**5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**

**a. Scope of Work**

This ordinance is to amend the on-call agreement with Compri Consulting, Inc. to supplemental technology related labor/staffing and professional expertise required for approved projects. The additional funding is needed to complete work that is currently in progress. This amendment is for \$75,000. The original amount was for \$490,000. The total amount is \$565,000.

This is one of several contracts Technology Services has to efficiently bring in supplemental consultant resources on an as needed basis. There is no commitment to the vendor to use any part of this contract. As needs arise during the course of the contract term, money is identified and encumbered, statements of work are created to define the scope of work, and consultant resources are brought in.
