

Denver City Council

López Amendment 1 to Mayor's Proposed 2018 Budget
17-1270

Councilman Paul López

November 6, 2017

Mr. President: I move that the Mayor's Proposed 2018 Budget be amended in the following particulars:

1. Move \$100,000 from Department of Finance, General Contingency (Fund 01010, 2500000) to the Human Rights and Community Partnerships, Office of Immigrant and Refugee Affairs (Fund 01010, 0150000).
2. Delete any references in the comments section of the Department of Finance, General Fund Contingency Reserve, to the Legal Defense Fund and add a reference in the comments section of the Human Rights and Community Partnerships to reflect \$100,000 appropriated for the Immigrant Legal Defense Fund for maintaining unified families.
3. Make all other appropriate adjustments to comments, tables, schedules, and figures in the Mayor's Proposed 2018 Budget as may be required to reflect the actions directed in this amendment.

Explanation: This motion transfers \$100,000 from the Department of Finance, General Contingency to the Human Rights and Community Partnerships Office for a Legal Defense Fund to keep families unified and provide due process through legal representation. As a transfer within the Mayor's Proposed 2018 budget, it does not change the overall budget balance.
