- Development of two currently vacant parcels to include three discrete buildings built on top of below grade-structured parking.
- 5-story stick on podium building at the corner of 25th and Welton St. will house 82 apartment units and 3,500 SF of retail. 14 townhome style condos will be built with 9 fronting Welton St. and 5 fronting 25th Avenue.
- Of the 82 apartment units: 64 will be market rate and 18 will be rent restricted to 80% AMI.
- 98 parking spaces will serve the entire project. 84 below grade parking spaces will be designated for the apartments and retail. The 14 condos will each have tuck under parking at grade level.

Amendment to Welton Corridor Urban Redevelopment Plan

2460 Welton Street Redevelopment Project

Conformance with Urban Redevelopment Plan Objectives:

- **Eliminate the present and growing factors which contribute to the blight in the Urban Redevelopment Area.**
- Renew and improve the character and environment of the Urban Redevelopment Area and its surroundings by preventing or ameliorating economic, physical and environmental deterioration.
- **Encourage residential, retail, and commercial development and redevelopment that is socially and economically inclusive and from which the Urban Redevelopment Area can draw economic strength.**
- **More effectively use underdeveloped land within the Urban Redevelopment Area.**
- **Encourage land use patterns within the Urban Redevelopment Area which will reduce dependence upon private automobiles for transportation.**
- Encourage land use patterns within the Urban Redevelopment Area where pedestrians are safe and welcome.
- Encourage the participation of existing property owners within the Urban Redevelopment Area in the redevelopment of their property.
- **Encourage high and moderate density development where appropriate, including structured parking.**
- **Promote a diverse mix of dense housing options.**
- Promote a diverse, sustainable neighborhood economy, including mixed use and commercial development opportunities along the Urban Redevelopment Area.
