Objective: To secure an appointment with the Head Start Policy Council to use my expertise and first-hand experience for the betterment of underserved communities and their children. To work collectively to help implement strategies, policies and programs to ensure the best outcome educationally for the children we serve.

As well as helping develop/modify programs and services which empower parents (as they are their children's first educator/teacher). Specifically minorities, while using my cultural competence.

Work/Volunteer Experience:

2020 - Current

FBI Citizens Academy – Denver, CO

The purpose of this academy is to foster a greater understanding of the role of federal law enforcement through education and discussion.

2019 – Current

Rocky Mountain Toastmasters President, Toastmasters International – Denver, CO

This leadership position of this public speaking organization has allowed me to implement the rules and regulations set forth by the parent organization while also fulfilling the competencies of my position.

I set the tone for the meetings (which are every Thursday from 7:00PM – 8:30 PM) while providing helpful, supportive leadership for all of the club's activities. I motivate, make peace and facilitate as required. While I preside over meetings, I take charge of the proceedings, the opening of club meeting, as well as business and executive committee meetings. I ensure that people follow and conduct themselves according to parliamentary procedure as outlined in Roberts's Rules of Order, Newly Revised. My focus is on the member's club quality and experience.

It's my responsibility to provide leadership for the club whenever it's required. This includes creating a nurturing environment to learn and enhance quality by conducting well ran, interesting meetings that are energetic which actively connect members and officers.

We are the second oldest club in the region. We just celebrated our 71st anniversary from being chartered.
