- 5. Describe the proposed ordinance, including what the proposed ordinance is intended to accomplish, who's involved**
 - a. Scope of Work**

KForce consultants offer staff augmentation in project management and systems and business analysis. KForce also provide services to the Portfolio & PMO, Applications Team, and the Network Engineering Group. More importantly, KForce consultants are involved in multi-year infrastructure project upgrades and the institutional knowledge these consultants maintain is instrumental. In order to preserve this knowledge, Technologies is requesting to exercise the two one year options consecutively to extend the contract and to increase funding due to increased scope of work and duration.
