the City and will pay on behalf of the City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of the City shall be in addition to any other legal remedies available to the City and shall not be considered the City's exclusive remedy.

D. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City's protection.

E. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

10. COLORADO GOVERNMENTAL IMMUNITY ACT. The Parties hereto understand and agree that the City is relying upon, and has not waived, the monetary limitations and all other rights, immunities and protection provided by the Colorado Governmental Act, § 24-10-101 *et seq.*, C.R.S.

11. FINANCIAL ASSURANCES. Reserved.

12. TAXES, CHARGES AND PENALTIES. The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City's prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts and obligations it incurs performing the services under this Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

13. COMPLIANCE WITH ALL LAWS. The Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver.

14. EXAMINATION OF RECORDS AND AUDITS. Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access, and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to the Contractor's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. The Contractor shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of three (3) years after the final payment under this Agreement or expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audits pursuant to this paragraph shall require the Contractor to make disclosures in violation of state or federal privacy laws. The Contractor shall at all times comply with D.R.M.C. 20-276.

15. ASSIGNMENT; SUBCONTRACTING. The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations under this Agreement without obtaining the Executive Director's prior written consent. The Contractor shall not subcontract performance obligations under this Agreement without obtaining the Executive Director's or the Representative's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void and will be cause for termination of this Agreement by the City. The Executive Director, or the Representative as is authorized by this paragraph, has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate this Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any sub-consultant, subcontractor or assign.

16. NO THIRD PARTY BENEFICIARY. Enforcement of the terms of this Agreement and all rights of action relating to enforcement are strictly reserved to the parties. Nothing contained in this Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to this Agreement is an incidental beneficiary only.

17. NO AUTHORITY TO BIND CITY TO CONTRACTS. The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

18. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS. This Agreement is the complete integration of all understandings between the parties as to the subject matter of this Agreement. No prior, contemporaneous or subsequent addition, deletion, or other modification has any force or effect, unless embodied in this Agreement in writing. No oral representation by any officer or employee of the City at variance with the terms of this Agreement or any written amendment to this Agreement will have any force or effect or bind the City.

19. SEVERABILITY. Except for the provisions of this Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of this Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the parties can be fulfilled.

20. CONFLICT OF INTEREST.

A. No employee of the City shall have any personal or beneficial interest in the services or property described in this Agreement. The Contractor shall not hire, or contract for services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

B. The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under this Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate this Agreement if it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

21. NOTICES. All notices required by the terms of this Agreement must be hand delivered, sent by overnight courier service, mailed by certified mail, return receipt requested, or mailed via United States mail, postage prepaid, if to the Contractor at the address first above written, and if to the City at:

By Contractor to: Executive Director of General Services
201 West Colfax Avenue, Dept. 304
Denver, Colorado 80202

With a copy of any such notice to: Denver City Attorney's Office
1437 Bannock St., Room 353
Denver, Colorado 80202

Notices hand delivered or sent by overnight courier are effective upon delivery. Notices sent by certified mail are effective upon receipt. Notices sent by mail are effective upon deposit with the U.S. Postal Service. The

Parties may designate substitute addresses where or persons to whom notices are to be mailed or delivered. However, these substitutions will not become effective until actual receipt of written notification.

22. DISPUTES. All disputes between the City and Contractor arising out of or regarding this Agreement will be resolved by administrative hearing pursuant to the procedure established by D.R.M.C. § 56-106(b)-(f). For the purposes of that administrative procedure, the City official rendering a final determination shall be the Director as defined in this Agreement.

23. GOVERNING LAW; VENUE. This Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into this Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to this Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).

24. NO DISCRIMINATION IN EMPLOYMENT. In connection with the performance of work under this Agreement, the Contractor may not refuse to hire, discharge, promote, demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, ethnicity, citizenship, immigration status, gender, age, sexual orientation, gender identity, gender expression, marital status, source of income, military status, protective hairstyle, or disability. The Contractor shall insert the foregoing provision in all subcontracts.

25. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS. The Contractor shall cooperate and comply with the provisions of Executive Order 94 concerning the use, possession or sale of alcohol or drugs. Violation of this provision or refusal to cooperate with implementation of the policy can result in the City barring the Contractor from City facilities or participating in City operations.

26. PREVAILING WAGES.

A. The Contractor shall comply with, and agrees to be bound by, all requirements, conditions and City determinations regarding the Payment of Prevailing Wages Ordinance, Sections 20-76 through 20-79, D.R.M.C., including, but not limited to, the requirement that every covered worker working on a City owned or leased building or on City-owned land shall be paid no less than the prevailing wages and fringe benefits in effect on the date the bid or request for proposal was advertised. In the event a request for bids, or a request for proposal, was not advertised, the Contractor shall pay every covered worker no less than the prevailing wages and fringe benefits in effect on the date funds for the contract were encumbered. A copy of the applicable prevailing wage rate schedule is attached as **Exhibit G** and incorporated herein by reference.

Date bid or request for qualifications/proposals was advertised: May 20, 2025.

Prevailing wage and fringe rates will adjust on the yearly anniversary of the actual date of bid or proposal issuance, if applicable, or the date of the written encumbrance if no bid/proposal issuance date is applicable. Unless expressly provided for in this Agreement, the Contractor will receive no additional compensation for increases in prevailing wages or fringe benefits.

B. The Contractor shall provide the Auditor with a list of all subcontractors providing any services under the contract.

C. The Contractor shall provide the Auditor with electronically-certified payroll records for all covered workers employed under the contract.

D. The Contractor shall prominently post at the work site the current prevailing wage and fringe benefit rates. The posting must inform workers that any complaints regarding the payment of prevailing wages or fringe benefits may be submitted to the Denver Auditor by calling 720-913-5000 or emailing auditor@denvergov.org.

E. If the Contractor fails to pay workers as required by the Prevailing Wage Ordinance, the Contractor will not be paid until documentation of payment satisfactory to the Auditor has been provided. The City may, by written notice, suspend or terminate work if Contractor fails to pay required wages and fringe benefits.

27. LEGAL AUTHORITY. The Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into this Agreement. Each person signing and executing this Agreement on behalf of the Contractor represents and warrants that he has been fully authorized by the Contractor to execute this Agreement on behalf of the Contractor and to validly and legally bind the Contractor to all the terms, performances and provisions of this Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate this Agreement if there is a dispute as to the legal authority of either the Contractor the person signing this Agreement to enter into this Agreement.

28. NO CONSTRUCTION AGAINST DRAFTING PARTY. The Parties and their respective counsel have had the opportunity to review this Agreement, and this Agreement will not be construed against any party merely because any provisions of this Agreement were prepared by a particular party.

29. CONTRACT DOCUMENTS; ORDER OF PRECEDENCE. This Agreement consists of sections 1 through 36 which precede the signature page(s) ("Contract Text"), and the following exhibits and attachments which are incorporated herein and made a part hereof by reference:

Exhibit A	Scope of Work and General Conditions
Exhibit B	Pricing Sheet
Exhibit C	Work Order Form
Exhibit D	Work Order Change Form
Exhibit E	Field Order Directive
Exhibit F	Certificate of Insurance
Exhibit G	Prevailing Wage Rate Schedules

In the event of an irreconcilable conflict (i) between a provision of the Contract Text and any of the listed exhibits or attachments or (ii) among provisions of any exhibits or attachments, such that it is impossible to give reasonable effect to all, the order of precedence to determine which document shall control to resolve such conflict, is as follows, in descending order:

- Contract Text
- Exhibit A
- Exhibit B
- Exhibit C
- Exhibit D
- Exhibit E
- Exhibit F
- Exhibit G

30. SURVIVAL OF CERTAIN PROVISIONS. The terms of this Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of this Agreement survive this Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor's obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

31. TIME IS OF THE ESSENCE. The Parties agree that in the performance of the terms, conditions, and requirements of this Agreement, time is of the essence.

32. SECTION HEADINGS. The captions and headings set forth herein are for convenience of reference only and shall not be construed so as to define or limit the terms and provisions hereof.

33. CITY EXECUTION OF CONTRACT. This Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

34. CITY EXECUTION OF AGREEMENT. This Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

35. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS. The Contractor consents to the use of electronic signatures by the City. This Agreement, and any other documents requiring a signature under this Agreement, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of this Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of this Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

36. INUREMENT. The rights and obligations of the parties to this Agreement inure to the benefit of and shall be binding upon the parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of this Agreement.

EMERGENCY ON-CALL APPLIANCE REPAIR SERVICES

SCOPE OF WORK, TECHNICAL REQUIREMENTS, AND GENERAL CONDITIONS

A.1 SCOPE OF WORK:

The City and County of Denver is contracting with the contractor to perform emergency on-call commercial appliance repair services at various Citywide locations, excluding Denver International Airport. The primary City locations are the Denver County Jail located at 10500 Smith Road and the Van Cise Simonet Detention Center located at 490 W. Colfax Avenue kitchens managed by the Denver Sheriff Department. Contractor must be a Welbilt authorized servicer. Contractor must be factory trained or be a part of the Welbilt network of services partners. This requirement ensures the Contractor has been trained in repair and maintenance of commercial kitchen appliances predominately used in both locations.

Appliance repair service will include all specified equipment the City currently owns, and all new equipment purchased where a warranty is no longer valid.

The equipment used are primarily commercial kitchen appliances that:

- Make/store hot food
- Refrigerate
- are used in food preparation, etc.
- include but are not limited to dish washers, ranges, ice machines, and refrigerators

Contractor must communicate with the City Facility Superintendent/Project Manager and be able to perform the following services:

- Repair equipment according to the manufacturer's recommendations and industry standards.
- Investigate reported concerns with equipment reported by the City and provide solutions.

Contractor must be able to diagnose and repair equipment or contact an authorized service contractor for the manufacturers and models listed in **Exhibit A – Attachment A – Equipment List**.

The Contractor is responsible for providing proper equipment and trained personnel to complete each emergency repair. The Contractor is responsible for the cost of permits and licenses necessary to complete projects. Upon request by the City, Contractor shall be required to provide a progress report for any emergency repair(s).

Contractor shall provide emergency repair services for all City and County of Denver facilities, excluding Denver International Airport on an as needed basis. The Contractor shall be able to provide on-call emergency repair services during both regular working hours, 7:00 A.M. through 5:00 P.M. Monday through Friday and the City's Non-Standard Work hours. Non-Standard work hours are considered 5:00 P.M. through 7:00 A.M Monday through Friday, weekends, and all City and County of Denver holidays or periods of closure.

EXHIBIT A

Exact quantities or work are unknown as the resulting work assignments under this contract will be on an as needed basis; the City is not required to order more than the City's actual requirements. Upon request by the City, Contractor shall be required to provide a progress report for any work order.

The contractor is required to provide to the General Services Contracts Office a centralized point of delivery for all contract related communication to include but not limited to work order assignments, invoicing, annual insurance renewals and general contract communication.

In the event friable asbestos or other hazardous material is encountered, contractor shall notify the City and the City will be responsible for abatement.

EMERGENCY DEFINITION:

The definition for the procurement of emergency services and supplies is defined by the Denver Revised Municipal Code as follows:

The situation must be remedied before the City can carry on its normal business,

AND

In the case of Services: City employees are not qualified or available within a reasonable time to do the work.

In the case of Supplies: The procedures for obtaining supplies described in Sec 20-63 would cause undue delays,

OR

The health and safety of the public would be at risk if the situation is not remedied immediately.

FIELD ORDER DIRECTIVE:

Field Order Directive is a written order, (Exhibit "E") signed by the Director or his designated representative, which directs the contractor to commence emergency work and to utilize the requested subcontractor prior to a formal Subcontractor Request authorization. A Field Order Directive may be used when:

- A. The City determines that the Contractor must proceed immediately to perform the Work in order to avoid or correct a situation where the health or safety of persons may be affected, and sufficient time is not available to negotiate the Work.
- B. The City and Contractor have not yet completed their negotiation of Work but in the interest of safety, the City requires the Contractor to proceed without an executed Order or authorization in place.

Contractor's Duties: Upon receipt of a Field Order Directive the Contractor shall promptly sign

EXHIBIT A

the Order and return it to the Project Manager and shall promptly proceed with performing the emergency Work. The Contractor, within five (5) days after receiving the Field Order Directive, shall provide the Project Manager with a complete subcontractor's request including all pertinent documentation. Within five (5) days after completing the work the Contractor shall provide the Project Manager with an itemized invoice attributable to the emergency work, based on the criteria and methods agreed upon."

A.2 EMERGENCY ON-CALL SERVICE PROCEDURES:

When called for emergency services, Contractor will first determine the number of workers and the type of equipment, and supplies required and respond to the site within two (2) hours. The Contractor will only be paid for the number of workers authorized by the City. The Contractor will commence work as soon as practical, and no later than the next business day, and will provide a "not-to-exceed" cost estimate to the using agency. Services performed under this proposal will be limited to those services and goods specifically authorized by the City's agency, and no payment will be made by the City for work not authorized. The City may continue to work, or if in the City's best interest, it may continue the service under other procurements.

The Contractor will only be allowed to invoice the City with an authorized issued emergency authorization number provided by the General Services Contracts Office for immediate emergency repair services. The using agency is required to submit a completed emergency work order form along with an invoice to the General Services Contracts Office for purchase order issuance.

A.3 OVERALL CONTRACT PROCEDURES:

"Journeyman" is defined for purposes of this agreement as a tradesman, craftsman, or technician, skilled in the service performed, who is regularly paid at least the prevailing wage for the trade, and who has a minimum of five years of experience or certification of completion of a bona fide apprenticeship program for the trade, fully competent to do the work, and may apply at any gender. Contractors with apprentices who are registered with (BAT) the Bureau of Apprenticeship & Training may use those rates to calculate their quoted hourly rate. Note that BAT limits the ratio of apprentice to journeyman to a 1 to 1 ratio.

Must be licensed/registered (as required) by the building inspection division of the City and County of Denver for the items bid. Either an employee or an owner can hold the license but must be valid throughout the life of the contract. Contractor will include copy of current license/registration bid.

A.4 F.O.B POINT:

Prices quoted for Project shall be F.O.B. destination, unloaded and installed.

A.5 DELIVERY CONSIDERATIONS:

Product Deliveries, if applicable must be scheduled through the designated City Project Manager.

A.6 PALLET CHARGE:

EXHIBIT A

All pallets supplied, if applicable shall be non-returnable, no deposit.

A.7 CONTRACTOR'S PERFORMANCE:

The Executive Director of General Services or their authorized representative will decide all questions which may arise as to the quality and acceptability of any work performed under the contract. If, in the opinion of the Executive Director of General Services or their authorized representative, performance becomes unsatisfactory, the City shall notify the Contractor. Repeated incidences of unsatisfactory performance will result in cancellation of the agreement for default.

A.8 CONTRACTOR PERFORMANCE MANAGEMENT:

The City may administer a performance management program as part this contract. The purpose of this program is to create a method for documenting and advising the City of exceptional performance or any problems related to the services. The Contractor may be required to furnish a performance report to the General Services Contracts Office on an annual basis, no later than the anniversary date of the applicable City Contract. Contractor will be required to provide specific reporting/data as request by the General Services Contracts Office.

A.9 BACKGROUND CHECKS:

Contractor, at its expense, must conduct a background check for each of its employees, as well as for the employees of its subcontractors, who will provide services to the City. The term "employee" for the purpose of this requirement, includes anyone who is providing services for the City under this Contract. Background checks are to be conducted through an independent background check vendor and must include the following:

- Social Security Number Trace;
- Federal Criminal Records (includes wants, warrants, arrests, convictions, and incarcerations);
- Colorado Criminal Records (includes wants, warrants, arrests, convictions, and incarcerations);
- Criminal Records from other States if the employee disclosed, or the background check identifies, that the employee lived in another state in the last seven years (includes wants, warrants, arrests, convictions, and incarcerations); and
- National Sexual Offender Registry Search.

The background check shall include all convictions for the last seven years and may include additional convictions beyond seven years when permitted and/or required by law.

Because of the sensitive location(s) of the work proposed within this solicitation, the City shall automatically disqualify from employment under this contract persons with felony convictions. Alternatively, the City may require that a fidelity bond, or such other assurance in such amount as deemed appropriate, be provided to the City as a condition precedent to grant permission where an employee's prior conviction would otherwise preclude their participation under the contract.

All Contractor employees are required to self-disclose to the Contractor any criminal charges and convictions and nolo contendere pleas (not contest pleas) that occur while providing services to the City within three business days of the conviction, charge, or plea. Contractor is required to

EXHIBIT A

inform the City of any criminal charges or convictions or nolo contendere pleas (no contest pleas) that arise while an employee is on assignment with the City. Contractor must inform the City within one business day of the Contractor having knowledge of the charge, conviction, or plea. The City will determine, in its sole discretion, whether the employee will remain on a City assignment.

The background check(s) must be conducted successfully prior to initial access and/or involvement by employees. Employees who separate from the Contractor's employment must undergo another background check prior to renewed access and/or involvement in providing services to the City. The City also has the ability to audit the Contractor's background check process, to ensure compliance with City standards, at any time.

In addition to the foregoing background check, certain City locations require employees to pass a NCIC background check. These background checks will be administered by CBI. Contractors will be provided entrance cards for each facility. Contractors are not allowed to share cards to provide services. The following locations require NCIC background checks:

- All Police Facilities
- All DSD Facilities
- Police Academy
- Denver Animal Shelter
- Traffic Operations
- DPD Police Precincts
- Denver Human Services – Castro Building
- Other City locations may also require a NCIC background check

All work to be completed under this on-call contract will require that each person working on-site at a Denver Police Facility, City Attorney, Denver 911, Denver DA, and all other secure facilities within the City and County of Denver that has CJIS information, including all sub-contractors, to have completed CJIS Security Awareness Training. The CJIS Security Policy written and maintained by the Federal Bureau of Investigation is the standard by which all criminal justice agencies nationwide must protect the sensitive data they possess and share with authorized entities. The policy outlines requirements such as personnel security, training, encryption, physical security, media protection, access control, construction, and more. The CBI CJIS Vendor Management Program is designed to help vendors and criminal justice agencies achieve and maintain compliance more easily by providing an easier fingerprinting/vetting process, assisting with the required training, sharing audit findings, and offering resources for questions about CJIS security.

All Denver Law Enforcement is now requiring that the Federal CJIS background check be completed to work at any site connected to law enforcement for the City and County of Denver. The CJIS background check can be completed through the CBI – Vendor Management Program as a **CJIS Support Vendor** at a cost to the contractor.

- 1) Please go to the CBI Vendor Management [website](https://cbi.colorado.gov/sections/cjis-security/cjis-vendor-management-program) or <https://cbi.colorado.gov/sections/cjis-security/cjis-vendor-management-program>

EXHIBIT A

Please click on the CJIS Support Vendor link in the left-hand navigation pane. Click on the Individual tabs to learn about the program and how to apply.

- 2) You will be applying to be part of the CBI Vendor Management program. To apply for this, you will need documentation that states that you are contracted to do work with one of the Safety Agencies for the City and County of Denver.
- 3) Once you have this document, you will need to submit the following:
 - a. an application to create a fingerprint account;
 - b. the Vendor Agreement;
 - c. the above referenced contractual document with one of the Safety agencies for the City and County of Denver
 - d. an IRS form W-9 for review. If they are approved, you will receive the code to use for fingerprinting
- 4) Once you have completed the fingerprinting, background check and testing and are a CJIS Support Vendor, please submit the company name, listed individual names and certificates of completion of CJIS training to Agency Representative/Contact so verification can be made as well as associating your company to DPD.
- 5) Once this process is complete, projects can be scheduled and if necessary, badges will be provided for the duration of the project and then must be returned.
- 6) This background check process is good for one year in any safety facility within Colorado as long as the individual is employed with the vendor. If the individual leaves the employment of the vendor – please notify CBI. Any subsequent arrest notification on the individual would mark the vendor as ineligible for the management program.
- 7) If you have concerns or questions, please contact CBI at: cdps.cbi.cjisvendors@state.co.us or call 303-239-4208.

Please note, contractors not part of the CBI Vendor Management Program will not be assigned any work at any site connected to law enforcement for the City and County of Denver. Thank you for your assistance in support this process.

A.10 EMERGENCY PURCHASES:

The City and County of Denver reserves the right to purchase from other sources those items which are required on an emergency basis and cannot be supplied immediately by the contractor.

A.11 EMERGENCY 24-HOUR SERVICES:

Emergency twenty-four (24) hour service is to be provided by the Contractor.

A.12 INVOICING REQUIREMENTS:

Contractor acknowledges that any invoices submitted with additional charges or a pricing structure that does not match the pricing in Exhibit B will be rejected.

EXHIBIT A

The net Hourly Rates quoted shall be billed for on-site time only. Separate “trip-charges” and “travel time” will not be paid for by the City.

Labor charges are to be itemized by labor classification (including the labor classifications of approved subcontractors), the number of hours worked under each classification, and the labor rate (including fringe benefits) paid for each classification. The not to exceed labor markup listed in Exhibit B should be included as an itemized labor cost. The labor markup includes all tools, equipment, fuel costs and other contractor expenses. and is the maximum amount that the contractor may charge over current Prevailing Wage rates as determined by the Auditor’s Office.

All requests for quotations shall be performed at no cost to the City. The labor and materials markups listed in Exhibit B include all transportation, parking, signage, and overhead costs. No additional fees of any kind may be charged if they are not specifically allowed in the text of this contract.

Material Charges:

Material costs and supportive services by subcontractors shall be marked up no more than the quoted markup. Copies of invoices for materials and subcontracts will be provided with billing to the City upon request. The City reserves the right to provide materials, but such materials shall not be subject to contractor’s warranty.

All Materials left over from a job but charged to the City and all equipment or materials removed from the City’s facilities shall remain on the property of the City unless released by the City’s representative as unsalvageable waste. Waste from the job shall be removed from the City’s premises and disposed of properly by the Contractor.

All charges for materials must be itemized to include the type of material or part, the unit of measurement, and the actual cost before markup. The material mark-up for billable material shall remain firm and fixed for the full term of the contract to include any term extensions. The use of contractor owned equipment to carry out and perform work assignments under this contract will not be reimbursed to the contractor, unless approved by the City. The hourly labor markup charged by the Contractor shall cover the use of the contractor owned tools, equipment and other contractor expenses required to perform work assignments.

The Contractor shall provide the following details on all invoice submittals to the City:
Contractor must be capable of providing invoices that include the following details:

- Invoice number
- Invoice date
- Service date(s) or service period
- Service location (Building name and address)
- Emergency Authorization Number (will be provided when assigned)
- Itemized charges, including unit of measurement, for labor hours, spare parts, and material markup when applicable.
- Additional information may be requested at the discretion of the City
- Total charge
- **All jobs MUST BE INVOICED no later than five (5) days after the completion of service.**
- Contractor shall also provide monthly statement billing (as required).

EXHIBIT A

A.13 CONTRACTOR PRICING:

- The total hourly rate billed to the City shall be the prevailing wage + fringe for each applicable position plus the labor markup rate for each labor hour billed to the city. Any applicable “markup” costs shall remain firm and fixed for the full term of the contract, to include the initial term and any term extensions. The hourly labor mark-up rate shall cover all tools, equipment, fuel costs and other contractor expenses. Equipment rental charges will require proper back-up documentation and approval.
- Administrative Support is defined as the Contractor’s personnel that is responsible for invoicing, billing, scheduling, and any other administrative duties where prevailing wage rates are not applicable.
- Labor markup not to exceed shall be the maximum amount the Contractor is able to bill over current Prevailing Wage rates as determined by the Auditor’s Office. Applicable Prevailing Wage Rates will remain fixed until the first anniversary of the solicitation date.
- Materials markup (Rentals – as applicable) shall be a fixed percentage over materials cost. The materials markup percentage shall remain firm and fixed for the full term of the contract to include the initial term and all term extension options.
- Contractor shall submit necessary backup information as requested by the City.

A.14 PRICING:

Pricing is firm and fixed for the initial 3-year contract term and will apply to any services or locations that are added after the contract is executed. At the request of the contractor, the costs for services may be adjusted to reflect an increase of up to 3.5% years 4 and 5 if the contract term is extended by the City. Pricing updates must be based upon documented contractor’s price increases and must be verifiable. Pricing updates shall be adjusted based upon the increase in the Consumer Price Index. Pricing update requests must be received by the City six (6) months prior to the contract anniversary date to review the pricing update request for approval.

A.15 SUSTAINABILITY POLICY AND GUIDANCE:

The City & County of Denver, through its certified Environmental Management System (ISO 14001), the Office of Sustainability and Executive Order 123, is committed to protecting the environment, and the health of the public and its employees. In accordance with this policy, City agencies are directed to procure cost-competitive products and services that minimize resource consumption and negative impacts on the environment and human health.

Contractors, when applicable, are to follow standards and recommendations of the United States Environmental Protection Agency EPP program, the Green Seal organization, and standards and practices specified by the U.S. Green Building Council, including the Leadership in Energy and Environmental Design (LEED) program.

Leadership in Energy and Environmental Design for Existing Buildings (LEED EB)

EXHIBIT A

The Office of Sustainability requires City agencies to fully implement all appropriate LEED-EB principals to minimize negative economic, environmental, and public health impacts of facility operations and maintenance. Thus, services must meet any directly applicable LEED-EB standards, and otherwise help the City realize the goals of the Office of Sustainability and Executive Order 123.

Environmentally Preferable Purchasing (EPP) Guidance and Prohibitions:

The City defines Environmentally Preferable products and services that minimize the impact on human health and the environment when compared with competing products and services that serve the same purpose. The City's EPP evaluation may extend to raw materials acquisition, energy consumption in manufacturing and transport, packaging, recyclability, waste disposal, and many other factors. Contractor is encouraged to describe any EPP attributes of the goods or services they offer to the City. Contractor is encouraged to review the list of products and services below that meet the City's EPP requirements and highlight to the City where their firm excels in EPP compliance, and where they are working to improve.

Products and services with the following attributes meet basic EPP defined in the City's Environmental Management System and are favored for procurement:

- Green Seal approved products and services
- EPA's "Safer Choice" labeled products
- Energy Star certified equipment
- Cradle to Cradle (C2C) certified products
- EPEAT Registry for Greener Electronics
- Conformance to Green Seal GS-11 (paints and coatings) GS-36 (commercial adhesives) and GS-37 (cleaning products) standards
- Conformance with California Code of Regulations for maximum allowable VOC content
- Conformance with SCAQMD Rule #1168 (adhesive and sealant applications), or BAAQMD Regulation 8, Rule 51 (adhesive and sealant products)
- Conformance with Carpet and Rug Institute/Green Label Plus Programs (indoor air quality)
- Products dispensed through automatic metering and mixing equipment (after other supply is exhausted)
- Products with recycled material and post-consumer waste content, including 30% recycled content paper
- Durable and / or reusable products and applicators
- Purchase items that can be used in a reasonable amount of time, within the products expiration date
 - Use the remaining product before switching contractor
- Neutral pH products (pH>2.0 and <12.5)
- Non-flammable products (flashpoint >140F)
- Fragrance-free and dye-free products
- Products that can be recycled (with preferable local recycling options available)
- Other characteristics that minimize:
 - Waste
 - Energy and resources use

EXHIBIT A

- Release of toxic compounds
- Exposure of workers and the public to pollutants

The following products and services are prohibited from procurement under this agreement:

- All products containing chlorinated or halogenated hydrocarbons i.e., chlorinated solvents (typically paint strippers, brake cleaners, degreasers, and some lubricants)
- Per- and polyfluoro alkyl substances, or PFAS
 - Excluding specific fire-fighting products approved by the Denver Department of Public Health & Environment (DDPHE)
- Products that will be a regulated hazardous waste (per State Hazardous Waste Regulations) upon disposal when there is a viable alternative
- Products containing Asbestos
- Products containing category 1 carcinogens, known mutagens and/or known teratogens
 - Products containing “Crystalline Silica,” a respirable powder, are allowed as it does not present a reasonable potential for a negative environmental impact, or generation of a toxic or hazardous waste. Crystalline Silica Respirable Dust is a recognized significant workplace health hazard as described here <https://www.osha.gov/dsg/topics/silicacrystalline/>.
- Products which have a high risk of causing spontaneous combustion
- Strong chemical oxidizers and peroxide forming chemicals
- Products containing the chemical elements or compounds listed in Table 1
- Products containing chemical compounds deemed by the Denver Department of Public Health and Environment (DDPHE) to present an undue of risk to human health or the environment in their use or disposal.
 - Consult with DDPHE for review of these as appropriate

Upon request, the contractor must submit documentation proving that all procured products and services meet these requirements or provide a rationale when substitution is not available (such as in a laboratory).

2025 Prevailing Wage Administrator Schedule

TO: All Users of the City and County of Denver Prevailing Wage Schedules
FROM: Luis Osorio Jimenez, Prevailing Wage Administrator
DATE: February 4, 2025
SUBJECT: Latest Change to Prevailing Wage Schedules

Please find an attachment of the current Prevailing Wage Schedule issued in accordance with the City and County of Denver's Revised Municipal Code, Section 20-76(c) and its recent amendment for the creation of the Prevailing Wage Administrator. This schedule does not include the Davis-Bacon rates. The Davis-Bacon wage rates will continue to be published separately as they are announced. The new updated Wages will now be named Prevailing Wage Administrator Wages (PWA) as per the amendment of the Ordinance.

Modification No. 173

Publication Date: February 4, 2025

(13 pages)

Unless otherwise specified in this document, apprentices shall be permitted only if they are employed pursuant to, and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor. The employer and the individual apprentice must be registered in a program, which has received prior approval by the U.S. Department of Labor. Any employer who employs an apprentice and is found to be in violation of this provision shall be required to pay said apprentice the full journeyman scale. These Wages have been adjusted to reflect Denver Minimum Wage increase of \$18.81 per hour enacted on January 1st, 2025.

EXHIBIT G

APPLIANCE MECHANIC

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
APPLIANCE MECHANIC	\$24.44	\$7.62

Plus 10% shift differential for regularly scheduled hours worked between 6:00 p.m. and 6:00 a.m.

The Appliance Mechanic installs, services and repairs stoves, refrigerators, dishwashing machines, exercise equipment and other electrical household or commercial appliances, using hand tools, test equipment and following wiring diagrams and manufacturer's specifications. The position also is responsible for the maintenance of tunnel carwash systems but not the install, that belongs to the Millwright position. Responsibilities include: connects appliance to power source and test meters, such as wattmeter, ammeter, or voltmeter, observes readings on meters and graphic recorders, examines appliance during operating cycle to detect excess vibration, overheating, fluid leaks and loose parts, and disassembles appliances and examines mechanical and electrical parts. Additional duties include traces electrical circuits, following diagram and locates shorts and grounds, using ohmmeter, calibrates timers, thermostats and adjusts contact points, and cleans and washes parts, using wire brush, buffer, and solvent to remove carbon, grease and dust. Replaces worn or defective parts, such as switches, pumps, bearings, transmissions, belts, gears, blowers and defective wiring, repairs and adjusts appliance motors, reassembles appliance, adjusts pulleys and lubricates moving parts, using hand tools and lubricating equipment.

Note: This position does not perform installations done at new construction.

BUILDING ENGINEER

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
BUILDING ENGINEER	\$35.04	\$8.65

This classification of work is responsible for operating, monitoring, maintaining/repairing the facilities mechanical systems to ensure peak performance of the systems. This includes performing P.M. and repair work of the building mechanical systems, inspecting, adjusting, and monitoring the building automation and life safety systems, contacting vendors and place order replacement parts, responding to customer service requests and performing maintenance/repairs I tenant or public spaces, performing routine P.M. i.e. light plumbing and electrical repairs, ballast lamp and tube replacement, operating mechanical systems both on site and via a remote laptop computer, maintaining inventory of spare parts and tools, painting and cleaning mechanical equipment and machine rooms, etc.

EXHIBIT G

CONVEYANCE SYSTEM MAINTENANCE SERIES

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
ENTRY-SUPPORT MECHANIC	\$26.52	\$7.86
MACHINERY MAINTENANCE MECHANIC	\$29.39	\$8.19
CONTROLS SYSTEM TECHNICIAN	\$35.77	\$8.93

Plus 10% shift differential for regularly scheduled hours worked between 6:00 p.m. and 6:00 a.m.

This classification was previously listed as Baggage Handling System Maintenance. The title of the series has been changed to be inclusive of other types of similar work.

Entry Support Mechanic

The Entry Support Mechanic (ESM) applies basic mechanical knowledge to perform maintenance and operational tasks on a conveyance system. Under supervision of a Machinery Maintenance Mechanic (MMM) or Control Systems Technician (CRO), the ESM performs cleaning, routine inspections, preventive, corrective and emergency maintenance based on an established maintenance program. The ESM clears jams and faults and may physically move items during failures.

Machinery Maintenance Mechanic

The Machinery Maintenance Mechanic (MMM) applies advanced mechanical knowledge to perform maintenance and operational tasks on a conveyance system. Performs cleaning of all parts of the system, routine inspections, preventive maintenance, corrective maintenance, and emergency maintenance within the system based on an established maintenance program. The MMM shall inspect all equipment for proper operation and performance including but not limited to conveyors, lifts, diverters and automatic tag readers. The MMM troubleshoots, repairs, replaces, and rebuilds conveyor components including but not limited to; motors, gearboxes, bearings, rollers, sheaves, hydraulic systems, conveyor belting, clutch brakes, tools, independent carrier systems, and other complex devices using basic hand tools, power tools, welders and specialized tools. The MMM may assist the Control Systems Technician (CST) with clearing electrical faults and electrical repairs. The MMM reads and interprets manufacturers' maintenance manuals, service bulletins, technical data, engineering data, and other specifications to determine feasibility and method of repairing or replacing malfunctioning or damaged components. The MMM clears jams and faults in the system and may physically move items during failures. The MMM will operate a Central Monitoring Facility/Control Room, these duties include; using multiple computer systems for monitoring the system and running reports, communicating faults in the system using a radio and telephone, and communicating with stakeholders. The MMM performs on-site training of ESM.

EXHIBIT G

Controls System Technician

The Control Systems Technician (CST) applies advanced technical knowledge to perform maintenance and operational tasks on a conveyance system. Performs all duties assigned to an MMM in addition to the following routine inspections, preventive maintenance, corrective maintenance, and emergency maintenance of complex components within the system based on an established maintenance program. The CST is responsible for resolving difficult controls, electrical and mechanical problems. The CST troubleshoots, repairs, replaces, and rebuilds complex electro-mechanical systems and conveyor components including but not limited to; programmable logic controllers, input and output modules, electrical switches, variable frequency drives, 110V AC and 24V DC controls devices, automatic tag readers, electrical control panels, 110V - 480V AC components and motors, gearboxes, bearings, rollers, sheaves, hydraulic systems, conveyor belting, clutch brakes, tools, independent carrier systems, and other complex devices using basic hand tools, power tools, welders and specialized mechanical and electrical tools. The CST reads and interprets manufacturers' maintenance manuals, service bulletins, technical data, engineering data, and other specifications to determine feasibility and method of repairing or replacing malfunctioning or damaged components. The CST clears mechanical, electrical and controls faults, jams and may physically move items during failures. The CST performs on-site training and competency evaluations of MMM and ESM.

Note: Incumbents must possess an Electrician's license when work warrants.

CUSTODIANS

Effective Date: 3-12-2025* (the effective date is provided following industry standards established by the PW Administrator & the CBA negotiated by SEIU Local 105)

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
CUSTODIAN I	\$22.03	\$8.27 (Single) \$10.72 (Plus One) \$12.86 (Family)
CUSTODIAN II	\$22.38	\$8.34 (Single) \$10.69 (Plus One) \$12.93 (Family)

Benefits and Overtime

Parking	With valid receipt from approved parking lot, employees are reimbursed the actual monthly cost of parking.
RTD Bus Pass	Employer will provide employees with the Bus Pass or pay (\$0.32) per hour for travel differential.
Shift Differential	2nd shift (2:30 p.m.-10:30 p.m.): \$.50/hour 3rd shift (10:31 p.m.-6:30 a.m.): \$1.00/hour
Overtime	Time worked in excess of seven and one-half (7 ½) hours in one (1) day or in excess of thirty-seven and one-half (37 ½) hours in one week shall

EXHIBIT G

constitute overtime and shall be paid for at the rate of time and one-half (1 ½) at the employee’s basic straight time hourly rate of pay.

Lunch Any employee working seven and a half (7 ½) hours in a day is entitled to a thirty (30) minute paid lunch.

Note ****The effective date is provided following industry standards established by the PW Administrator & the CBA negotiated by SEIU Local 105. The previously approved terms adopted by the Career Service Board in their Public Hearing on March 15, 2007 in regards to contractors providing fringe benefits or a cash equivalent at no less than single rate amount will still be enforced by the Administrator.***

The Career Service Board in their public hearing on March 15, 2007, approved to amend prevailing wages paid to the Custodian as follows: “All contractors shall provide fringe benefits or cash equivalent at not less than the single rate amount. Contractors who offer health insurance shall provide an employer contribution to such insurance of not less than the 2-party or family rate for any employee who elects 2-party or family coverage. Contractors who offer such coverage will be reimbursed for their employer contributions at the above rates under any City contract incorporating this wage specification.”

Custodian I

Any employee performing general clean-up duties using equipment that does not require special training: i.e., dust mopping, damp mopping, vacuuming, emptying trash, spray cleaning, washing toilets, sinks, walls, cleaning chairs, etc.

Custodian II

Any employee performing specialized cleaning duties requiring technical training and the use of heavy and technical equipment, i.e., heavy machine operators, floor strippers and waxers, carpet shampooers, spray buffing, re-lamping, mopping behind machines, high ladder work, chemical stripping and finishing of stainless steel.

DIA OIL & GAS

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
DERRICK HAND/ROUSTABOUT	\$18.81	\$6.92
ELECTRICIAN	\$29.02	\$8.15
ECHANIC	\$29.18	\$8.17
PIPEFITTER	\$30.93	\$8.37
RIG/DRILL OPERATOR	\$24.71	\$7.65
TRUCK DRIVER	\$25.53	\$7.75

EXHIBIT G

Heavy Equipment Mechanic (Mechanic)

The Heavy Equipment Mechanic analyzes malfunctions and repairs, rebuilds and maintains power equipment, such as cranes, power shovels, scrapers, paving machines, motor graders, trench-digging machines, conveyors, bulldozers, dredges, pumps, compressors and pneumatic tools. This worker operates and inspects machines or equipment to diagnose defects, dismantles and reassembles equipment, using hoists and hand tools, examines parts for damage or excessive wear, using micrometers and gauges, replaces defective engines and subassemblies, such as transmissions, and tests overhauled equipment to insure operating efficiency. The mechanic welds broken parts and structural members, may direct workers engaged in cleaning parts and assisting with assembly and disassembly of equipment, and may repair, adjust and maintain mining machinery, such as stripping and loading shovels, drilling and cutting machines, and continuous mining machines.

Pipefitter

The Pipefitter, Maintenance installs or repairs water, steam, gas or other types of pipe and pipefitting. Work involves most of the following: laying out work and measuring to locate position of pipe from drawings or other written specifications, cutting various sizes of pipe to correct lengths with chisel and hammer, oxyacetylene torch or pipe-cutting machines, threading pipe with stocks and dies. This person is responsible for bending pipe by hand-driven or power-driven machines, assembling pipe with couplings and fastening pipe to hangers, making standard shop computations relating to pressures, flow and size of pipe required; and making standard tests to determine whether finished pipes meet specifications. In general, the work of the Maintenance Pipefitter requires rounded training and experience usually acquired through a formal apprenticeship or equivalent training and experience.

Well Driller (Rig/Drill Operator)

This incumbent sets up and operates portable drilling rig (machine and related equipment) to drill wells, extends stabilizing jackscrews to support and level drilling rig, moves levers to control power-driven winch that raises and extends telescoping mast. This person bolts trusses and guy wires to raise mast and anchors them to machine frame and stakes, and assembles drilling tools, using hand tools or power tools. The Well Driller moves levers and pedals to raise tools into vertical drilling position and lowers well casing (pipe that shores up walls of well) into well bore, using winch, moves levers and pedals and turns hand wells to control reciprocating action of machine and to drive or extract well casing.

Laborer (Derrick Hand/Roustabout)

The Laborer performs tasks that require mainly physical abilities and effort involving little or no specialized skill or prior work experience. The following tasks are typical of this occupation: The Laborer loads and unloads trucks, and other conveyances, moves supplies and materials to proper location by wheelbarrow or hand truck; stacks materials for storage or binning, collects refuse and salvageable materials, and digs, fills, and tamps earth excavations, The Laborer levels ground using pick, shovel, tamper and rake, shovels concrete and snow; cleans culverts and ditches, cuts tree and brush; operates power lawnmowers,

EXHIBIT G

moves and arranges heavy pieces of office and household furniture, equipment, and appliance, moves heavy pieces of automotive, medical engineering, and other types of machinery and equipment, spreads sand and salt on icy roads and walkways, and picks up leaves and trash.

Truckdriver

Straight truck, over 4 tons, usually 10 wheels. The Truckdriver drives a truck to transport materials, merchandise, equipment, or workers between various types of establishments such as: manufacturing plants, freight depots, warehouses, wholesale and retail establishments, or between retail establishments and customers’ houses or places of business. This driver may also load or unload truck with or without helpers, make minor mechanical repairs, and keep truck in good working order.

ELEVATOR MECHANIC

Effective 1-18-2018, the Elevator Mechanic classification will utilize the base pay and fringe benefits for the Elevator Mechanic classification under the **Davis Bacon Building Wage Determination**.

FINISHER & JOURNEYMAN

TILE, MARBLE, AND TERRAZZO

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
TILE FINISHER	\$26.13	\$8.91
TILE SETTER	\$32.08	\$8.91

Effective May 1, 2008, Local Union 7 of Colorado combined three classes of Finishers, Floor Grinders, and Base Grinders into Finisher using one pay schedule.

Tile Setter: Applies to workers who apply tile to floors, walls, ceilings, stair treads, promenade roof decks, garden walks, swimming pools and all places where tiles may be used to form a finished surface for practical use, sanitary finish or decorative purpose.

FIRE EXTINGUISHER REPAIRER

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
FIRE EXTINGUISHER REPAIRER	\$21.14	\$7.24

The Fire Extinguisher Repairer performs the following duties: repairs and tests fire extinguishers in repair shops and in establishments, such as factories, homes, garages, and office buildings, using hand tools and hydrostatic test equipment, this repairer dismantles extinguisher and examines tubing, horns, head gaskets, cutter disks, and other parts for defects, and replaces worn or damaged parts. Using hand tools, this repairer cleans

EXHIBIT G

extinguishers and recharges them with materials, (such as soda water and sulfuric acid, carbon tetrachloride, nitrogen or patented solutions); tests extinguishers for conformity with legal specifications using hydrostatic test equipment and may install cabinets and brackets to hold extinguishers.

EXHIBIT G

FUEL HANDLER SERIES

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
FUEL FACILITY OPERATOR	\$23.41	\$7.50
LEAD FUEL FACILITY OPERATOR	\$24.48	\$7.62
FUEL DISTRIBUTION SYSTEM MECHANIC	\$30.74	\$8.35
LEAD FUEL DISTRIBUTION SYSTEM MECHANIC	\$32.14	\$8.51

Plus 10% shift differential for hours worked between 6:00 p.m. and 6:00 a.m.

Fuel Facility Operator

Receives, stores, transfers, and issues fuel. Performs various testing procedures and documentation on fuel samples. Gauges tanks for water, temperature and fuel levels. Performs temperature and gravity testing for correct weight of fuel. Checks pumping systems for correct operating pressure or unusual noises. Inspects fuel receiving, storage, and distribution facilities to detect leakage, corrosion, faulty fittings, and malfunction of mechanical units, meters, and gauges such as distribution lines, float gauges, piping valves, pumps, and roof sumps. Operates a 24-hour control center; operates various computer equipment to determine potential equipment failure, leak and cathodic protection systems, pump failure, and emergency fuel shutoff systems. Monitors quality of fuel and drains excess condensation from fuel sumps and underground fuel pits. Inspects fuel tank farm for such items as leaks, low pressure, and unauthorized personnel. Performs general housekeeping and grounds maintenance for terminal, pipeline and dock areas, including fuel pits and valve vault cleaning and pump out activities. May connect lines, grounding wires, and loading and off-loading arms of hoses to pipelines. May assist Fuel Distribution System Mechanics by preparing work areas. Maintains record of inspections, observations and test results

Lead Fuel Facility Operator

Under the supervision of Facility Manager, or Operations Manager, maintains the purity of the fuel to be dispensed for all airline customers. Assist the Operations Manager with daily schedules, delegation of work duties, special projects, training, and performance of Fuel Facility Operators.

Fuel Distribution System Mechanic

Maintains and repairs fuel storage and distribution systems, equipment and filtration systems, and differential pressure valves. Corrects leakage, corrosion, faulty fittings, and malfunction of mechanical units, meters, and gauges such as distribution lines, float gauges, piping valves, pumps, and roof sumps. Inspects electrical wiring, switches, and controls for safe-operating condition, grounding, and adjustment; may make minor repairs. Lubricates and repacks valves. Lubricates pumps, replaces gaskets, and corrects pumping equipment misalignment. May clean strainers and filters, service water separators, and check meters for correct delivery and calibration. Overhauls system components such as pressure regulating valves and excess valves. Disassembles, adjusts, aligns, and calibrates gauges and meters or

EXHIBIT G

replaces them. Removes and installs equipment such as filters and piping to modify system or repair and replace system component. Cleans fuel tanks and distribution lines. Removes corrosion and repaints surfaces. Overhauls vacuum and pressure vents, floating roof seals, hangers, and roof sumps. Some positions maintain fuel-servicing equipment such as hydrant and tanker trucks. Maintains record of inspections and repairs and other related paperwork as required.

Lead Fuel Distribution System Mechanic

Performs lead duties such as making and approving work assignments and conducting on-the-job training as well as performing the various tasks performed by the Mechanic classification.

FURNITURE MOVERS

Moving, Storage and Cartage Workers

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
LABORER/HELPER	\$18.81	\$6.92
FURNITURE DRIVER/PACKER	\$19.16	\$7.01
LEAD FURNITURE MOVER	\$20.03	\$7.11

GLYCOL FACILITY

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
DE-ICING FACILITY OPERATOR	\$29.12	\$8.16
MAINTENANCE MECHANIC	\$29.33	\$8.18
GLYCOL PLANT SPECIALIST	\$18.81	\$6.92

De-icing Facility Operator

The De-icing Facility Operator is responsible for the safe and efficient daily operation of all aircraft de-icing fluid equipment to include: mechanical vapor recompression (concentrators), distillation, polishing, distribution, and collection systems as well as daily routine chores to include: operating and controlling all facility machines and equipment associates with the aircraft deicing fluid system (ADS). Operate electrical motors, pumps and valves to regulate flow, add specific amounts of chemicals such as hydrochloric acid or sodium hydroxide to fluid(s) for adjustment as required, turn valves, change filters/activated carbon, and clean tanks as needed to optimize productivity. Monitor panel boards/HMI/PLC's, adjust control flow rates, repairs, and lubricate machinery and equipment using hand powered tools. Test fluids to determine quality controlling methods. Record data as necessary and maintain good housekeeping of the facility.

EXHIBIT G

Maintenance Mechanic

The position of the Machinery Maintenance Mechanic will be primarily responsible for the routine maintenance and repairs of all facility equipment. Responsible for repairs to machinery and mechanical equipment, examine machines and mechanic equipment to diagnose source of trouble, dismantling or partly dismantling machines and performing repairs that mainly involve the use of hand tools in scraping and fitting parts, replacing broken or defective parts with items obtained from stock, ordering replacement parts, sending parts to a machine shop or equivalent for major repairs, preparing specific written specifications for repairs, SOP's for minor repairs, reassembly of machines and mechanical equipment, and making any necessary adjustments to all equipment for operational optimization.

Glycol Plant Specialist/Material Handling Laborer

The Material Handling Laborer is responsible for the safe and efficient daily documentation/recording of all ADF processors, distillation and polishing systems, as well as the distribution and collection system. Performing physical tasks to transport and/or store materials or fluids. Duties involve one or more of the following: manually loading or unloading trucks, tankers, tanks, totes, drums, pallets, unpacking, placing items on storage bins or proper locations. Utilizing hand carts, forklift, or wheelbarrow. Completing daily fluid inventory, to include tank measuring and completing fluid accountability records. Responsible for the overall facility housekeeping and general cleanliness. Escort vehicles and tankers in and out of the facility, change out filters as required on all systems, take samples and test for quality control and document the findings.

PARKING ELECTRONICS TECHNICIAN

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
PARKING ELECTRONICS TECHNICIAN	\$26.84	\$7.90

Plus 10% shift differential for regularly scheduled hours worked between 6:00 p.m. and 6:00 a.m.

This classification of work installs, modifies, troubleshoots, repairs and maintains revenue control equipment at manned and unmanned parking entrance and exit gates. Replaces consumable items such as tickets, printer ribbons, and light bulbs. Replaces modules and related equipment as needed to repair existing equipment, modify applications, or resolve unusual problems. Troubleshoots, tests, diagnoses, calibrates, and performs field repairs. Performs preventive maintenance such as inspection, testing, cleaning, lubricating, adjusting and replacing of serviceable parts to prevent equipment failure for electromechanical control to minimize repair problems and meet manufacturers' specifications.

EXHIBIT G

PEST CONTROLLER

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
PEST CONTROLLER	\$22.45	\$7.39

The Pest Controller sprays chemical solutions or toxic gases and sets mechanical traps to kill pests that infest buildings and surrounding areas, fumigates rooms and buildings using toxic gases, sprays chemical solutions or dusts powders in rooms and work areas, places poisonous paste or bait and mechanical traps where pests are present; may clean areas that harbor pests, using rakes, brooms, shovels, and mops preparatory to fumigating; and may be required to hold State license.

QUALITY CONTROL & ASSURANCE TECHNICIAN

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
QUALITY CONTROL & ASSURANCE TECHNICIAN	\$25.35	\$7.47

The Quality Control & Assurance Technician provides support to Inland Technologies operations by independently performing standard analysis on samples related to the manufacture of spent de-icing fluid to a 99% recycled glycol product and wastewater discharge. The Quality Control and Assurance Technician will continually look at ways to improve products and processes to exceed customer quality demands and decrease operational costs.

*OHR reviewed data in June of 2023 and rate is not increasing so no changes will be made.

SIGN ERECTOR

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
SIGN ERECTOR	\$21.09	\$6.31

This classification of work erects, assembles, and/or maintains signs, sign structures and/or billboards using various tools. Erects pre-assembled illuminated signs on buildings or other structures according to sketches, drawings, or blueprints. Digs and fills holes, places poles. Bolts, screws. or nails sign panels to sign post or frame. Replaces or repairs damaged or worn signs. May use welding equipment when installing sign. This classification is not a licensed electrician and therefore cannot make connections to power sources (i.e., provide exit lighting).

EXHIBIT G

*OHR pulled the wages in December of 2022 and data has remained the same so there is no recommendation to change the base wage or fringes.

TREE TRIMMERS

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
TREE TRIMMER	\$23.57	\$7.52

*OHR pulled the wages in October of 2021 and data has remained the same so there is no recommendation to change the base wage or fringes.

This classification of work trims, removes, and applies insecticides to trees and shrubbery including trimming dead, diseased, or broken limbs from trees utilizing rope and saddle, chain, handsaw, and other related equipment common to the care of trees and shrubs. Removes limbs, branches and other litter from the work area, observes safety rules, inspects and identifies tree diseases and insects of the area distinguishing beneficial insects and environmental stress, takes samples from diseased or insect infested trees for lab analysis, operates a wide variety of heavy and power equipment in trimming and removing trees and shrubbery i.e. mobile aerial tower unit, tandem trucks, loaders, chipper, etc., maintains all equipment.

WINDOW CLEANER

Effective Date: 2-4-2025

Last Revision: 4-11-2024

CLASSIFICATION	BASE WAGE/ HOUR	FRINGES/HOUR
WINDOW CLEANER	\$29.89	\$9.53 (Employee) \$11.37 (Children) \$11.09 (2-Party) \$13.50 (Family)

Benefits/Overtime

Parking The Company shall reimburse the cost of parking (per month) to employees furnishing a monthly parking receipt from the approved parking lot. The Employer shall reimburse employees for parking expenses from other parking lots up to the amount reimbursed for DIA Employee Parking Lot upon the submission of a monthly parking receipt. Only (1) one receipt per month.

Shift Differential Employees working on the night shift shall be awarded a shift differential of \$0.85 per hour worked. *Note: All wage increases become effective on the first day of the first full pay period following the above dates.*

EXHIBIT G

Overtime	One and one-half (1½) times the basic rate of pay in excess of 7.5 hours worked per day or 37.5 hours worked per week.
Lunch	Any employee working seven and a half (7.5) hours in a day is entitled to a thirty (30) minute paid lunch.
Lead Work	\$1.75 per hour above highest paid employee under supervision
High Work	\$1.85 per hour (21 feet or more from ground (base) to top of surface/structure being cleaned)
Training	\$0.25 per hour
ECOPASS	The Company will provide an Eco-Pass to all bargaining unit employees or pay \$.24 per hour for travel differential.

Note:

The Career Service Board in their public hearing on April 3, 2008, approved to amend prevailing wages paid to the Window Cleaners as follows: "All contractors shall provide fringe benefits or cash equivalent at not less than the single rate amount. Contractors who offer health insurance shall provide an employer contribution to such insurance of not less than the 2-party or family rate for any employee who elects 2-party or family coverage. Contractors who offer such coverage will be reimbursed for their employer contributions at the above rates under any City contract incorporating this wage specification."
