

EXECUTIVE SUMMARY

Background:

In 2020, Denver Arts & Venues (DAV), with the assistance of the Denver Purchasing Division, issued RFP 11027A – Medical Services Provider – Red Rocks Amphitheatre, for a vendor to provide medical equipment and personnel licensed to provide Advanced and Basic Life Support (ALS/BLS) services at Red Rocks Amphitheatre in connection with events held at the venue. These are critical life, health and safety services in support of Red Rocks patrons.

Current Request:

DAV is seeking City Council approval of contract THTRS-202054536 to enter into a contract with Stadium Medical to provide ALS and BLS services to Red Rocks patrons.

In particular:

- This is a cost neutral service for Denver Arts & Venues since all costs to DAV are then billed to promoters in connection with events held at the venue.
- The Contractor will provide licensed, Colorado certified emergency medical technicians as needed.
- The Contractor will provide ambulances services.
- The Contractor will provide medical equipment including needed to support ALS and BLS services.
- The Contractor will stock and supply medical materials needed to provide services pursuant to the Agreement. These supplies will be stocked in the Venue's first aid room. Contractor will maintain an inventory list of all items to be maintained on site and update same based on consultation with the Venue Director.
