6. General description of proposed ordinance including contract scope of work if applicable:

This ordinance will approve an additional \$12 million appropriation to a capital grant fund for construction of the West Dakota Storm Water Outfall Project. This appropriation will be subject to reimbursement from tax increment revenues, including both sales and property tax from the TIF area. TIF area property tax will flow through DURA to the City's capital grant fund. TIF area sales tax will flow directly to the City's capital grant fund. The \$12M appropriation will be added to a prior \$1M appropriation for this project, approved by City Council on May 9th, 2011 . The additional appropriation will be:

Fund	Org	Project Number	Project Name	Amount
38302	5011102	PL020	West Dakota Stormwater Outfall Project	\$12,000,000

In addition, the ordinance will allow an administrative action to correct the Project Number and Project Name established for the prior \$1M appropriation. The Project Number will be corrected to read "PL020" (previously PL20). The Project Name will be corrected to read "West Dakota Stormwater Outfall Project" (previously Center Avenue Stormwater Improvements).

This is one of five (5) council actions necessary to approve the financing and constrution of the West Dakota Stormwater Outfall Project. See attached Executive Summary.
