

**Proclamation No. 25-1534**  
**Honoring the Organizations in Denver that contribute to the Advocacy and Empowerment of the Hispanic, Latino/a/x, and Chicano/a Community**

**WHEREAS**, Hispanic Heritage Month, observed each year from September 15 through October 15, provides an opportunity to honor the histories, cultures, and contributions of Hispanic, Latino/a/x, and Chicano/a communities in Denver, in Colorado, and across the United States; and

**WHEREAS**, the Denver City Council recognizes and uplifts the many community partners, advocates, and activists, who have played essential roles in advancing representation, equity and justice, especially empowering voices that have historically been excluded; and

**WHEREAS**, the Hispanic, Latino/a/x, and Chicano/a collective histories and individual stories are the foundation of our present, and that must not be forgotten, but rather preserved, taught, studied, shared, and carried with us, allowing it to bring intention to our actions and guiding our way; and

**WHEREAS**, we stand on the shoulders of our ancestors, whose resistance, advocacy, activism, collaboration, and commitment to community continue to inspire and shape the work of countless individuals and organizations today; and

**WHEREAS**, advocacy organizations have built bridges to connect communities with policymakers, elected officials, educators, service providers, and other key partners, while also ensuring longer tables are built for everyone, including spaces for Hispanic, Latino/a/x, and Chicano/a voices to be a part of the decision-making processes that shape our collective future; and

**WHEREAS**, this month, and every month, we remember that all the struggles of those who have been historically excluded, underrepresented, and overlooked– beyond Hispanic, Latino/a/x, and Chicano/a communities– are interconnected; and

**WHEREAS**, the Denver City Council recognizes that our collective power is rooted in community, our strength lies in solidarity, and true justice and liberation for all can only be achieved through unity.

**NOW THEREFORE, BE IT PROCLAIMED BY THE DENVER CITY COUNCIL:**

**Section 1.** That the Denver City Council recognizes September 15 through October 15 as Hispanic, Latino/a/x, and Chicano/a month by celebrating, acknowledging and uplifting the advocacy work done by community partners, and reaffirm our commitment to equity, and the ongoing work of building a city where all people can thrive.
