Accessory Dwelling Units (ADUs) in the Sunnyside Neighborhood?

Accessory Dwelling Units (ADUs) are also known as granny flats, in-law units, cottages, or carriage houses. Over the past few years, many Sunnyside homeowners have expressed interest in building ADUs – however, they need to apply one-by-one to be allowed to build them. Councilwoman Amanda Barndow is proposing to lead a rezoning on behalf of the community to allow ADUs throughout the area on the map below. This would save owners time and money.

Parcela Eligible to Rezona to Allow ADUs

- U-UB-D, OD-7
- U-UB-C, OD-8
- Other (Already allows ADUs)

¿Unidades de Vivienda Accesorias (ADUs) en el vecindario de Sunnyside?

Las ADU son segundas unidades más pequeñas ubicadas en una propiedad de una sola unidad. A veces se les conoce como unidades de suntuosidades, casas o casas de huéspedes. En los últimos años, muchos residentes del vecindario de Sunnyside han expresado interés en construir una ADU, pero necesitan una reconfiguración para hacerlo. La consejera Barndow propone llevar una reconfiguración en todo el vecindario para que los propietarios individuales no tengan que pasar por el proceso uno por uno.

Propiedades elegibles para reconfiguración

- U-UB-D, OD-7
- U-UB-C, OD-8
- Otras áreas ya permiten ADUs
