GENERAL MANAGER

Kristina Sablatura

OBJECTIVE

My passion has always been to "let artists art". I have spent the past 30 years working in performing arts administration, working across the fields of theatre, opera, visual arts and film. Having lived and worked in both Australia and England, where I worked for major performing arts organizations, I have an international understanding of how non-profit organizations live and breathe. I came to America in 2000 to work for the Houston Ballet, and have spent the past two decades in Denver where I have worked for the Colorado Ballet, raised three children and been an active member in our neighborhood schools and communities.
