5. **Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**
   a. **Scope of Work**
      This amendment will allow IED to continue to provide extended warranty, scheduled replacement, preventive maintenance, repairs, on-call and on-site emergency technical support for all Emergency Communications System (formerly known as Voice Paging System) equipment manufactured by IED. These services are all being provided now by our existing contract with IED. This contract amendment seeks to continue the same level of support for another 5 years. It covers all existing equipment and software manufactured by IED and it will seamlessly cover IED equipment installed at the HTC and that associated with the ECS Upgrade Project as their warranties expire.
   b. **Duration**
      5 additional years through 3/1/2021
   c. **Location**
      DIA
   d. **Affected Council District**
