

SECOND AMENDATORY AGREEMENT

Out-Of-Home Placement Services

Child Placement Agency Services (CPA)

THIS SECOND AMENDATORY AGREEMENT is between the **CITY AND COUNTY OF DENVER**, a municipal corporation of the State of Colorado (the “City”) and **KIDS CROSSING**, located at 1440 E. FOUNTAIN BLVD., COLORADO SPRINGS, CO 80910, Trails Number 79752 (the “Contractor”), collectively “the parties”.

The City and the Contractor previously entered into an Agreement and an Amendatory Agreement to provide Child Placement Agency (CPA) services (the “Agreement”).

The parties now desire to further amend the Agreement: to change the rates of reimbursement (following State changes to the same); to add terms relating to HIPAA; to modify terms relating to adoption, foster care, and transportation; to use the new title for the department head of Human Services; and, to substitute revised attachments.

NOW, THEREFORE, the parties agree as follows:

1. Paragraph 8 in General Provisions in Attachment A is amended to read:

“8. Prior agreements; modification of Attachment 1-2 (Scope of Work). This Agreement is in lieu of and supersedes all prior agreements between the parties and relating to the care and services here described. The parties may modify **Attachment 1-2** to increase or decrease the services contained therein or to adjust upward or downward specific line item expenses identified on **Attachment 1-2**; provided, however, that no modification to **Attachment 1-2** shall result in or be binding on the City if any proposed modification(s), individually or collectively, require(s) an expenditure of additional funds. The parties shall memorialize in writing any and all modifications to **Attachment 1-2** by revising and restating said **Attachment 1-2** and stating the date upon which the modified Attachment shall take effect. Any modification to **Attachment 1-2** shall not take effect unless and until it is approved in writing by both parties, approved as to form by the City Attorney’s office, and placed on file by the Agency with the City Clerk. Any modification to **Attachment 1-2** agreed to by the parties that requires an increase in the funds to be expended shall be evidenced by a written Amendatory Agreement prepared and executed by both parties in the

same manner as this Agreement.”

2. Paragraph 9 in General Provisions in Attachment A is amended to read:

“**9. Rate of Care.** The Contractor agrees to provide the care and services which are described in this Agreement and its attachments, based on a child specific authorization, **Out-of-Home Placement Authorization and Terms (OOHPA)** form, attached and incorporated as **Attachment 2**, identifying individual service needs completed by DDHS for each child being served by the Contractor. If this is a CPA (Child Protection Agency) placement, the rate will be based on the Child Specific Needs Based Care Assessment level for each child or on such other assessment instrument as determined by the parties to this agreement. The completed **Needs Based Care Assessment** will be in a format substantially similar to **Attachment 3**, attached and incorporated here. A rate of payment will be determined for each child according to the **Needs Based Care Rate Tables** attached here as **Attachment 4-2 (effective July 1, 2013) and 4-3 (effective July 1, 2014)** and incorporated here by reference. Exceptions may be made for children with extreme needs on a case by case basis with the approval of a Child Welfare Administrator or Manager. See Attachments 3 and 1-2 for this determination. For children placed in the “foster home” level of care, the Needs Based Care Assessment will be re-administered periodically to insure that it accurately reflects the current needs of the child.”

3. Paragraph 12 in General Provision in Attachment A is amended to read:

“**12. Adoption.** If a foster child is being adopted by the CPA foster parent, administrative payment to the CPA will terminate on the date of the adoption. During the period preceding the adoption, the administrative rate may be reduced by the City consistent with the adoptive parent’s increasing independence from CPA services. The County and Provider agree that the provider reimbursement rates for children placed in a Concurrent Adoptive home shall be based on the Needs Based Care Rates in **Attachments 4-2 and 4-3**. This applies to Certified Foster Care homes once it is established that this placement is to be the child’s permanent (Adoptive) home. **Attachment 4-2 and 4-3** identifies when this rate is applied to situations where a child was initially placed only for the purpose of Foster Care. A determination that the placement is to be the permanent home is made based on the provider having completed and signed the Foster Parent Declaration Form (**Attachment 11-1**) and termination of parental rights has occurred rendering the child free and

clear for adoption. The Needs Based Care Tool shall be utilized to determine the rates for all Adoptive placements. Administrative rates to Child Placement Agencies will not be affected and will continue to be determined by the Needs Care Tool (**Attachment 3**).

4. Paragraph 16 in Description of Services to be Purchased in Attachment A is amended to read:

“16. The amount paid for purchased care and services for less than a full month will be based upon the daily rate contained in **Attachments 4-2, 4-3, and 1-2.**”

5. Paragraph 17 in Description of Services to be Purchased in Attachment A is amended to read:

“17. The services purchased under this Agreement may include, but are not limited to basic 24 hour care and child maintenance (food, shelter, clothing, educational supplies, personal incidentals and allowance), administrative overhead, and case management. Behavioral health services which may include but are not limited to individual, group and family therapy, in home services and day treatment may be authorized and paid through the child’s Medicaid eligibility. The total rate of payment for care and services under this Agreement shall not exceed the established negotiated rate as found in **Attachment 4- 2, 4-3, and 1-2** for preferred providers, network providers or group homes or centers.”

(Emergency Placement is an exception and contractor will be responsible for transportation). During placement the Contractor shall provide or pay for reasonable fees associated with transportation as defined in **Attachment 1-2.**”
