This action will address the unbudgeted expenditures that were incurred in the first quarter of 2023 due to the influx of people arriving from the southern border into Denver. This action also addresses expenditures associated with providing warming shelters as a result of unseasonably cold weather in the first quarter. Expenditures include overtime for city personnel supporting sheltering, hotel rooms and other facilities leases as well as supplies and services associated with sheltering.

General Fund Contingency started the year with a balance of \$32,562,000. Assuming the supplemental authorized through this bill request pass, the total contingency remaining will be \$21,541,182.

6. City Attorney assigned to this request (if applicable):
