**5. General description or background of proposed request. Attach executive summary if more space needed:**

Designation of La Raza Park at 1501 W 38th Avenue in the Sunnyside Neighborhood as a district for preservation per Chapter 30 of the Denver Revised Municipal Code. The Latino/Chicano/Mexican American historic context identified La Raza Park as a culturally and historically significant site for Denver's Latino/Chicano Community. In coordination with Denver Parks and Recreation, Councilwoman Sandoval's office and the community, Landmark Preservation staff wrote the designation application. The designation application—La Raza Park Historic District—was submitted by Councilwoman Amanda P. Sandoval, as La Raza Park is in her district. The application is scheduled to go to Denver Landmark Preservation Commission on May 2, 2023 with a staff recommendation of approval. The application is scheduled to go before the Denver Planning Board on May 3, 2023, for a recommendation to City Council on the planning impacts of the designation.
