7. **Is there any controversy surrounding this ordinance?** (Groups or individuals who may have concerns about it?) **Please explain.**

The proposed building will exist entirely in the right-of-way but will be attached to the SDP of the 1550 Wewatta St Triangle Building and be required to obtain building permits. Building management of the adjacent owner to the east was concerned about crane access to their roof. The applicant produced a schematic illustrating how a crane could still access the Old Wewatta St right-of-way and service the roof of 1598 Wynkoop St.
