30 all costs of removal, relocation, replacement or rearrangement of utility company facilities. Existing  
31 telephone facilities shall not be utilized, obstructed or disturbed.

32       (f) All construction in, under, on or over the Encroachment Area shall be accomplished in

20 without cost to the City and under the supervision of the City Engineer.

22 within the Encroachment Area. An annual fee, subject to change, of \$200.00 shall be assessed.

23 (k) This revocable Permit shall not operate or be construed to abridge, limit or restrict the  
24 City in exercising its right to make full use of the Encroachment Area and adjacent rights-of-way as  
25 public thoroughfares nor shall it operate to restrict the utility companies in exercising their rights to  
26 construct, remove, operate and maintain their facilities within the Encroachment Area and adjacent  
27 rights-of-way.

28 (l) During the existence of the Encroachments and this Permit, Permittee, its successors  
29 and assigns, at its expense, and without cost to the City, shall procure and maintain a single limit  
30 comprehensive general liability insurance policy with a limit of not less than \$500,000.00. All  
31 coverages are to be arranged on an occurrence basis and include coverage for those hazards  
32 normally identified as X.C.U. during construction. The insurance coverage required herein  
33 constitutes a minimum requirement and such enumeration shall in no way be deemed to limit or

1 lessen the liability of the Permittee, its successors or assigns, under the terms of this Permit. All  
2 insurance coverage required herein shall be written in a form and by a company or companies  
3 approved by the Risk Manager of the City and authorized to do business in the State of Colorado.  
4 A certified copy of all such insurance policies shall be filed with the Executive Director, and each  
5 such policy shall contain a statement therein or endorsement thereon that it will not be canceled or  
6 materially changed without written notice, by registered mail, to the Executive Director at least thirty  
7 (30) days prior to the effective date of the cancellation or material change. All such insurance policies  
8 shall be specifically endorsed to include all liability assumed by the Permittee hereunder and shall  
9 name the City as an additional insured.

10 (m) Permittee shall comply with the provisions of Article IV (Prohibition of Discrimination in  
11 Employment, Housing and Commercial Space, Public Accommodations, Educational Institutions  
12 and Health and Welfare Services) of Chapter 28 (Human Rights) of the Revised Municipal Code of  
13 the City and County of Denver. The failure to comply with any such provision shall be a proper basis  
14 for revocation of this Permit.

15 (n) The right to revoke this Permit is expressly reserved to the City.

16 (o) Permittee shall agree to indemnify and always save the City harmless from all costs,  
17 claims or damages arising, either directly or indirectly, out of the rights and privileges granted by this  
18 Permit.

19 **Section 3.** That the Permit hereby granted shall be revocable at any time that the Council  
20 of the City and County of Denver shall determine that the public convenience and necessity or the  
21 public health, safety or general welfare require such revocation, and the right to revoke the same is  
22 hereby expressly reserved to the City; provided however, at a reasonable time prior to City Council  
23 action upon such revocation or proposed revocation, opportunity shall be afforded to Permittee, its  
24 successors and assigns, to be present at a hearing to be conducted by the City Council upon such  
25 matters and thereat to present its views and opinions thereof and to present for consideration action  
26 or actions alternative to the revocation of such Permit.
