1901 Oneida St REZONING REQUEST

Explanation of Project-

My husband and I just purchased this house. It just so happens that I grew up in the house across the street at 6808 E 19th Ave. We purchased it from the same people who owned it when I was growing up. I have always wanted to get back to the neighborhood. We have also always wanted a ranch-style home so we can grow old in the home. We are very excited to make this our "forever home"!

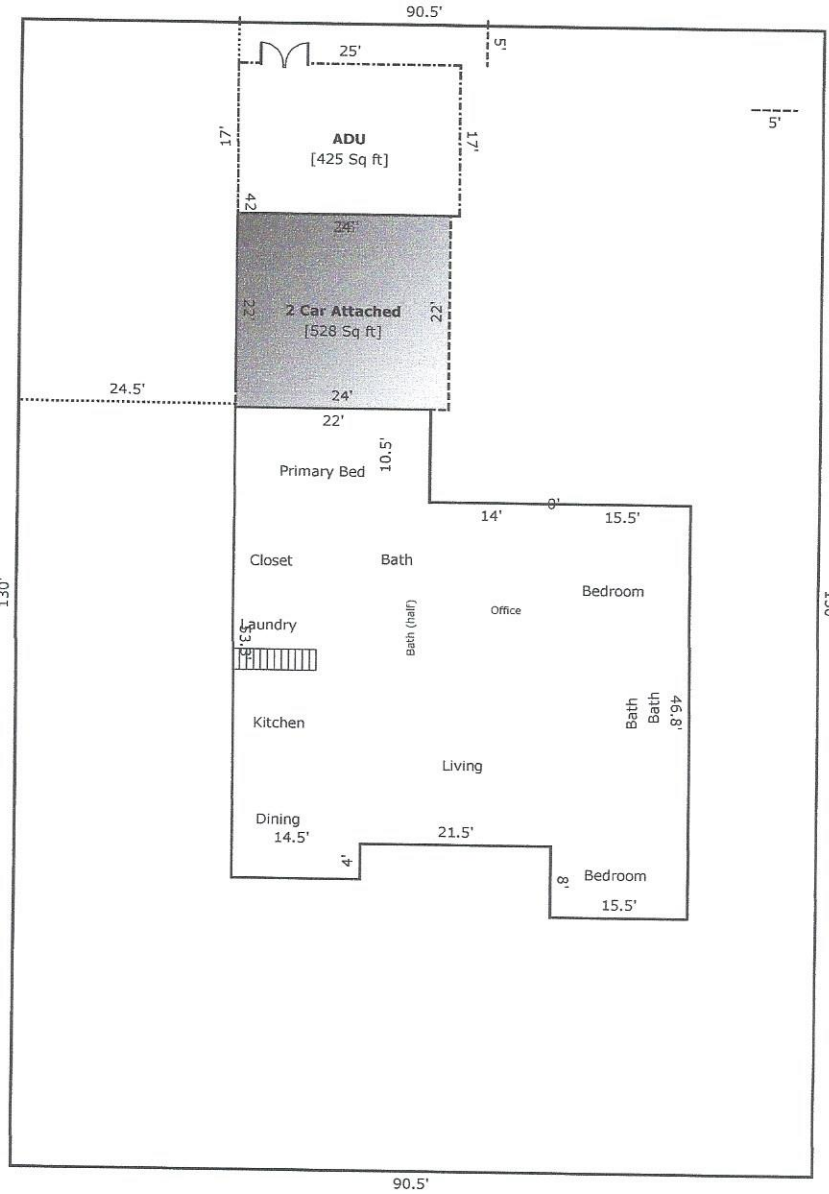

However, our parents are aging, and we know that soon we will need to care for at least one, maybe two of them (at different times). The main house only has room for three bedrooms. So, we are requesting a rezoning so that we may build an ADU to have the ability to keep our parents close by so that we may care for them. We plan to build a modest 400 SF, one-bedroom unit near the west end of the property.

I have also attached a rough sketch of the site plan. We have hired an architect and engineer.

Outreach-

I have emailed our City Counsel office. I also emailed the Greater Park hill Community. I have spoken to several of my neighbors about the rezoning as well.
