6. **General description of proposed ordinance including contract scope of work if applicable:**

The proposed ordinance is intended to make a payment to Insight as oracle's reseller for database software maintenance covering the period of August 30th, 2011 to August 29th, 2012 in the amount of \$521,901.12. This software is utilized by numerous agencies through the City and County for data collection and management. The benefit of having support from the vendor is that the City is entitled to new patches, fixes, enhancements, and releases for the products as well as the ability for City and County of Denver employees to be able to place phone calls and log tickets to report problems and request resolution from the vendor. This support will need to be renewed yearly.
