  - Email:**
- 5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**
  - a. Scope of Work**

This ordinance will approve an amendment to extend time and money for the On-Call Directional Boring program. This amendment will add \$850,000 to the original contract amount of \$1,950,000 and extend the original one year contract for an additional year. The new end date for the contract will be May 14, 2014. The new maximum amount of this contract will be \$2,800,000. All work will be accomplished on a Work Order basis. The City will identify and define projects and funding as the need arises and the Contractor will provide a scope of work, schedule, cost estimate, and deliverables. Work will proceed only after the submittal is approved and a Notice to Proceed is issued.
  - b. Duration**

Contract Execution until one year has past
  - c. Location**
