

## **A G R E E M E N T**

**THIS AGREEMENT** is made between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”) and **EAST COLFAX COMMUNITY COLLECTIVE**, a Colorado nonprofit corporation, whose address is 1195 Newport Street, Suite 107, Denver, Colorado 80220 (the “Contractor”), jointly (“the Parties”).

The Parties agree as follows:

**1. COORDINATION AND LIAISON:** The Contractor shall fully coordinate all services under the Agreement with the Executive Director of Public Health and Environment, (“Executive Director”) or, the Executive Director’s Designee.

**2. SERVICES TO BE PERFORMED:**

**a.** As the Executive Director directs, the Contractor shall diligently undertake, perform, and complete all of the services and produce all the deliverables set forth on **Exhibit A, Scope of Work**, to the City’s satisfaction.

**b.** The Contractor is ready, willing, and able to provide the services required by this Agreement.

**c.** The Contractor shall faithfully perform the services in accordance with the standards of care, skill, training, diligence, and judgment provided by highly competent individuals performing services of a similar nature to those described in the Agreement and in accordance with the terms of the Agreement.

**3. TERM:** The Agreement will commence on **August 1, 2025**, and will expire on **July 31, 2028**, (the “Term”). The term of this Agreement may be extended by the City under the same terms and conditions by a written amendment to this Agreement. Subject to the Executive Director’s prior written authorization, the Contractor shall complete any work in progress as of the expiration date and the Term of the Agreement will extend until the work is completed or earlier terminated by the Executive Director.

**4. COMPENSATION AND PAYMENT:**

**a. Budget:** The City shall pay and the Contractor shall accept as the sole compensation for services rendered and costs incurred under the Agreement the line item amounts set forth in the budget contained in **Exhibit B**. Amounts billed may not exceed the budget set forth in **Exhibit B**.

**b. Reimbursable Expenses:** There are no reimbursable expenses allowed under the Agreement. All of the Contractor's expenses are contained in the budget in **Exhibit B**.

**c. Invoicing:** Contractor shall provide the City with a monthly invoice in a format and with a level of detail acceptable to the City including all supporting documentation required by the City. The City's Prompt Payment Ordinance, §§ 20-107 to 20-118, D.R.M.C., applies to invoicing and payment under this Agreement.

**d. Maximum Contract Amount:**

(1) Notwithstanding any other provision of the Agreement, the City's maximum payment obligation will not exceed **SEVEN HUNDRED NINETY-FIVE THOUSAND THREE HUNDRED TWENTY-THREE DOLLARS AND TWENTY-FOUR CENTS (\$795,323.24)** (the "Maximum Contract Amount"). The City is not obligated to execute an Agreement or any amendments for any further services, including any services performed by Contractor beyond that specifically described in **Exhibit A**. Any services performed beyond those in **Exhibit A** are performed at Contractor's risk and without authorization under the Agreement.

(2) The City's payment obligation, whether direct or contingent, extends only to funds appropriated annually by the Denver City Council, paid into the Treasury of the City, and encumbered for the purpose of the Agreement. The City does not by this Agreement irrevocably pledge present cash reserves for payment or performance in future fiscal years. The Agreement does not and is not intended to create a multiple-fiscal year direct or indirect debt or financial obligation of the City.

**5. STATUS OF CONTRACTOR:** The Contractor is an independent contractor retained to perform professional or technical services for limited periods of time. Neither the Contractor nor any of its employees are employees or Directors of the City under Chapter 18 of the Denver Revised Municipal Code, or for any purpose whatsoever.

**6. TERMINATION:**

**a.** The City has the right to terminate the Agreement with cause upon written notice effective immediately, and without cause upon thirty (30) days prior written notice to the Contractor. However, nothing gives the Contractor the right to perform services under the Agreement beyond the time when its services become unsatisfactory to the Executive Director.

**b.** Notwithstanding the preceding paragraph, the City may terminate the Agreement if the Contractor or any of its officers or employees are convicted, plead *nolo*

*contendere*, enter into a formal agreement in which they admit guilt, enter a plea of guilty or otherwise admit culpability to criminal offenses of bribery, kickbacks, collusive bidding, bid-rigging, antitrust, fraud, undue influence, theft, racketeering, extortion or any offense of a similar nature in connection with Contractor's business. Termination for the reasons stated in this paragraph is effective upon receipt of notice.

c. Upon termination of the Agreement, with or without cause, the Contractor shall have no claim against the City by reason of, or arising out of, incidental or relating to termination, except for compensation for work duly requested and satisfactorily performed as described in the Agreement.

d. If the Agreement is terminated, the City is entitled to and will take possession of all materials, equipment, tools and facilities it owns that are in the Contractor's possession, custody, or control by whatever method the City deems expedient. The Contractor shall deliver all documents in any form that were prepared under the Agreement and all other items, materials and documents that have been paid for by the City to the City. These documents and materials are the property of the City. The Contractor shall mark all copies of work product that are incomplete at the time of termination "DRAFT-INCOMPLETE".

7. **EXAMINATION OF RECORDS AND AUDITS:** Any authorized agent of the City, including the City Auditor or his or her representative, has the right to access and the right to examine, copy and retain copies, at City's election in paper or electronic form, any pertinent books, documents, papers and records related to Contractor's performance pursuant to this Agreement, provision of any goods or services to the City, and any other transactions related to this Agreement. Contractor shall cooperate with City representatives and City representatives shall be granted access to the foregoing documents and information during reasonable business hours and until the latter of three (3) years after the final payment under the Agreement or expiration of the applicable statute of limitations. When conducting an audit of this Agreement, the City Auditor shall be subject to government auditing standards issued by the United States Government Accountability Office by the Comptroller General of the United States, including with respect to disclosure of information acquired during the course of an audit. No examination of records and audit pursuant to this paragraph shall require Contractor to make disclosures in violation of state or federal privacy laws. Contractor shall at all times comply with D.R.M.C. 20-276.

**8. WHEN RIGHTS AND REMEDIES NOT WAIVED:** In no event will any payment or other action by the City constitute or be construed to be a waiver by the City of any breach of covenant or default that may then exist on the part of the Contractor. No payment, other action, or inaction by the City when any breach or default exists will impair or prejudice any right or remedy available to it with respect to any breach or default. No assent, expressed or implied, to any breach of any term of the Agreement constitutes a waiver of any other breach.

**9. INSURANCE:**

**a. General Conditions:** Contractor agrees to secure, at or before the time of execution of this Agreement, the following insurance covering all operations, goods or services provided pursuant to this Agreement. Contractor shall keep the required insurance coverage in force at all times during the term of the Agreement, including any extension thereof, and during any warranty period. The required insurance shall be underwritten by an insurer licensed or authorized to do business in Colorado and rated by A.M. Best Company as “A-VIII” or better. Each policy shall require notification to the City in the event any of the required policies be canceled or non-renewed before the expiration date thereof. Such written notice shall be sent to the parties identified in the Notices section of this Agreement. Such notice shall reference the City contract number listed on the signature page of this Agreement. Said notice shall be sent thirty (30) days prior to such cancellation or non-renewal unless due to non-payment of premiums for which notice shall be sent ten (10) days prior. If such written notice is unavailable from the insurer, Contractor shall provide written notice of cancellation, non-renewal and any reduction in coverage to the parties identified in the Notices section by certified mail, return receipt requested within three (3) business days of such notice by its insurer(s) and referencing the City’s contract number. Contractor shall be responsible for the payment of any deductible or self-insured retention. The insurance coverages specified in this Agreement are the minimum requirements, and these requirements do not lessen or limit the liability of the Contractor. The Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this Agreement.

**b. Proof of Insurance:** Contractor may not commence services or work relating to this Agreement prior to placement of coverages required under this Agreement. Contractor certifies that the certificate of insurance attached as **Exhibit C**, preferably an ACORD form, complies with all insurance requirements of this Agreement. The City requests that the

City's contract number be referenced on the certificate of insurance. The City's acceptance of a certificate of insurance or other proof of insurance that does not comply with all insurance requirements set forth in this Agreement shall not act as a waiver of Contractor's breach of this Agreement or of any of the City's rights or remedies under this Agreement. The City's Risk Management Office may require additional proof of insurance, including but not limited to policies and endorsements.

c. **Additional Insureds:** For Commercial General Liability, Business Automobile Liability, and Excess Liability/Umbrella (if required), Contractor and subconsultant's insurer(s) shall include the City and County of Denver, its elected and appointed officials, employees and volunteers as additional insured.

d. **Waiver of Subrogation:** For all coverages required under this Agreement, Contractor's insurer shall waive subrogation rights against the City.

e. **Subcontractors and Subconsultants:** Contractor shall confirm and document that all subcontractors and subconsultants (including independent contractors, suppliers or other entities providing goods or services required by this Agreement) procure and maintain coverage as approved by the Contractor and appropriate to their respective primary business risks considering the nature and scope of services provided.

f. **Workers' Compensation and Employer's Liability Insurance:** Contractor shall maintain the coverage as required by statute for each work location and shall maintain Employer's Liability insurance with limits of \$100,000 per occurrence for each bodily injury claim, \$100,000 per occurrence for each bodily injury caused by disease claim, and \$500,000 aggregate for all bodily injuries caused by disease claims.

g. **Commercial General Liability:** Contractor shall maintain a Commercial General Liability insurance policy with minimum limits of \$1,000,000 for each bodily injury and property damage occurrence, \$2,000,000 products and completed operations aggregate (if applicable), and \$2,000,000 policy aggregate. Policy shall not contain an exclusion for sexual abuse, molestation or misconduct.

h. **Business Automobile Liability:** Contractor shall maintain Automobile Liability with minimum limits of \$1,000,000 combined single limit applicable to all owned, hired and non-owned vehicles used in performing services under this Agreement.

## 10. **DEFENSE AND INDEMNIFICATION:**

a. Contractor hereby agrees to defend, indemnify, reimburse and hold harmless City, its appointed and elected officials, agents and employees for, from and against all liabilities, claims, judgments, suits or demands for damages to persons or property arising out of, resulting from, or relating to the work performed under this Agreement (“Claims”), unless such Claims have been specifically determined by the trier of fact to be the sole negligence or willful misconduct of the City. This indemnity shall be interpreted in the broadest possible manner to indemnify City for any acts or omissions of Contractor or its subcontractors either passive or active, irrespective of fault, including City’s concurrent negligence whether active or passive, except for the sole negligence or willful misconduct of City.

b. Contractor’s duty to defend and indemnify City shall arise at the time written notice of the Claim is first provided to City regardless of whether Claimant has filed suit on the Claim. Contractor’s duty to defend and indemnify City shall arise even if City is the only party sued by claimant and/or claimant alleges that City’s negligence or willful misconduct was the sole cause of claimant’s damages.

c. Contractor will defend any and all Claims which may be brought or threatened against City and will pay on behalf of City any expenses incurred by reason of such Claims including, but not limited to, court costs and attorney fees incurred in defending and investigating such Claims or seeking to enforce this indemnity obligation. Such payments on behalf of City shall be in addition to any other legal remedies available to City and shall not be considered City’s exclusive remedy.

d. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary for the City’s protection.

e. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

**11. TAXES, CHARGES AND PENALTIES:** The City is not liable for the payment of taxes, late charges or penalties of any nature, except for any additional amounts that the City may be required to pay under the City’s prompt payment ordinance D.R.M.C. § 20-107, *et seq.* The Contractor shall promptly pay when due, all taxes, bills, debts and obligations it incurs

performing the services under the Agreement and shall not allow any lien, mortgage, judgment or execution to be filed against City property.

**12. ASSIGNMENT; SUBCONTRACTING:** The Contractor shall not voluntarily or involuntarily assign any of its rights or obligations, or subcontract performance obligations, under this Agreement without obtaining the Executive Director's prior written consent. Any assignment or subcontracting without such consent will be ineffective and void, and will be cause for termination of this Agreement by the City. The Executive Director has sole and absolute discretion whether to consent to any assignment or subcontracting, or to terminate the Agreement because of unauthorized assignment or subcontracting. In the event of any subcontracting or unauthorized assignment: (i) the Contractor shall remain responsible to the City; and (ii) no contractual relationship shall be created between the City and any subconsultant, subcontractor or assign.

**13. INUREMENT:** The rights and obligations of the Parties to the Agreement inure to the benefit of and shall be binding upon the Parties and their respective successors and assigns, provided assignments are consented to in accordance with the terms of the Agreement.

**14. NO THIRD PARTY BENEFICIARY:** Enforcement of the terms of the Agreement and all rights of action relating to enforcement are strictly reserved to the Parties. Nothing contained in the Agreement gives or allows any claim or right of action to any third person or entity. Any person or entity other than the City or the Contractor receiving services or benefits pursuant to the Agreement is an incidental beneficiary only.

**15. NO AUTHORITY TO BIND CITY TO CONTRACTS:** The Contractor lacks any authority to bind the City on any contractual matters. Final approval of all contractual matters that purport to obligate the City must be executed by the City in accordance with the City's Charter and the Denver Revised Municipal Code.

**16. SEVERABILITY:** Except for the provisions of the Agreement requiring appropriation of funds and limiting the total amount payable by the City, if a court of competent jurisdiction finds any provision of the Agreement or any portion of it to be invalid, illegal, or unenforceable, the validity of the remaining portions or provisions will not be affected, if the intent of the Parties can be fulfilled.

**17. CONFLICT OF INTEREST:**

**a.** No employee of the City shall have any personal or beneficial interest in the services or property described in the Agreement. The Contractor shall not hire, or contract for

services with, any employee or officer of the City that would be in violation of the City's Code of Ethics, D.R.M.C. §2-51, et seq. or the Charter §§ 1.2.8, 1.2.9, and 1.2.12.

**b.** The Contractor shall not engage in any transaction, activity or conduct that would result in a conflict of interest under the Agreement. The Contractor represents that it has disclosed any and all current or potential conflicts of interest. A conflict of interest shall include transactions, activities or conduct that would affect the judgment, actions or work of the Contractor by placing the Contractor's own interests, or the interests of any party with whom the Contractor has a contractual arrangement, in conflict with those of the City. The City, in its sole discretion, will determine the existence of a conflict of interest and may terminate the Agreement if it determines a conflict exists, after it has given the Contractor written notice describing the conflict.

**18. NOTICES:** All notices required by the terms of the Agreement must be hand delivered, sent by overnight courier service, mailed by certified mail, return receipt requested, or mailed via United States mail, postage prepaid, if to Contractor at the address first above written, and if to the City at:

Executive Director of Public Health and Environment or Designee  
201 W. Colfax Avenue, Suite 800  
Denver, Colorado 80202

With a copy of any such notice to:

Denver City Attorney's Office  
1437 Bannock St., Room 353  
Denver, Colorado 80202

Notices hand delivered or sent by overnight courier are effective upon delivery. Notices sent by certified mail are effective upon receipt. Notices sent by mail are effective upon deposit with the U.S. Postal Service. The Parties may designate substitute addresses where or persons to whom notices are to be mailed or delivered. However, these substitutions will not become effective until actual receipt of written notification.

**19. DISPUTES:** All disputes between the City and Contractor arising out of or regarding the Agreement will be resolved by administrative hearing pursuant to the procedure established by D.R.M.C. § 56-106(b)-(f). For the purposes of that administrative procedure, the City official rendering a final determination shall be the Executive Director as defined in this Agreement.

**20. GOVERNING LAW; VENUE:** The Agreement will be construed and enforced in accordance with applicable federal law, the laws of the State of Colorado, and the Charter, Revised Municipal Code, ordinances, regulations and Executive Orders of the City and County of Denver, which are expressly incorporated into the Agreement. Unless otherwise specified, any reference to statutes, laws, regulations, charter or code provisions, ordinances, executive orders, or related memoranda, includes amendments or supplements to same. Venue for any legal action relating to the Agreement will be in the District Court of the State of Colorado, Second Judicial District (Denver District Court).

**21. NO DISCRIMINATION IN EMPLOYMENT:** In connection with the performance of work under the Agreement, the Contractor may not refuse to hire, discharge, promote, demote, or discriminate in matters of compensation against any person otherwise qualified, solely because of race, color, religion, national origin, ethnicity, citizenship, immigration status, gender, age, sexual orientation, gender identity, gender expression, marital status, source of income, military status, protective hairstyle, or disability. The Contractor shall insert the foregoing provision in all subcontracts.

**22. COMPLIANCE WITH ALL LAWS:** Contractor shall perform or cause to be performed all services in full compliance with all applicable laws, rules, regulations and codes of the United States, the State of Colorado; and with the Charter, ordinances, rules, regulations and Executive Orders of the City and County of Denver.

**23. LEGAL AUTHORITY:** Contractor represents and warrants that it possesses the legal authority, pursuant to any proper, appropriate and official motion, resolution or action passed or taken, to enter into the Agreement. Each person signing and executing the Agreement on behalf of Contractor represents and warrants that he has been fully authorized by Contractor to execute the Agreement on behalf of Contractor and to validly and legally bind Contractor to all the terms, performances and provisions of the Agreement. The City shall have the right, in its sole discretion, to either temporarily suspend or permanently terminate the Agreement if there is a dispute as to the legal authority of either Contractor or the person signing the Agreement to enter into the Agreement.

**24. NO CONSTRUCTION AGAINST DRAFTING PARTY:** The Parties and their respective counsel have had the opportunity to review the Agreement, and the Agreement will not

be construed against any party merely because any provisions of the Agreement were prepared by a particular party.

**25. ORDER OF PRECEDENCE:** In the event of any conflicts between the language of the Agreement and the exhibits, the language of the Agreement controls.

**26. INTELLECTUAL PROPERTY RIGHTS:** The City and Contractor intend that all property rights to any and all materials, text, logos, documents, booklets, manuals, references, guides, brochures, advertisements, URLs, domain names, music, sketches, web pages, plans, drawings, prints, photographs, specifications, software, data, products, ideas, inventions, and any other work or recorded information created by the Contractor and paid for by the City pursuant to this Agreement, in preliminary or final form and on any media whatsoever (collectively, “Materials”), shall belong to the City. The Contractor shall disclose all such items to the City and shall assign such rights over to the City upon completion of the Project. To the extent permitted by the U.S. Copyright Act, 17 USC § 101, *et seq.*, the Materials are a “work made for hire” and all ownership of copyright in the Materials shall vest in the City at the time the Materials are created. To the extent that the Materials are not a “work made for hire,” the Contractor (by this Agreement) sells, assigns and transfers all right, title and interest in and to the Materials to the City, including the right to secure copyright, patent, trademark, and other intellectual property rights throughout the world and to have and to hold such rights in perpetuity.

**27. SURVIVAL OF CERTAIN PROVISIONS:** The terms of the Agreement and any exhibits and attachments that by reasonable implication contemplate continued performance, rights, or compliance beyond expiration or termination of the Agreement survive the Agreement and will continue to be enforceable. Without limiting the generality of this provision, the Contractor’s obligations to provide insurance and to indemnify the City will survive for a period equal to any and all relevant statutes of limitation, plus the time necessary to fully resolve any claims, matters, or actions begun within that period.

**28. ADVERTISING AND PUBLIC DISCLOSURE:** The Contractor shall not include any reference to the Agreement or to services performed pursuant to the Agreement in any of the Contractor’s advertising or public relations materials without first obtaining the written approval of the Executive Director. Any oral presentation or written materials related to services performed under the Agreement will be limited to services that have been accepted by the City. The Contractor shall notify the Executive Director in advance of the date and time of any

presentation. Nothing in this provision precludes the transmittal of any information to City officials.

**29. CONFIDENTIAL INFORMATION:**

**a. City Information:** Contractor acknowledges and accepts that, in performance of all work under the terms of this Agreement, Contractor may have access to Proprietary Data or confidential information that may be owned or controlled by the City, and that the disclosure of such Proprietary Data or information may be damaging to the City or third parties. Contractor agrees that all Proprietary Data, confidential information or any other data or information provided or otherwise disclosed by the City to Contractor shall be held in confidence and used only in the performance of its obligations under this Agreement. Contractor shall exercise the same standard of care to protect such Proprietary Data and information as a reasonably prudent Contractor would to protect its own proprietary or confidential data. “Proprietary Data” shall mean any materials or information which may be designated or marked “Proprietary” or “Confidential”, or which would not be documents subject to disclosure pursuant to the Colorado Open Records Act or City ordinance, and provided or made available to Contractor by the City. Such Proprietary Data may be in hardcopy, printed, digital or electronic format.

**30. CITY EXECUTION OF AGREEMENT:** The Agreement will not be effective or binding on the City until it has been fully executed by all required signatories of the City and County of Denver, and if required by Charter, approved by the City Council.

**31. AGREEMENT AS COMPLETE INTEGRATION-AMENDMENTS:** The Agreement is the complete integration of all understandings between the Parties as to the subject matter of the Agreement. No prior, contemporaneous or subsequent addition, deletion, or other modification has any force or effect, unless embodied in the Agreement in writing. No oral representation by any officer or employee of the City at variance with the terms of the Agreement or any written amendment to the Agreement will have any force or effect or bind the City.

**32. USE, POSSESSION OR SALE OF ALCOHOL OR DRUGS:** Contractor shall cooperate and comply with the provisions of Executive Order 94 and its Attachment A concerning the use, possession or sale of alcohol or drugs. Violation of these provisions or refusal to cooperate with implementation of the policy can result in contract personnel being barred from City facilities and from participating in City operations.

**33. COMPLIANCE WITH DENVER WAGE LAWS:** To the extent applicable to the Contractor's provision of Services hereunder, the Contractor shall comply with, and agrees to be bound by, all rules, regulations, requirements, conditions, and City determinations regarding the City's Minimum Wage and Civil Wage Theft Ordinances, Sections 58-1 through 58-26 D.R.M.C., including, but not limited to, the requirement that every covered worker shall be paid all earned wages under applicable state, federal, and city law in accordance with the foregoing D.R.M.C. Sections. By executing this Agreement, the Contractor expressly acknowledges that the Contractor is aware of the requirements of the City's Minimum Wage and Civil Wage Theft Ordinances and that any failure by the Contractor, or any other individual or entity acting subject to this Agreement, to strictly comply with the foregoing D.R.M.C. Sections shall result in the penalties and other remedies authorized therein.

**34. ELECTRONIC SIGNATURES AND ELECTRONIC RECORDS:** Contractor consents to the use of electronic signatures by the City. The Agreement, and any other documents requiring a signature under the Agreement, may be signed electronically by the City in the manner specified by the City. The Parties agree not to deny the legal effect or enforceability of the Agreement solely because it is in electronic form or because an electronic record was used in its formation. The Parties agree not to object to the admissibility of the Agreement in the form of an electronic record, or a paper copy of an electronic document, or a paper copy of a document bearing an electronic signature, on the ground that it is an electronic record or electronic signature or that it is not in its original form or is not an original.

## SCOPE OF WORK

### I. Purpose of Agreement

The purpose of this contract is to establish an agreement and Scope of Services between the Department of Public Health and Environment and East Colfax Community Collective (EC3) (the “Provider”).

The Provider shall provide the identified services for the City under the support and guidance of the Denver Department of Public Health and Environment using best practices and other methods for fostering a sense of collaboration and communication.

EC3 has been awarded **\$795,323.24** in Healthy Food for Denver’s Kids funds for the maximum contracted amount for a contract term of August 1, 2025- July 31, 2028.

### II. Program Services and Descriptions

The Provider will be granted funds to provide the following services:

From 2025 to 2028 the East Colfax Community Collective (EC3), Park Hill United Methodist Church (PHUMC) and the Agape Food Pantry (AFP) will expand the reach of our food distribution program by tailoring it to the needs of the ECN through multiple strategies:

**Distributions of Halal meat and products**—The AFP used HDFK funding to purchase a commercial grade freezer so that EC3 can acquire and distribute large quantities of Halal meat for the significant Muslim community EC3 serves from Mauritania, Myanmar/Burma, Senegal, Ethiopia, Thailand, and other countries. Muslim religious beliefs include specific guidelines for slaughtering animals, which are meant to be humane and involve invoking God's name during the process, signifying a connection to their faith and ethical treatment of animals. By distributing Halal meats at AFP, EC3 is filling a culturally responsive gap for access to protein that is in line with religious beliefs of the ECN that are not being met locally through other food distribution programs or local supermarkets. With this HDFK grant EC3 will distribute 8570 lbs. of Halal meat per year at a cost of approximately \$45000 per year.

**Culturally Responsive Food**—The AFP will invest \$2500 per month or \$30,000 annually in purchasing culturally responsive foods to augment staples that are received from the Food Bank of the Rockies. This includes purchasing items that are in high demand from different cultural groups such as Couscous, Harina P.A.N (used by the Venezuelan community for Arepas), Masa (used to make corn tortillas), noodles (used by Burmese and Karen communities), and other items that are not accessible through other food access programs. These items will supplement other staples we purchase that EC3 knows are part of the common diet of the communities EC3 works with such as: eggs, fresh vegetables, tuna, rice/noodles, cooking oil and fresh herbs.

**Culturally/linguistically responsive Delivery Models**—AFP’s primary model of food distribution is a choice-based approach in which the basement of EC3’s church space is

### SCOPE OF WORK

converted into a market where community members can shop for the culturally responsive items that have been identified through our community engagement process. Interpretation will be provided in Spanish, Burmese, Pulaar, and Dari to ensure language access and a welcoming environment. In addition, AFP works to pre-prepare food boxes that the EC3 distributes at our Legal Clinics and our Monthly Membership Meetings. EC3 regularly distribute boxes to people who need housing assistance on a drop-in basis and will also deliver boxes throughout the neighborhood as needed to community members in need or those who lack access to transportation. This flexible delivery model allows EC3 to meet their community where they are and ensure they are getting the resources they need.

**Increasing participation in federal nutrition assistance programs–** EC3 and AFP will coordinate to distribute informational flyers and have trained volunteers and staff onsite to help community members in need to apply to federal nutrition assistance programs with a specific focus on connecting community members to SNAP and WIC, as well as EC3's Housing Assistance Campaign (HAC) programs. The EC3 and PHUMC volunteers will begin to screen HAC applicants to see if they qualify for federal nutrition assistance programs and connect them to trained volunteers or staff who will be able to help them to apply for these programs. EC3 will also provide the most up to date information regarding Public Charge guidance to help the community to make an informed decision on if they apply or not.

**Community Cultural and Nutritional Educational Dinners–** AFP will begin to host monthly Community Cultural and Nutritional Educational Dinners where EC3 will select one of the communities of East Colfax and host a community dinner serving hot meals to 100-150 children and their families where we will introduce and celebrate the nutritious eating practices of the different communities that make up the ECN. EC3 will then use this platform to educate community members on the USDA MyPlate and how different cultural foods fit into national nutrition guidelines, as well as identify community members who can qualify for SNAP and other benefits. Through this portion of the project, EC3 will take a whole family strategy, and create a family environment where parents and kids can learn together about food nutrition in a two-generational approach.

**Local Procurement–**In all of this, PHUMC has prioritized local procurement to build a strong local food system for the AFP. EC3 has developed strong partnerships with Dahlia Campus Green House to provide fresh greens to the AFP as well as Sprout City Farms to supply fresh, locally grown vegetables. The AFP is also resourced through a Denver Urban Garden plot at the Denver Green School in addition to the Agape Garden Plot at our offices. Both gardens are staffed, managed, and operated by PHUMC and provide fresh vegetables and greens directly to the AFP. EC3 also established partnerships with local halal grocery stores to source halal products and meat.

The goals of this project are as follows:

- **Goal 1:** EC3's primary goal of this program is to increase the food security and housing stability of the predominately renter, immigrant, and refugee population of the East Colfax Neighborhood (ECN). By leveraging the relationships, EC3 has built through EC3's Housing Assistance Campaign and EC3's expertise in language justice

### SCOPE OF WORK

and multilingual service delivery, EC3 will distribute 432,000 lbs. of culturally responsive food to at least 2700 Denver youth from at least 3000 unduplicated families over the next three years. At least 50% of households served will receive interpretation support with at least 300 community members applying or recertifying for SNAP or WIC benefits over the course of the 3-year contract. In addition, more than 1800 parents and their children will receive nutritional education through our monthly Community Cultural and Nutritional Educational Dinners. EC3 food distribution model will be driven by their community with 100% of food recipients invited to offer suggestions for culturally appropriate food items. They will host four quarterly Membership meetings per year where EC3 will evaluate the AFP with impacted community members to improve service delivery and culturally responsive food items.

- To accomplish this, EC3 will be updating their data collection system to build out a much more efficient and robust data collection process. First time recipients will be required to fill out an in-depth survey that will cover demographic data, household income, rental expenses, languages spoken, number of children, if interpretation was used, whether they qualify for SNAP/WIC, and important questions from the from the HFDC client-level survey to establish a baseline on their initial level of food insecurity. Once this has been filled out, each individual will be provided with a unique Personal Identification Number (PIN) that will allow EC3 to identify them as a unique unduplicated household in the tracking system. This will allow EC3 to gather baseline data and in-depth demographic information on all households EC3 serves at the outset of our project. In subsequent food distributions, community members will be asked to provide their PIN and update any demographic information that might have changed regarding their initial intake, which will greatly improve their efficiency in gathering and tracking data. On a yearly basis EC3 will ask participants to complete the full initial intake form including HFSSM questions to measure our impact on increasing food security, language access, housing stability, and growth in access to Halal meats for the Muslim community.

Please see **Exhibit D** for further timeline and implementation information.

#### B. Public Good

The EC3 has built their entire organization around building anti-displacement infrastructure in ECN to help stabilize their neighborhood in the face of rising gentrification pressures. However, they are an advocacy and not a service organization, and this programming is designed to ensure that they are deeply connected to those in the community who are most at risk of displacement so that they can inform not only EC3's priorities, but the priorities of the City of Denver. Development decisions and policy discussions in historically marginalized communities such as ECN have been dominated by predominantly single-family unit homeowners. The EC3 helps to facilitate the participation of the renter voice by providing leadership development and policy process training to increase the civic engagement of the 60% renter community in their neighborhood, which EC3 strongly believes will greatly benefit the neighborhood as a whole by

## EXHIBIT A

### SCOPE OF WORK

ensuring the majority renter population is deeply engaged in the policy decisions that impact them.

Increasing renter civic engagement in City process has resulted in significant improvements to Denver's 20 year development plan for East Colfax, additions of park benches and a hybrid futsal/basketball court to Verbena Park, the addition of barbeque grills and shade structures to New Freedom Park, the identification of the need for a Splash Pad and Recreation Center in Denver's Go Bond process, and City investment in scaling up anti-displacement programs such as EC3's multilingual HAC program and our East Colfax Legal Clinic. All these improvements benefit the public good as they are services that are now available to all who live in ECN. EC3 is invested in building food security and housing assistance with a goal of deeply engaging the renter community, and specifically the immigrant and refugee population that is most excluded from these processes, to ensure our entire community is involved in planning the future of our neighborhood.

### III. Evaluation, Outcome Measures and Deliverables

#### A. Process and Outcome Measures/Deliverables

The Provider will report on the process measures and outcome measures. The measures in the surveys Providers will answer will align with the items and descriptions in the "Project Description" section above. A general description of types of measures are listed below, but the final measures will be decided upon with the Provider in collaboration with the HFDK Evaluation contractor and staff. The HFDK evaluation contractor is available to provide technical assistance to the Provider on the development and implementation of their metrics, as needed.

**Process measures** are outputs of operating the agreed-upon program. These may include, for example, number of classes or events held, number of students reached, number of meals served, or number of partnerships developed, among others. The Provider will be asked to collect demographic information for participants as much as possible to help report progress on disparities and direct efforts more equitably.

**Outcome measures** are longer-term results of the program that demonstrate impact. These may include, for example, changes in attitudes or behaviors, curriculum or policy changes within an organization, etc.

#### Participation in the Macro Evaluation

The Provider will participate in the Macro Evaluation, including working in partnership with the HFDK Evaluation contractor and HFDK staff, for shared learning to improve the Denver food system. The HFDK Evaluation contractor and HFDK staff will work with all HFDK grantees to determine which local and macro level data will be collected and reported on through the Monitoring platform (see the Reporting Section below). The Provider will provide agency and community input on Macro Evaluation activities and products (e.g., Theory of Change, Macro Evaluation plan, annual reports, etc.).
