

**ORDINANCE/RESOLUTION REQUEST**

Please email requests to Jason Gallardo, Public Works

at [jason.gallardo@denvergov.org](mailto:jason.gallardo@denvergov.org) by **12:00pm NOON on Monday**. Contact Jason with questions.

Date of Request: 2/11/19

Please mark one:  Bill Request or  Resolution Request

**1. Type of Request:**

- Contract/Grant Agreement     Intergovernmental Agreement (IGA)     Rezoning/Text Amendment
- Dedication/Vacation     Appropriation/Supplemental     DRMC Change

**2. Title:** (Start with *approves, amends, dedicates*, etc., include name of company or contractor and indicate the type of request: grant acceptance, contract execution, contract amendment, municipal code change, supplemental request, etc.)

Approves a grant from CDOT to reconstruct three new traffic signals within the City. Contract #201947881.

**3. Requesting Agency:** Public Works

**4. Contact Person:**

Contact person with knowledge of proposed ordinance/resolution	Contact person to present item at Mayor-Council and Council
Name John Yu	Name: Jason Gallardo
Email: john.yu@denvergov.org	Email: <a href="mailto:jason.gallardo@denvergov.org">jason.gallardo@denvergov.org</a>

**5. General description or background of proposed request. Attach executive summary if more space needed:**

The Federal Highway Safety Improvement Program (HSIP) funds' HSIP CCD 2018 Pkg 5 project is to reconstruct three (3) new traffic signals within the City and County of Denver. The three traffic signals are located at (1) Colfax/Broadway; (2) Colfax/Lincoln; and (3) Colfax/Grant. The scope of this project will be to remove existing traffic signal equipment – poles, signal and pedestrian indications, controller and cabinet, pull boxes, and other associated equipment, and install new traffic signal equipment in accordance with the City and County of Denver standards. These include signal indications on every lane, 16” countdown pedestrian faces, Ethernet controllers and switches, and UPS. ADA handicap ramp, curb and gutter, and sidewalk will also be upgraded within the impact area and installed at all locations to meet ADA and City and County of Denver standards if needed. Scope of work also include new pedestrian crosswalks and stop bars in accordance to Denver standards. There are no anticipated right of way impacts nor particular environmental disturbances. City and County of Denver, Department of Public Works – Transportation & Mobility (T&M) will provide oversight of both design and reconstruction of the four traffic signals, and the ADA ramps, sidewalk, curb return, curb and gutter, and any storm sewer works if necessary. A design consultant will be contracted by T&M to perform the detailed traffic signal, signs and striping,

roadway and civil infrastructure designs. T&M will contract a certified signal and roadway (civil) contractor to reconstruct the traffic signals and any roadway/civil upgrades necessary.

T&M staff will oversee the design and perform construction management using 2016 professional on-call contracts that were competitively bid using Denver DBE requirements. Funding on the reconstruction of the 2 traffic signals is from the Federal Highway Safety Improvement Program funds (90% Federal Funds, 10% State Funds). The requested and approved HSIP funding for this project was \$1,200,000. However, if the construction exceeds the approved HSIP funding, then Denver will provide additional funds to complete the project. The City and County of Denver - Public Works will maintain all three (3) traffic signals.

**6. City Attorney assigned to this request (if applicable): Rob Wheeler**

**7. City Council District: 10**

*To be completed by Mayor’s Legislative Team:*

Resolution/Bill Number: RR19 0135

Date Entered: \_\_\_\_\_

8. **\*\*For all contracts, fill out and submit accompanying Key Contract Terms worksheet\*\***

**Key Contract Terms**

Type of Contract: (e.g. Professional Services > \$500K; IGA/Grant Agreement, Sale or Lease of Real Property): **Grant**
