## WORK EXPERIENCE

### **Boys and Girls Club: Denver Broncos 4397 Crown Blvd. – Cultural art specialist**

May 2019- Present

As a Cultural art specialist at the Boys and Girls Club, I'm in charge of teaching children from ages 6-18 all about art. Ranging from hands-on art activities like painting, drawing, step by step sculpting, collaging, and everything in between. To also teaching them about the cultural backgrounds of art styles, artists, music, and stories. We have monthly mini art galleries with different themes. I also run Voz y Corazon once a week and discuss how art and mental health can be combined and help them flourish as people and as artists. This job has been a dream come true, its fun every day, and its amazing to see art at its rawest funnest forms.

### **Cuba Cuba, 1173 Delaware st. 80205 — Host / Food runner**

September 2017 - May 2019

At Cuba Cuba I was a host and food runner, it's a great place to be a team player and meet new people. I was a host taking reservations, keeping up with the guest list and reservation set up. As a food runner, I kept the kitchen and the servers connected if there are any mistakes or questions or translations needed. Other basic duties include rolling silverware, folding napkins, cleaning, mopping, etc.

### **New Era Colorado, 907 Acoma 80204 — Organizer and Canvasser**

August 2018 - November 2018

I started as a volunteer at New Era doing none partisan election work, fairly soon after I got hired to be a full-time canvasser and staff for them. It was a great opportunity that helped me get out of my shell and get informed about all these important things happening around the state and the Denver area.

### **Vanguard Classical School East, Location — Elementary/ middle school Special Education Paraprofessional**

August 2017 - November 2017

At Vanguard I was a Paraprofessional educator for elementary kids and it was such a lovely experience. It gave me the opportunity to start teaching and being creative in a lot of different ways. I was in charge of keeping things clear and easier to follow for a group of 6 students who were very creative and interactive. Vanguard is a K-12 school and occasionally I would help in the middle school and high school departments. I had to be moved around due to lack of paraprofessionals but that helped me be more flexible, opened to new experiences, and new ways of helping at any age.
