*Incomplete request forms will be returned to sender which may cause a delay in processing.*

Date of Request: 8-30-10

Please mark one:  Bill Request or  Resolution Request

**1. Has your agency submitted this request in the last 12 months?**

Yes  No

**If yes, please explain:**

**2. Title:** *(Include a concise, one sentence description – please include name of company or contractor and contract control number - that clearly indicates the type of request: grant acceptance, contract execution, amendment, municipal code change, supplemental request, etc.)*

Contract extension/amendment, with SeviTech, Inc. for three years starting - December 2, 2010 and ending December 1, 2013, to Security Design/Build Contract, GE74036.

**3. Requesting Agency:** Department of Aviation

**4. Contact Person:** *(With actual knowledge of proposed ordinance/resolution.)*

- **Name:** Mark W. Nagel
- **Phone:** 303-342-4321
- **Email:** mark.nagel@flydenver.com

**5. Contact Person:** *(With actual knowledge of proposed ordinance/resolution who will present the item at Mayor Council and who will be available for first and second reading, if necessary.)*

- **Name:** Brian Elms
- **Phone:** 303-619-7353
- **Email:** brian.elms@flydenver.com

**6. General description of proposed ordinance including contract scope of work if applicable:**

Security Design/Build Contract, GE74036, will be used to assist the Airport Security Department in design and construction of security Capital Improvement Projects (CIP). In the first three years of the contract the focus was primarily on the installation and construction of a digital CCTV camera system paid for by the Transportation Security Administration (TSA) through DHS grant dollars. In addition to the digital CCTV camera system for the TSA, Denver International Airport's (DIA's) analog CCTV system has been designed and constructed to the new digital format. Finally, the contract has focused on designing and constructing the infrastructure for access control biometrics and a "pilot" perimeter security system to test and evaluate technologies for future installation on the bigger perimeter of DIA.

This three year contract amendment/extension will assist the Airport Security Department in completing some of the CIP projects already in progress and start new CIP projects.

**\*\*Please complete the following fields:** *(Incomplete fields may result in a delay in processing. If a field is not applicable, please enter N/A for that field.)*

- a. **Contract Control Number:** GE74036
- b. **Duration:** three years
- c. **Location:** DIA
- d. **Affected Council District:** 11
- e. **Benefits:** additional Security
- f. **Costs:** \$4.9 million

*To be completed by Mayor's Legislative Team:*
