12.2 Parties' Obligations with Respect to Confidential Information. The parties agree that issues governing the use and disclosure of Confidential Information, as defined below, provided to or made available to the City by CONCESSIONAIRE will be governed by the following provisions:

(a) Definition of Confidential Information. As used in this Agreement, the term "**Confidential Information**" means all information, of any nature and in any form, regardless of when given, that (i) is disclosed or provided by or through CONCESSIONAIRE to the City pursuant to performance of this Agreement; and (ii) has been clearly marked or indicated in writing as being confidential by CONCESSIONAIRE. Information falling within this definition shall be treated by the City as the confidential proprietary information of CONCESSIONAIRE pursuant to the provisions of the Colorado Open Records Act and under any rule of court. Information not so marked or indicated will not be so considered.

(b) Use of Confidential Information. The City will take all reasonable measures to avoid disclosure, dissemination or unauthorized use of Confidential Information, including, at a minimum, those measures that it takes to protect its own Confidential Information of a similar nature.

(c) Open Records Requests. The Parties recognize that the mere marking of a document as "Confidential" does not render it conclusively confidential under the Colorado Open Records Act. Consequently, in the event that the City is served with an Open Records Request or subpoena from any third party requesting all or part of any Confidential Information as defined herein, the City shall give timely notice to CONCESSIONAIRE of such request or subpoena within the time parameters of the Colorado Open Records Act or of any applicable court rule. CONCESSIONAIRE acknowledges that the City may be required to tender Confidential Information to a judge pursuant to a properly executed court order, and the City shall give timely notice to CONCESSIONAIRE of such tender so that CONCESSIONAIRE may intervene to prevent the disclosure of Confidential Information. In that event, CONCESSIONAIRE agrees upon receipt of actual notice from the City of such Open Records Request or subpoena to immediately undertake to defend such Confidential Information from disclosure pursuant to the Colorado Open Records Act or applicable court rule and shall defend, save and hold harmless and indemnify the City and its agents and employees with respect to such issues, including attorneys' fees and cost to defend; except that CONCESSIONAIRE will not be obligated to reimburse the City for the costs or legal work of the City Attorney's Office.

CONCESSIONAIRE and its Subcontractors shall promptly remove from Overland Park, all goods, wares, supplies, merchandise, equipment, furnishings, facilities, and other personal property which are not owned by the City and which relate to CONCESSIONAIRE's use and occupancy of Overland Park for the Festival ("Personal Property"). The City shall not be liable for any damage to or loss of Personal Property, except as to such claims, loss or damages that arise out of the willful misconduct of the City or its agents, employees or officials. If said removal causes any damage to Overland Park, CONCESSIONAIRE shall be responsible for the prompt repair of the same in good and workmanlike manner. CONCESSIONAIRE fails to remove any Personal Property upon the expiration of the Load-Out Time, the City may, at its option, keep and retain said Personal Property or dispose of the same and retain any proceeds therefrom, and the City shall be entitled to recover from CONCESSIONAIRE any costs of the City in removing the same and in restoring Overland Park more than the actual proceeds, if any, received by the City from the disposition thereof.

that may be sustained by reason of the occupancy or use of any portion of the Festival Site, the surrounding park or other City-owned property, or Load-In and Load-Out areas under this Agreement. All security personnel or other watchmen or other protective service for securing such Personal Property shall be the sole responsibility of CONCESSIONAIRE or its employees, volunteers or Subcontractors. In the receipt, handling, care or custody of Personal Property shipped or otherwise delivered to the Event Site, the surrounding park or other City-owned property, or any Load-In and Load-Out areas, the City shall act solely for the accommodation of CONCESSIONAIRE, and not as a bailment, and the City and its elected and appointed officials, agents, or employees shall not be liable for any loss, damage, or injury to such Personal Property, except that said officials, agents, or employees (but not the City itself) may be personally liable for any deliberate and malicious acts of damage or injury to Personal Property including theft.

CONCESSIONAIRE shall obtain approval from City prior to performing any such tree trimming.

CONCESSIONAIRE shall defend, release, indemnify, and save and hold harmless the City against any and all damage to property or injury to or death of any person or persons, including property and employees or agents of City, and shall defend, release, indemnify and save and hold harmless City from any and all claims, demands, suits, actions, liabilities, causes of action or legal or equitable proceedings of any kind or nature (collectively, "**Losses**"), including workers' compensation claims and claims related to copyright or trademark rights, of or by anyone whomsoever, in any way resulting from or arising out of CONCESSIONAIRE's operation, use or occupancy of Overland Park, its activities or its performance in connection with this Agreement, including acts or omissions of CONCESSIONAIRE or its officers, employees, representatives, suppliers, invitees, licensees, subconsultants, subcontractors, volunteers and agents. This indemnity shall be interpreted in the broadest possible manner to indemnify the City from such Claims, either passive or active, irrespective of fault, including the City's concurrent negligence, whether active or passive, except for Claims determined by the trier of fact to be due to the sole negligence or willful misconduct of the City and its appointed and elected officials, agents and employees. Insurance coverage requirements specified in

this Agreement shall in no way lessen or limit the liability of CONCESSIONAIRE under the terms of this indemnification obligation.

14.2 Defense Costs. CONCESSIONAIRE's duty to defend and indemnify the City shall arise at the time written notice of the Claims is first provided to the City regardless of whether an action has been filed in court on the Claims. CONCESSIONAIRE's duty to defend and indemnify the City shall arise even if the City is the only party sued and/or it is alleged that the City's negligence or willful misconduct was the sole cause of the alleged damages. CONCESSIONAIRE will defend any and all Claims which may be brought or threatened against the City and will pay on behalf of the City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred by the City in defending and investigating such Claims or seeking to enforce this indemnity and defense obligation if CONCESSIONAIRE should fail to defend as required herein. Such payments on behalf of the City shall be in addition to any other legal remedies available to City and shall not be considered the City's exclusive remedy. CONCESSIONAIRE will not be obligated to reimburse the City for the costs or legal work of the City Attorney's Office. In the event the City desires the assistance of outside legal counsel, City will consult with CONCESSIONAIRE on the hourly rates or other basis for compensation with CONCESSIONAIRE, but the selection of outside legal counsel will be in the City Attorneys' sole determination

CONCESSIONAIRE shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of CONCESSIONAIRE. CONCESSIONAIRE shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

15.2 Proof of Insurance. CONCESSIONAIRE shall provide a copy of this Agreement to its insurance agent or broker. CONCESSIONAIRE certifies that a current certificate of insurance, in compliance with this Section 15, shall be provided to the City in final form no later than thirty (30) days prior to the start of the Load. The City requests that the City's contract number be referenced on the Certificate. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of CONCESSIONAIRE's breach of this Agreement or of any of the City's rights or remedies under this Agreement. Denver Risk Management may require additional proof of insurance, including but not limited to policies and endorsements.

15.3 Additional Insureds. For Commercial General Liability, Business Auto Liability, and Liquor Legal Liability, the insurer(s) for CONCESSIONAIRE or CONCESSIONAIRE's Subcontractor(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insureds.

CONCESSIONAIRE shall include all such Subcontractors as additional insureds under its policies (with the exception of Workers' Compensation) or shall ensure that all such Subcontractors maintain the required coverages. CONCESSIONAIRE agrees to provide proof of insurance for all such Subcontractors upon request by the City.

CONCESSIONAIRE shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims. CONCESSIONAIRE expressly represents to the City, as a material representation upon which the City is relying in entering into this Agreement, that none of CONCESSIONAIRE's officers or employees who may be eligible under any statute or law to reject Workers' Compensation Insurance shall effect such rejection during any part of the term of

this Agreement, and that any such rejections previously effected, have been revoked as of the date CONCESSIONAIRE executes this Agreement.

At CONCESSIONAIRE's own expense, where such general aggregate or other aggregate limits have been reduced below the required per occurrence limit, CONCESSIONAIRE shall procure such per occurrence limits and furnish a new certificate of insurance showing such coverage is in force.

15.11 Survival. The provisions of this Section 15 shall survive the expiration or termination of this Agreement.

15.12 Bonding/Irrevocable Letter of Credit. Without limiting or waiving any other responsibilities or obligations under this Agreement, CONCESSIONAIRE shall provide a Payment and Performance bond(s), an irrevocable letter of credit, or other performance guarantees in the amount of One Million Five Hundred Thousand Dollars and Zero Cents (\$1,500,000.00) (the

The Surety must be issued from a surety corporation or bank authorized to do business in the State of Colorado and which is acceptable to the City. Such Surety shall be payable to the City upon demand for CONCESSIONAIRE’s failure to perform as required under Section 8.5 of this Agreement. The Surety shall also assure the restoration, repair or replacement of any damage or condition not in compliance with this Agreement or the original condition of the Festival Area prior to the Festival. The Surety shall remain in effect or be promptly renewed or replaced by another Surety reasonably acceptable to the City during the Term of the Agreement and during the Festival and for a ninety (90) day period after the last day of Load-Out Time, or expiration or termination of this Agreement or any Extension Amendment and any warranty period or other period prescribed by law. Satisfactory proof of renewal or acceptable replacement must be provided to the Director at least sixty (60) days prior to the date of expiration or termination of the Surety. CONCESSIONAIRE’s obligations set out in this section shall survive the expiration or termination of this Agreement and failure to obtain or maintain said Surety shall be grounds for immediate termination.

16.1 Broadcasting Rights. CONCESSIONAIRE shall have all Broadcast rights related to the Festival. The City shall not have any right to Broadcast or exhibit, or authorize the Broadcast or exhibition, of the Festival through its City-owned media, whether before, during or after the Festival Date, without the express written permission of CONCESSIONAIRE.

16.3 Photographic Rights Retained by the City. Notwithstanding any provision to the contrary, CONCESSIONAIRE grants to the City an irrevocable, non-exclusive license for the City to make its own photographs, audio and video recordings in the Festival Area during the Festival Dates for the City's sole use for the City's customary advertising and publicity and other non-commercial City uses each of which must be approved in advance by CONCESSIONAIRE in its sole discretion; provided, however, that the City shall not photograph or record any artist performance and shall be solely responsible for obtaining any releases from any persons featured in such photos or recordings, including any related costs. Further, City shall be responsible for any damages to CONCESSIONAIRE and its affiliates relating to any claims arising out of or relating to such photographs and recordings made by the City hereunder.

17. DEFAULT AND REMEDIES

17.1 Default by CONCESSIONAIRE. The following shall constitute a "Default" by CONCESSIONAIRE under this Agreement:

17.2 Any cure rights set forth in this Section 17 shall not excuse the obligation of CONCESSIONAIRE to take timely and proper action to prevent, stop, mitigate, or alleviate any recent or impending damage to the Festival Site, City-owned property or neighboring property or any existing or imminent threat or danger to public health and safety.

17.3 City's Election to Terminate for CONCESSIONAIRE Default. Any election on the part of the City to terminate this Agreement by reason of a Default by CONCESSIONAIRE must be in writing, properly executed by the City and served upon CONCESSIONAIRE. No termination of this Agreement

on account of Default by CONCESSIONAIRE shall be or become effective by operation of law or otherwise, unless and until the City shall have given such notice to CONCESSIONAIRE.

17.4 Default by City. At no time shall the City be deemed to be in breach or default under this Agreement for the material breach or default in the performance or fulfillment of any material term, covenant or condition herein, unless and until CONCESSIONAIRE shall have given to the City notice in writing, specifying such default and the City shall have failed to cure the default so specified within thirty (30) days following said written notice (or, if City is diligently pursuing a cure, such greater time as is allowed by CONCESSIONAIRE in its sole discretion). If the City fails to timely deliver the site to CONCESSIONAIRE, then City shall have twenty-four (24) hours to cure before it is deemed to be in default.

17.5 Specific Performance; Anticipatory Repudiation. Notwithstanding anything in this Agreement to the contrary, the parties reserve the right to seek specific performance of this Agreement and either party hereto shall have the right to enjoin any anticipatory repudiation of this Agreement by the other.

17.6 Damages. Both parties expressly acknowledge that any damages sought for breach or default of this Agreement are limited to actual damages. Both parties expressly waive and agree not to seek any consequential, incidental and punitive damages arising from breach or default under this Agreement.

17.7 Cumulative Rights and Remedies. Unless otherwise provided, the rights and remedies provided by this Agreement are cumulative and the use of any one right or remedy by any party shall not preclude or waive the right to use any other remedy.

17.8 When Rights and Remedies Not Waived. In no event shall any performance by either party hereunder constitute or be construed to be a waiver by such party of any breach of term, covenant, or condition or any default which may then exist on the part of the other party, and the rendering of such performance when any such breach or default shall exist shall not impair or prejudice any right or remedy available to the non-breaching party with respect to such breach or default; and no assent, express or implied, to any breach of any one or more terms, covenants, or conditions of the Agreement shall be construed as a waiver of any succeeding or other breach.

18. COMPLIANCE WITH APPLICABLE LAWS, AND RESTRICTIONS ON USE

18.1 General Compliance with Laws. The Parties shall comply with all Applicable Law in connection with this Agreement. CONCESSIONAIRE shall use its reasonable efforts to ensure that the Festival attendees and its Subcontractors shall comply with all Applicable Law at the Festival and in the Festival Area. The City shall not be required to take any action which is inconsistent with its federal or state constitutional obligations or its obligations as a governmental entity.

18.2 No Endangerment of Public Safety. CONCESSIONAIRE shall take all reasonable actions necessary to protect the safety of Festival attendees, including those measures set forth in accordance with Sections 10.1, 10.2, 10.3 and 10.11.

18.3 No Discrimination in Employment. In connection with the performance of work under this Agreement, CONCESSIONAIRE agrees not to refuse to hire, discharge, promote, or

demote, or to discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, gender, age, military status, sexual orientation, gender identity or gender expression, marital status, or physical or mental disability; and CONCESSIONAIRE further agrees to insert the foregoing provision in all subcontracts hereunder.

18.4 Colorado Governmental Immunity Act. The Parties hereto understand and agree that the City is relying upon, and has not waived, the monetary limitations and all other rights, immunities and protection provided by the Colorado Governmental Act, § 24-10-101, *et seq.*, C.R.S. and other law. All notice requirements provided by such laws shall be strictly complied with.

18.5 Ethics. The parties agree that no employee of the City shall have any personal or beneficial interest whatsoever in the services or property described herein. CONCESSIONAIRE further agrees not to hire, or contract for services with, any employee or officer of the City in violation of the Denver Revised Municipal Code Chapter 2, Article IV, Code of Ethics or Denver City Charter provisions 1.2.9 and 1.2.12.

18.6 Liens and Encumbrances. CONCESSIONAIRE shall not permit any mechanic's or materialman's liens or any other liens or encumbrances to be imposed and remain for more than ninety (90) days upon the property of the City, or any part or parcel thereof, by reason of any work or labor performed or materials furnished by any person, partnership, association, company, corporation, or other entity to or for CONCESSIONAIRE, either pursuant to C.R.S. §38-26-107, as amended, or by other authority.

19. MISCELLANEOUS

19.1 Legal Authority.

(a) CONCESSIONAIRE assures and guarantees that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into this Agreement.

(b) The person or persons signing and executing this Agreement on behalf of CONCESSIONAIRE, do hereby warrant and guarantee that they have been fully authorized by CONCESSIONAIRE to execute this Agreement on behalf of CONCESSIONAIRE and to validly and legally bind CONCESSIONAIRE to all the terms, performances and provisions herein set forth.

(c) The City shall have the right, at its option, to either suspend or permanently terminate this Agreement, if there is a dispute as to the legal authority of either CONCESSIONAIRE or the person signing the Agreement to enter into this Agreement.

19.2 City Financial Obligations. It is understood and agreed that any payment or performance obligation of the City hereunder, whether direct or contingent, shall extend only to funds appropriated by the Denver City Council for the purpose of this Agreement in each year in which the Agreement is in effect, encumbered for the purpose of the Agreement and paid into the Treasury of the City. CONCESSIONAIRE acknowledges that the (i) the City does not by this Agreement irrevocably pledge present cash reserves for payments in future

fiscal years, and (ii) this Agreement is not intended to create a multiple-fiscal year direct or indirect financial obligation of the City.

19.3 No Third-Party Beneficiary. It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the City and CONCESSIONAIRE, and nothing contained in this Agreement shall give or allow any such claim or right of action by any other third person, including but not limited to Subcontractors, subconsultants and suppliers. It is the express intention of the City and CONCESSIONAIRE that any person or entity other than the City or CONCESSIONAIRE receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

19.4 No Agency or Partnership Relationship.

(a) Nothing in this Agreement is intended nor shall be deemed to create an agency, relationship, partnership or joint venture between CONCESSIONAIRE on the one hand, and the City on the other hand.

(b) Nothing in this Agreement is intended nor shall be deemed to grant to CONCESSIONAIRE any power, right or authority to bind or otherwise contractually obligate the City.

(c) Nothing in this Agreement is intended nor shall be deemed to grant to the City any power, right or authority to bind or otherwise contractually obligate CONCESSIONAIRE.

(d) No employee of CONCESSIONAIRE shall be deemed an employee of the City.

(e) No employee of the City shall be deemed an employee of CONCESSIONAIRE.

19.5 Assignment and Subcontracting. The City is not obligated or liable under this Agreement to any party other than CONCESSIONAIRE. CONCESSIONAIRE understands and agrees that it shall not assign or subcontract with respect to any of its material rights, benefits, obligations or duties as owner, organizer and promoter of the Festival under this Agreement except upon prior written consent and approval of the Executive Director which shall not be unreasonably withheld; provided, however, that CONCESSIONAIRE shall have the right to assign or subcontract this Agreement to an affiliate under the common control of CONCESSIONAIRE without such prior written consent and approval of the Manager. In the event any such assignment or subcontracting shall occur, such action shall not be construed to create any contractual relationship between the City and such assignee or Subcontractor, and CONCESSIONAIRE shall remain fully responsible to the City according to the terms of this Agreement. This Agreement and the parties anticipate that CONCESSIONAIRE may perform certain of its obligations hereunder, such as Concessions, through a duly licensed Subcontractor(s). The City acknowledges that CONCESSIONAIRE may, in its sole discretion,

enter into separate agreements with Subcontractors to manage CONCESSIONAIRE's rights with respect to alcohol sales under Section 3.2(c) of this Agreement and such separate agreements shall not be considered assignment or subcontracting with respect to material rights under this Section 19.5.

19.6 Further Assurances. Each party shall execute and deliver such other reasonable documents, instruments and agreements, and take such actions as are reasonably necessary or desirable to effectuate the transactions contemplated herein or as required by Applicable Law.

19.7 Disputes; Venue and Governing Law. It is mutually agreed by and between the parties hereto, that should any dispute arise regarding this Agreement, and suit be deemed necessary by either party, that venue for such action shall lie in the District Court in and for the City and County of Denver, Colorado, and that any and all notices, pleadings and process may be served upon CONCESSIONAIRE by service of two copies of said notice, pleading or process to the address of CONCESSIONAIRE shown in this Agreement. Said service, as above set forth, shall be considered by the parties as valid personal service upon the party so served, and judgment may thereafter be taken if the party so served does not, within the time period prescribed by Colorado law or rule of civil procedure appear and plead or answer. Furthermore, each and every term, condition or covenant herein shall be construed and enforced pursuant to the laws of the State of Colorado and any applicable federal law, without regard to any statute or rule of law specifying a different choice of law, and pursuant to the Charter, Revised Municipal Code, Rules and Regulations and Executive Orders of the City.

19.8 Notices. All notices, demands or other communications required or permitted to be given under this Agreement shall be in writing and any and all such items shall be deemed to have been duly delivered upon (i) personal delivery; or (ii) as of the third business day after mailing by United States mail, certified, return receipt requested, postage prepaid, addressed as follows; or (iii) as of 12:00 Noon, local time of the recipient, on the immediately following business day after deposit with Federal Express or a similar overnight courier service that provides evidence of receipt, addressed as follows:

(c) Successors. This Agreement shall be binding upon and shall inure to the benefit of the successors and assigns of CONCESSIONAIRE as are permitted to succeed to CONCESSIONAIRE's right upon and subject to the terms hereof.

(d) Singular and Plural. Whenever the context shall so require, the singular shall include the plural and the plural shall include the singular.

(e) Reasonableness of Consent or Approval. Unless otherwise specifically provided to the contrary, all decisions, approvals or consents shall be made in the reasonable discretion of the party making the same. Further, unless a specific time frame is provided herein, any approval or consent shall not be unreasonably withheld or delayed. Whenever under this Agreement "reasonableness" is the standard for the granting or denial of the consent or approval of either party hereto, such party shall be entitled to consider public and governmental policy, moral and ethical standards as well as business and economic considerations.

(f) Severability. It is understood and agreed by the parties hereto that if any part, term, or provision of this Agreement is held by a court of law (following all legal rights of appeal or the expiration of time therefore) to be illegal or in conflict with any law of the State of Colorado or the City Charter or ordinance, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term, or provision held to be invalid; provided, however, if the invalidated term was a critical or material consideration of either party in entering this Agreement, the parties shall work together, in good faith, to come up with an

amendment to this Agreement that substantially satisfies the previously intended consideration while being in compliance with any Applicable Law.

19.11 Agreement as Complete Integration. Amendments. This Agreement is intended as the complete integration of all understandings between the parties pertaining to the subject matter of this Agreement. No prior or contemporaneous addition, deletion, or other amendment hereto shall have any force or effect whatsoever, unless embodied herein in writing. No subsequent novation, renewal, addition, deletion or any other amendment hereto shall have any force or effect unless embodied in a written amendatory or other Agreement properly executed by the parties. This Agreement and any amendments shall be binding upon the parties, their successors and assigns.

19.12 Final Approval. This Agreement is expressly subject to and shall not be or become effective or binding on the City until approval by the City Council and fully executed by all signatures of the City and County of Denver.

19.13 Counterparts. This Agreement shall be executed in two (2) counterparts, each of which shall be deemed to be an original but all of which shall together constitute one and the same instrument. A facsimile signature of any party shall be considered to have the same binding effect as an original signature.

19.14 Electronic Signatures and Electronic Records. CONCESSIONAIRE consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature hereunder, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

PARK USE RULES AND REGULATIONS
AS ADOPTED 5-11-12 and AS AMENDED AND RESTATED 5-27-15**

PART I – GENERAL PROVISIONS

A. Purpose: The implementation of rules and regulations establishing restrictions and prohibitions with respect to public activities and behavior in, and public use of, parks, parkways, mountain parks, recreation facilities, and other public facilities under the auspices of the Department of Parks and Recreation for the City and County of Denver. The rules and regulations set forth herein directly correlate with, and are enforced through, the provisions of Article I (In General) of Chapter 39 (Parks and Recreation) of the Denver Revised Municipal Code.

B. Authority:

B.1. Section 2.4.4(A) of the Denver City Charter (“**Charter**”) delegates to the Department of Parks and Recreation (“**DPR**”) the duty and power to manage, operate and control all facilities located within and without the boundaries of the City and County of Denver and owned by the City for park and recreational purposes. This authority includes the power to adopt rules and regulations regarding the management, operation and control of these facilities. DPR has exercised this authority by adopting and subsequently amending the rules and regulations set forth herein (“**Park Use Rules and Regulations**”).

B.2. The enforcement of the rules and regulations authorized under Charter Section 2.4.4(A) is achieved through ordinances adopted by the Denver City Council and approved by the Mayor, as provided in Charter Section 2.4.4(A). This Charter authority is recognized in Section 39-1(a) of the Denver Revised Municipal Code (“**DRMC**”), and enforcement is provided for in Article I of Chapter 39, DRMC (“**Article I Ordinances**”).

B.3. Section 39-1(b), DRMC, makes it unlawful for any person to violate any rules and regulations adopted by the DPR Executive Director (as defined in Part II) and as provided in the Article I Ordinances and authorizes enforcement through penalties imposed by the courts.

B.4. Additional authority is granted in Section 39-1(c), DRMC, for DPR to adopt rules and regulations for the use of administrative citations in accordance with Article XII of Chapter 2, DRMC. DPR has exercised this authority by adopting a separate set of rules and regulations for administrative citations and establishing an administrative system for, among other things, issuing citations, collecting civil fines, and conducting appeals. This administrative system is set forth in the Administrative Citations Rules & Regulations adopted 5-11-12 and as subsequently amended.

B.5. Nothing in these Park Use Rules & Regulations are intended to be a limitation or restriction on the duties or powers vested in DPR and the DPR Executive Director under 2.4.4(A) of the Charter or other provisions of the Charter or granted to DPR and the DPR Executive Director under Section 39-1(b) and (c), DRMC.

C. Application: The Park Use Rules & Regulations set forth herein are applicable to members of the public who seek to enter in or on a Park Facility (as defined in Part II), engage in activities in or on a Park Facility, or make some use of a Park Facility. The Park Use Rules and Regulations shall not apply to the following: 1) DPR or other City staff performing their duties in or at a Park Facility; 2) police, fire and emergency personnel performing their duties in or at a Park Facility; 3) contracted persons performing services, installing equipment, or making improvements in or at a Park Facility as specified in a purchase order or contract with the City or the City’s designated representatives; and 4) other persons authorized by the DPR Executive Director to enter, engage in activities or make use of the Park Facility so long as the entry, activity or use is in compliance with the authorization given.

**DENVER DEPARTMENT OF PARKS AND RECREATION
PARK USE RULES AND REGULATIONS
AS ADOPTED 5-11-12 and AS AMENDED AND RESTATED 5-27-15**

D. Effect on other lawful requirements: Nothing in these Park Use Rules & Regulations is intended to reduce, limit, waive, override or supersede legal requirements for compliance by members of the public with other City ordinances and rules and regulations, including but not limited to compliance with rules and regulations adopted, any licenses or permits issued, or other authorizations or approvals required by other City departments and agencies such as Public Works, Safety (Police and Fire), Community Planning and Development, Denver Water, Arts & Venues, Excise and Licenses, Finance, and Environmental Health, or by federal and state law. This includes other DPR policies and/or rules and regulations.

E. Enforcement: These Park Use Rules & Regulations are subject to enforcement as authorized under Sub-sections 39-1(b) and 39-1(c), DRMC. Beyond tickets issued by the police and fines imposed by the courts, enforcement of these Park Use Rules & Regulations may be achieved through administrative means set forth in these Park Use Rules & Regulations and the Administrative Citations Rules & Regulations adopted 5-11-12 and as subsequently amended. It shall be a violation of these Park Use Rules & Regulations for a member of the public not to comply with any prohibitions, disallowances, restrictions, requirements and mandates specified in these Park Use Rules & Regulations.

F. Interpretation: If at any time the application or meaning of the Article I Ordinances is uncertain or in need of further explanation during enforcement, these Park Use Rules & Regulations shall be referred to, and applied, for any interpretation or clarification of the Article I Ordinances.
