

ORDINANCE/RESOLUTION REQUEST

Please email requests to the Mayor's Legislative Team
at MileHighOrdinance@DenverGov.org by **3:00pm on Monday**.

****All fields must be completed.****

Incomplete request forms will be returned to sender which may cause a delay in processing.

Date of Request: March 9, 2012

Please mark one: Bill Request or Resolution Request

1. Has your agency submitted this request in the last 12 months?

Yes No

If yes, please explain:

2. Title: *(Include a concise, one sentence description – please include name of company or contractor and contract control number - that clearly indicates the type of request: grant acceptance, contract execution, amendment, municipal code change, supplemental request, etc.)*

CenturyLink Business, Inside Outside Plan RFP The Contractor will participate in Aviation Premises Wiring Communication System ("PWCS") Installation, and Construction Services, specifically for (1) Inside and/or Outside Plant Construction, (2) Maintenance, (3) Move-Add-Change actions, (4) System Optimization Services throughout the DIA voice, data & video systems (airport-wide), (5) Professional Services and (6) Provide any equipment and parts necessary to perform required work functions, such as construction equipment and implements, vehicles, testing equipment, and tools.

3. Requesting Agency: Department of Aviation

4. Contact Person: *(With actual knowledge of proposed ordinance/resolution.)*

- **Name:** Lynn Rubner
- **Phone:** 303-342-2048
- **Email:** lynn.rubner@flydenver.com

5. Contact Person: *(With actual knowledge of proposed ordinance/resolution who will present the item at Mayor Council and who will be available for first and second reading, if necessary.)*

- **Name:** Brian Elms
- **Phone:** 303-342-2278
- **Email:** brian.elms@flydenver.com

6. General description of proposed ordinance including contract scope of work if applicable: On Call Professional Inside/Outside Plant Telecommunications infrastructure Engineering, Construction, and Installation services. DIA covers Fifty Three square miles on the easternmost border of Denver, Colorado. Communications backbone infrastructure is required at remote locations within DIA's boundary. At times new construction consisting of Excavation, Duct Bank, Direct-Buried, Directional Boring, Aerial, Wireless, or other industry acceptable methods is required. Hi-Capacity Backbones of Copper cable, Fiber Optic cable and transmission or terminating equipment and protocols, as well as High Voltage Electric cables and equipment including conduit, may be required. DIA Standards, including DIA Division One and Orange Book standards, Professional Industry Norms and Standards, as well as all applicable laws and regulations of Federal, State, County, and Municipal entities must be observed and strictly adhered to. Individual projects or engagements will be invoiced and billed on a completed and certified piecemeal basis unless otherwise negotiated in advance.

The Scope serves the need to secure a contract or multiple contracts with eligible "on call" vendor(s) so DIA has the ability to manage, procure, and oversee the implementation of inside and outside plant scopes of work (developed by others) on a timely basis.

****Please complete the following fields:** *(Incomplete fields may result in a delay in processing. If a field is not applicable, please enter N/A for that field.)*

- a. **Contract Control Number:**
- b. **Duration:** 3yr plus 2-1 yr extensions
